## A WORD FROM OUR PRESIDENT

Ray gave us all something to think about on Wednesday when he gave the Membership Program.

Are you aware of the responsibility or obligation most Rotarians fail to perform? Paying their dues? Attending meetings? Contributing to the club service fund? Participating in club events and projects? No-none of these!

Of all the obligations a person accepts when joining a Rotary club the one in which most Rotarians fail is "sharing Rotary." The policies of Rotary International clearly affirm that every individual Rotarian has an "obligation to share Rotary with others and to help extend Rotary through proposing qualified persons for Rotary club membership." It is estimated that less than 30 percent of the members of most Rotary clubs have ever made the effort to propose a new member. Thus, in every club, there are many Rotarians who readily accept the pleasures of being a Rotarian without ever sharing that privilege with another qualified individual.

The Rotary policy on club membership states: "In order for a Rotary club to be fully relevant to its community and responsive to the needs of those in the community, it is important and necessary that the club include in its membership all fully qualified prospective members located within its territory" One merely has to glance through the yellow pages of the local telephone directory to realize that most clubs have not invited qualified members of all businesses and professions into Rotary.

## THE FOUR-WAY TEST

Of the things  
we think, say,  
or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## SPEAKER OF THE WEEK

### Celebrating Membership Month

President Jessica introduced Ray Riehle to speak about MEMBERSHIP...

Ray spoke about Membership being the life blood of every organization...

A Video Presentation featuring our new RI President focused on increasing membership to 1.3 million Rotarians... Ray spoke about Monthly Goals and the need to target our invitations... Ray distributed a number of forms we should use to increase our membership...

Membership Satisfaction Questionnaire, Membership Visit form and a Membership Invitation Guide outlining specific Categories and Targets for each month...

Fireside Chats occurring quarterly to immerse our new members in what Rotary is all about... The membership invitation Guide each month will cover Education, Medical Professional, Finance, Foreign Born, Other Service Organizations, Marketing, Home Care, Retail,

Restaurants, Churches, Public Service and Retirees... This was an excellent presentation about how to go about increasing our membership in a focused, concise manner... EVERY  
ROTARIAN  
EVERY  
YEAR

ROTARY  
FOUNDATION

## JOHN KENNY, Trustee Chair 2014-15

This year, we must finish the job.

Almost three decades ago, we Rotarians made a choice to give something far more important than money. We chose to give our word – our word that we would eradicate the poliovirus and create a future free of the disease.

But we haven't yet kept that word. We haven't yet made the earth polio-free. And in the words of Henry Ford, "You can't build a reputation on what you are going to do."

In Rotary, we have been saying for many years that we are going to eliminate polio. It is my hope that there will soon come a time when we will be able to say that we've done it.

Rotarians throughout the world have been walking this road for many years. Polio eradication has been part of Rotary for decades now. We talk about it, we work toward it, and we've raised money for it – a great deal of money, over more than one campaign already. And now we are asking our fellow Rotarians, and being asked ourselves, to do and give more.

We recognize that there will be those who feel they have given enough already to the cause of polio eradication – those who feel we have done enough, and that it is time to move on. To those I say: If we pause, if we slacken now, if we say "almost" is the same as "did," we risk losing all that we have already given. We risk our own good name and the good name of all the Rotarians who came before us.

This is something that we as Rotarians cannot and will not accept. We must continue until we finish the job.
