How to Donate to the Rotary Foundation

Make your check to the Rotary Foundation and give it to our Foundation Chair, David McAlexander. Or go to the Rotary Foundation website (<http://www.rotary.org/en/Contribute/Pages/ridefault.aspx>) where you can use a credit card. Let David know your amount so he can credit it to “pass the hat” and Walter’s beard being shaved off.

Errata — That's Latin for "Walter Screwed Up"

In the Banner sent last evening I added to what Jim Graves reported about his classification talk and had him born in New Hampshire. Jim reports to me that "Actually, I was born in McAllen, Texas and in 1930, my family moved to my father's family farm in New Hampshire. Several years later my father was hired to manage a poultry farm close by with several thousand laying hens. After a few years he was able to buy in to the farm and added registered Herefords, a few Jersey cows and a garden. The farm (Highland Farm) was owned previously by an early governor of NH and was a show place in that village. Besides eggs, we sold hay, early vegetables, butter, broilers and other farm products locally. My brother still lives on the family farm and also owns the farm my father ran." Thanks, Jim, for straightening me out.
