No Meeting Friday

- Due to the Tinney Awards today we will not have a meeting this Friday!!!

Next Week's Program

- **September 19th** AJ McCleod and Julie Lackey will be talking to us about the boys and girls club.

Last Week's Program

Friday, September 5 - Speaker Dianne Anderson, District Governor

District Governor, Dianne Anderson, a member of the Midland West Rotary club met with us on Friday morning and told us about the activities and involvements of rotary clubs in our district and internationally. She complemented Metropolitan Rotary concerning the impact of our members and club in the local, district and international scenes. She showed us a video of the Polio Plus success in Africa, and programs providing assistance to youth with health and education problems there. She told us about a trip she took to PuertoVallarta when the reputation of Rotary enabled her to cash a check when in need. After eradicating Polio on the Philippines in 1985, Rotary expanded efforts around the world and has now come close to completely ending Polio everywhere. She encouraged everyone to go to the Foundation Dinner on November 12th. We saw pictures from the Dominican Republic showing some of the things Rotary is doing there.

Also Sarah Lee and Bill Morris were recognized as major donors.
