A WORD FROM OUR PRESIDENT

Dear Citrus Heights Rotary Family,
Point West Rotary has invited us to participate in an exciting bike ride downtown under the light of the full moon. Please join Jessica, Gail, Mark, Scott, and a few others Saturday, August 9th for a fun filled evening including food trucks, music and a moonlit ride through downtown Sacramento. The festivities will begin at 8 PM with food trucks and music to get everyone in the mood and the ride will begin at 10 PM.

Riders will leave from the California State Capitol West Steps and will have the option of riding either a 5 mile or a 17 mile loop. Both courses will feature a combination of bike trails and city street and will give riders a glimpse of the city they've never seen quite like this.

This is a fun ride and not a race. Riders will have to obey all traffic rules and be cautious and considerate of their fellow riders. To make sure that everyone has fun and gets home in one piece all riders will be required to wear a helmet and have lights on their bikes. Front lights and a red rear reflector are required, however, we encourage riders to use a flashing red rear light if they have one. Riders are also encouraged to "Dress Up" their bikes and clothing with fun lights and Glow sticks. Please join us for a great ride,

Jessica Mang

THE FOUR-WAY TEST

Of the things
we think, say,
or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

SPEAKER OF THE WEEK

CALIFORNIA DEPARTMENT OF WATER RESOURCES

Doug Carlson, who is employed by the California Department of Water Resources, spoke about the drought and the 4-way test.

There are several categories of drought: moderate, severe, extraordinary, and "pretty bad".

More than 1/3 of the state is in the worst category. The average rainfall by this time of year is 50", and we are currently at 29". In 1923-24, it was 17.1". We are 1/3 the capacity of the larger reservoirs.

When talking about the drought, apply the 4 way test. Is the statement that this the worst drought ever true? No, but it is pretty bad. Also one "good" rainstorm is not going to save the water season. 13 of the 14 warmest years on record have been in this century, so climate change IS happening. He also applied the other ways of the 4 way test to damming water sources, providing a proper environment for fish species for their survival, and to farmers who invested their life savings into various crops that need a lot of water.

WEEKLY REPORT

The bell will arrive after it is done being interrogated. **Diane Riehle** played various bell tones on her phone that she downloaded all by herself! **Christi Woodards** was the joke master for today and managed to tie it in with the golf tournament.

Visiting Rotarians: **Gary Pevey**, the immediate past-president of the Point West Club and **Doug Carlson**, our speaker for today and a member of the Arden-Arcade club

Guests: **Sawyer Stauffer** (and sister **Cody**) , our outgoing RYE student leaving for Peru on Sunday, **Betina Schesson** (co-worker of **Diane Riehle**'s), **Darlene Spurgeon** (prospective member), and **Gene Thomas** (prospective member)

Club Foundation: **Justin Whitsell** announced that the next Foundation Board meeting will be August 12th at 7:30 am at the Country Waffle on Sunrise, a place where the cook knows how to hard boil eggs and get food out to a small group of people in a timely fashion.

Membership: **Diane Riehle** reported that our August 6th meeting will be a designated "Membership meeting". She plans on making it fun as the plan for bringing in new members is presented.

Financial Report: **Christi Woodards** said she spent a good amount of time with **Jessica Mang** and **Gail Moxley** to prepare a budget for Jessica's year. Christi requires 3 things for reimbursement: a receipt, a line in the budget for such a purchase, and authorization for said purchase. Without those three things, you have just donated that purchase to the club.

Golf Tournament: **Christi Woodards** said the goal this year is to make \$10,000 after expenses. She would like every member to bring in at least \$400 in value. This can be getting foursomes together, getting sponsorships, and donating/getting donations of items. The person who brings in the most will get a \$100 gift card. This is Friday, Sept 19th at Morgan Creek Golf Course. The golf ball drop tickets are 3/\$25. The goal is 1,000 tickets sold. The person who bought the first ball in the hole (or nearest if none go in) gets \$500, the second gets \$300, and the third gets \$200.

Justin Whitsell reported on the former Business and Breweries fundraiser. It is on a new date (November 14th at the Community Center) and has a new twist. Tickets will be \$35 each, and you will be able to have beer tastings. Also, there will be a BBQ contest—cook your best chicken, beef, or pork recipe and bring it in to be judged. It will cost \$50 to compete. Updated flyers will be sent out soon.
