

Your kind expression of sympathy
and friendship will
always remain in our memories.
Thank you for your thoughtfulness.

Dear Stan: the membership of the
Rotary Club of Pleasanton,

We are overwhelmed by the
love and prayers of our friends
But NOT surprised. Daddy
touched & blessed so many people.

You have honored our Daddy
through your prayers and presence
at his celebration of his long,

remarkable and blessed life.

Daddy was a devoted member
of Rotary and believed in its
mission to bless & better the lives
of so many others. He was
our earthly hero and guide.
Thank you for loving him!
