

## Rotary Club of Citrus Heights Membership Invitation Guide

This Rotary Year we would like to encourage everyone to bring one guest/prospect to a meeting every quarter. To facilitate the process, we have assigned different Category/Target invitees each month. This is not to say that you can't invite a guest who does not meet the target for any given month. Please feel free to invite your dentist this month and not in August. For those of you who already work in a profession listed, please don't think we want to trade you for someone else who does what you do..

This list is not complete. Please feel free to make your own modifications and suggestions to the Membership Chair.

MONTH	Category/Target
