Metropolitan Lubbock Rotary

District 5730 -- July 2, 2013

July 5 – No Meeting This Week

To honor our country and enjoy time with family, the Board has voted to cancel the July 5 meeting of Metropolitan Lubbock Rotary. We'll get back to our regular schedule on July 12.

Ken Patterson Inducted as D5730 Governor

In a ceremony attended by over 60 Rotarians and guests last Friday, June 28, at the Louise Hopkins Underwood Center for the Arts, Ken Patterson, past president of Metropolitan Lubbock Rotary, was installed as Governor for Rotary District 5730. With help from many Metro Rotarians, SarahLee Morris and Bonnie Schwarzentraub pulled off a great event. It was special to have many members of the Patterson's clan in town and to have the colors presented by grandson Conner and his scout buddies who led the Pledge of Allegiance. See more pictures on pages 7 and 8.

July Programs

July 12: Apple Butter Festival – Susan Elizabeth and Cal Brints

July 19: Moonlight Musicals

July 26: Classification talks – Bonnie Schwarzentraub and Jim Graves

Thanks to SarahLee Morris, President-Elect, for organizing our 2013-14 programs.

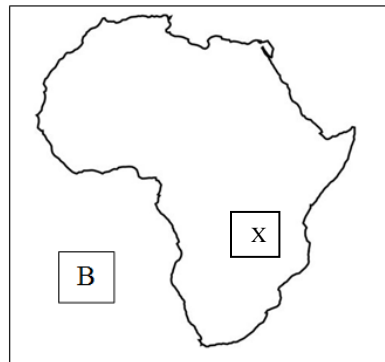

Fund Raising – Meat Tasting Again

If you weren't able to do the beef tasting on June 24, please put the next tasting, July 24 at 6 pm, on your calendar and let Kim Martin (kmartin@ramarcom.com) know you can do the tasting that evening. For an hour's work, you'll earn \$25 toward Metro service projects. Thanks.

Malawi

Answer to last week's question: Malawi is located at the X in east central Africa 14° south of the equator.

Meals on Wheels

June 28: Phil Houchin and Bobby McCloud.

July 5: Bonnie Schwarzentraub and SarahLee Morris.

July 12: Dennis Reeves and a player to be named later

Metro Immediate Past President Susan Wierzba Now Short Term RYE Coordinator for District 5730

Immediate Past President Susan Wierzba, Outbound Coordinator for 2011-2013 and now Short Term Exchange Program Coordinator for District 5730, participated in the June 18-23 SCRYE (South Central Rotary Youth Exchange) Outbound Camp in Siloam Springs, Arkansas, along with Jack Campbell, (D5730 Youth Exchange

Officer) from Midland, Alisha Chedester (former exchange student and current ROTEX) from Amarillo, and two current outbound exchange students, John Ryan Isaacson from Muleshoe and Mollie Montgomery from Midland, Texas. Shown here are the outbound South Central RYE students attending the conference in Arkansas.

The long term Rotary Youth Exchange program gives students from all over the United States, a once in a lifetime opportunity to live in one of 72 different countries and immerse themselves in that culture and learn the language. The camp prepares students for all situations they may encounter while overseas and focuses on teaching each how to be ambassadors of both Rotary International and their country.

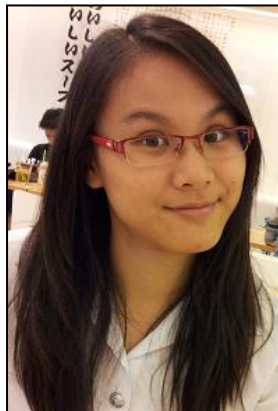

Metro Lubbock on ClubRunner

Rotary International, District 5730 and Metro are using a new integrated software package called ClubRunner to do everything from enrolling a new member to attendance to the club web site to the club directory and a lot more.

If you haven't done so already, we need your help to update your profile (name, address, picture, etc.) just as soon as you can. It shouldn't take too long. Go to <http://www.clubrunner.ca/Portal/Home.aspx?accountid=9071>, which is the start of Metro's new home page. Ask walter.smith@ttu.edu, if you need login information.

August Visitor – Petchlada (Petch) Jansiriyotin

Petchlada Jansiriyotin (call me Petch), a fourth year medical student in Thailand, will be visiting Lubbock in August to study family medicine and infectious medicine at the Texas Tech University Health Science Center. Petch is the niece of a Rotary friend of Noi (Benjaluck Aukarapasuchart) who headed the Thai Group Study Exchange team a couple years ago.

Petch will fly in on AA 3169 at 2:30 pm on August 4. Everyone is welcome to greet her. She'll stay one week each with Bill and SarahLee Morris, Caryl and Walter Smith, Bonnie and Paul Schwarzentraub, and Cal and Susan Brints. Then she'll leave on August 31.

Petch is no stranger to America. She was a Rotary Youth Exchange student in 2006-2007 to Tulare, California, where her host club was Tulare Rotary Club D5230 in California's Central Valley 50 miles south of Fresno. When she was in the first year at Chiang Mai University, Petch and her friends went to Florida under a work and travel program in March to May 2010. In Florida she worked at the Busch Garden theme park in Tampa. She also went to Hawaii with a Rotary Friendships Exchange group (RFE) in April 2011 to visit Rotary clubs in D5000.

She enjoys playing the guitar and has a band with her friends in Thailand. She also plays on a basketball team made up of medical students. Her mom is a nurse and her dad is an electrical engineer. Her older sister studies medicine at Chulalongkorn University in Bangkok and her younger sister is starting veterinary medicine study at Chiang Mai University, the same university where Petch studies, located in Chiang Mai in northern Thailand.

Petch's aunt is a past president of Mae Wang Lampang Rotary Club in D3360 about 60 miles from Chiang Mai.

District 5730 Has a New Website

Go to District 5730's new home page at Rotary5730.org, which is being hosted by ClubRunner.

Where's Waldo? Where's Ken?

As district governor, Ken Patterson will visit every District 5730 club to learn what they are doing and help them improve their work. Here's where Ken is traveling next week.

Monday	8	Spearman
Tuesday	9	Canadian
Wednesday	10	Childress
Thursday	11	
Friday	12	Brownfield

Happy July Birthdays to:

- 7/02 Flynt, Elaine
- 7/04 Smith, Matt
- 7/09 Smith, Caryl
- 7/30 McCloud, Bobby
- 7/31 Wierzba, Susan

Sunday, July 14, Open House at Smith's

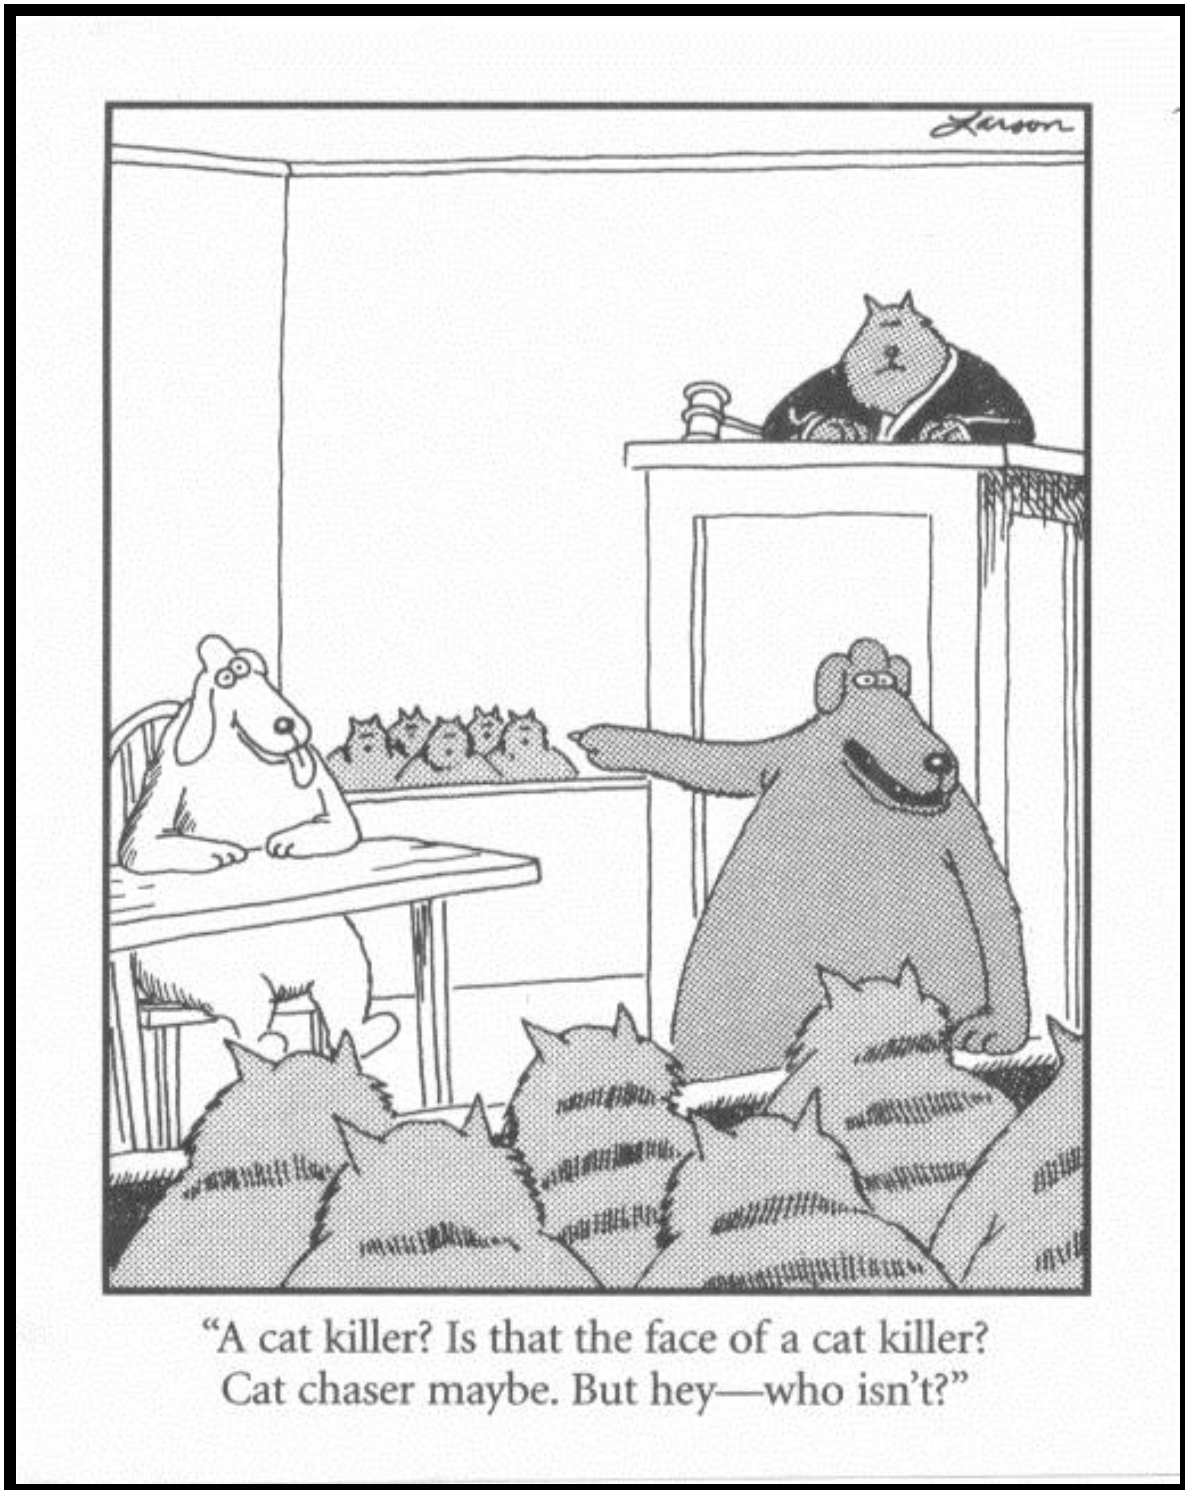

Please stop by Caryl and Walter Smith's home at 109 E. Llano in Raider Ranch on Sunday evening, July 14, at 6-8 pm for a little beer, wine or Coke and some nibbles – hard to spell hors d'oeuvre without help from Google – and to welcome 22 of Walter's online science education doctoral students to Lubbock.

I'm very proud of both them and Metro and Caryl and I think of Metro as our family, so it seems only natural for y'all to meet my students who are science teachers or science coordinators or otherwise involved in science education in Texas, New Mexico, Nevada, New York and South Carolina. Very informal. Spouses, partners and special friends invited. Come and go as your schedule permits.

West on Marsha Sharp; north on Milwaukee; west on 43rd; right into Raider Ranch. Go around the main building to the villas on the NE side of the main building. We're in the second building on the left.

Cartoon of the Week

Maybe someone can explain this cartoon to me.

Pictures from Ken Patterson's Installation
