A WORD FROM OUR PRESIDENT

We have an exchange student!

Diane Riehle has a grand daughter that is interested in going on an exchange next year. This will be an exciting year for her. So now you are probably wondering... How can we host an exchange student?

Hosting an exchange student can be an incredibly rewarding experience for your family, providing an international experience without leaving home.

Host families provide room and board and share their lives with exchange students, involving them in family, community, and cultural activities.

Interested in learning more about being a host family? Do you know someone that would like to be a host family? Come talk to me and I can give you more information and start the paperwork.

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

SPEAKER OF THE WEEK

Rotary International Foundation Bob Churchill

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International. In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals. When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

In 1947 the Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships. In 1978, Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio. In 1985, the [PolioPlus program](#) was launched to eradicate polio worldwide.

In 2013, new [district, global, and packaged grants](#) enable Rotarians around the world to respond to the world's greatest needs. Since the first donation of \$26.50 in 1917, the Foundation has received contributions totaling more than \$1 billion. Bob said that 89% of money donated go to the various programs, 9% goes to fundraising, and 2% goes to administrative costs. 2.5 billion children have been immunized against polio, and the current cost is \$0.60 per child. Our club currently has 19 Paul Harris Fellows, 13 have multiple Paul Harris Awards, and 19 are working toward their first Paul Harris Award. Bob then presented Diane Riehle with her Paul Harris +2 pin, which means she has more than \$3,000 in her account.

The club has one member in the Paul Harris Society, and 11 members are Benefactors (have an estate plan giving at least \$1,000 upon death). The goal this year is \$5000 from the club, and the latest figure that Bob has is \$715. We will have a poster to document the progress toward the \$5000 goal at the meetings.

Quote For The Day

"Don't judge each day by the harvest you reap but by the seeds that you plant."

Robert Louis Stevenson

WEEKLY REPORT

From **Fred Teichert**: This is an invitation to hardy souls who – perhaps persuaded by my example that “anybody can do this” – would like to throw their hat into the ring for District Governor for the term 2017 – 2018, following DGN **Barbara Tracy**. The position is open to past presidents of Rotary clubs who are otherwise of good moral character and community standing. Assistant Governors and Past Assistant Governors are especially encouraged to consider this position. The application form is due back by December 5, 2014.

Visiting Rotarians: From the Roseville Club, with a classification of restaurateur, **Bill Lawd** (spelling?) Our frequent guest from the Sacramento Club, **Doug Ose**, paid us a visit, as well.

Visitors: **Charles Turner**, Mel’s father, from Las Vegas, **Jay Hornbuckle** from Pacific Advisors, **Camille Simonis**, our exchange student from Belgium, and **Genevieve Maddox**, mother-in-law to **Gail Moxley** and potential member.

Foundation (**Justin Whitsell**)-**Justin** would like to thank **Barda Davis** for directing people to donate money to the Foundation to honor the memory of her husband, **Derwin**, who recently passed away. **Justin** did receive some checks. He has also received some mini-grant applications, and he will be getting those out to the Board for approvals soon.

Membership (**Ray Riehle**)-**Ray** would like to make a shameless plug for Toast Masters. Joining Toast Masters will not compete with the Rotary Club since there is no fundraising. What it will do is teach one how to give speeches, run meetings, and perfect the short messages, which can be a great help to a business owner. **Rich** and **Jessica** echoed **Ray**’s endorsement, and **Jessica** pointed out that Rikk Wilde, the Chevrolet representative who gave the World Series MVP truck to Madison Bumgarner, could really use some sessions with Toast Masters. Because, um, saying that the vehicle comes with, uh, technology and stuff is potentially, you know, embarrassing.

Vocational Minute

(**Rich Hale**) **Rich** owns Walt’s Auto Service, which opened in 1975. He has been at his current location since 1998. He recently gave the building a face-lift (new windows, gutted the lobby, etc) because it needed updating and he wanted to encourage other business owners along the recently upgraded Auburn Boulevard to invest in their businesses, too. **Rich** can handle any vehicle service from a simple oil change to engine replacement. He can also save you money over dealerships for manufacturer’s recommended service schedules.

NEXT WEEK'S SPEAKER

Honoring Our Veteran's

CRAB FEED

Justin Whitsell discussed the 2015 Crab Feed, which will be held on Valentine's Day (February 14th). The first meeting for the Committee Chairs will be November 14th at 7:30 am at Country Waffle. Justin called out the names of those he would like to have as chairs:

Silent Auction/Raffle (Tina Shaw and Jennifer Riffe), Bar (Mark Duncan), Registration (Debbie Scott, Gail Moxley, and Jeannie Bruins), Tickets (Bill Van Duker), Table Set Up (Christi Woodards), Dessert (Laura Powell), Kitchen (Carlos Hernandez), Crab (Bob Churchill), Cooks (Jack Duncan), Cleanup (EVERYONE), DJ (Carlos Verrett), Sponsorships (Rich Hale and Christi Woodards), Live Auction (Diane Riehle—she knows a Rotarian who may be the auctioneer for free!).

We will do the bead thing again for the Fund in Need.

There was some discussion about ticket prices—keep them the same or bump it up a little and then use that money to cover the credit card fees. We had 762 attendees last year. The key is getting people in the door and then get them to spend their money on other things.

FINES

Fine Master (Alex Turcotte)

- \$1 for anyone who did not vote
- \$1 if your cell phone rung
- \$1 for those who just received \$50 and did not spin the wheel
- \$1 to **Diane** for being mean to **Mel**, may have hit **Steve**, and trying to fluster **Rich**
- \$5 if your face was on TV last night for the election and you were not wearing your Rotary pin (or \$1 per instance)
- \$1 in honored memory of the police officers recently killed in the line of duty-if you left the house this morning without saying "I love you" to your loved ones

WHEEL SPINS

Spin The Wheel

Diane Riehle made a bet with **Steve Bruce** and **Justin Whitsell** that **Mel Turner** would come in first in the city council race, but he came in second. (Congratulations, **Jeannie Bruins** on being first! Congratulations to **Mel** and **Steve Miller** for retaining their seats for another 4 years.) So **Ray** fronted the money to **Diane**, and she paid **Steve** and **Justin** each \$50 in coin. Then she spun the wheel for \$16.

Jeannie Bruins spun \$12 and **Mel Turner** spun \$13 for winning the election. **Mel** also recognized his father, who spent some quality father-son time by helping him take down campaign signs.

John Blonskij spun \$18 for a successful health challenge. About 3500 people lost over 10,000 pounds.

Weekly Meeting Continued

President Jessica Mang announced that the BBQ and Brews event that was scheduled for this month was canceled. **Jessica** said we would try again next year to get the event off the ground.

Dictionary Project—**President Jessica** asked how many schools are left to be done? After some discussion, it was determined 2 schools are left. **Jack Duncan** still has a lot of dictionaries left in his garage, and the new ones for next year are coming in soon. **Jessica** suggested St. Mark's Lutheran School in Citrus Heights, and **Gail Moxley** suggested Visions in Education. **Diane Riehle** asked for 15 dictionaries to have for Asian Resources.

Exchange Student—**President Jessica** said we need to find a student 15-17 years old to be our outgoing exchange student for next year. **Brian Rupe** asked if a 7 year old and 2 four year olds count? Sadly, no, **Brian**. **Diane Riehle** said her granddaughter, **Kaylie Oswalt**, is a possible candidate.

The City of Citrus Heights is soliciting information for its 6th annual holiday giving program. The first meeting is tomorrow at 4pm. **Jack Duncan**, **Gail Moxley**, and **Christi Woodards** will attend.

Doug Ose was asked to say a few words. He has not slept because he was watching the election results, and he has a 3100 vote advantage at this time. There are 45,000 votes that need to be certified and counted, and he expects to hear the final count on Saturday. He spun the wheel (\$13), and he thanked everyone who came to Rudy's Hideaway to show their support.

Next Tuesday is Veteran's Day, so please invite a vet to lunch for next Wednesday's meeting. But please register both yourself and your guest(s) so we have enough food, and you are responsible for paying for your guest.
