A WORD FROM OUR PRESIDENT

How incredibly pleased we should be to have young adults such as Taylor Landess, and Brian Tolentino affiliated with Rotary! Listening to their plans for their year and hearing them reaching out to our club offering us the opportunity to partner with them on projects makes me proud of the New Generation of Rotarians. And we are poised to make great strides in bringing younger Rotarians onboard if we will only cultivate the relationships with our high school and university clubs.

One of my goals this year is to help the Interact Club put together a three year plan for stability into next year and beyond. Brian with the Rotaract club has been working toward that goal as evidenced by his President Elect being selected early on in his year. Let's all keep our eyes and ears open to spot opportunities to partner with and include our Interact and Rotaract clubs to make them a part of our Rotary family.

President
Jessica Mang

Are you supporting New Generations?

There are 611 Rotaract Clubs in the USA; how many are there in your District?

When was the RYLA event in your District?

Give her an awesome experience in the USA!

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

SPEAKER OF THE WEEK

ROTARACT CLUB – CSUS

The President and Vice President of the CSUS Rotaract Club (Brian Tolentino and Angeline Berkeley, respectively) made a presentation. The club started 8 years ago, and Brian really wants to “connect” and be that bridge between high school Interact Clubs and the Rotary Club once one is in the workplace. He stated that the club signed up 60 people during Rush Week. Last year, the club did a teeter-totter-a-thon which raised about \$2300. This year, he wants club members to participate in a dance-a-thon at CSUS on October 17th. It costs \$25 to enter, and the funds raised will go to the Emergency Grant Fund for students (to help them stay in school when a financial disaster happens). Brian would like our club to sponsor some of the entry fees.

INTERACT CLUB – MESA VERDE HIGH SCHOOL

The President of the Interact Club, Taylor Landess reported that 75 students signed up for the club recently, and she is really excited to work with our club to make Interact a great success. She shared her dreams for the club and some ideas for the coming year.

What Can Our Club Do To Help? We need to be available to these clubs. To come along them to develop their skills, serve their communities, increase their world understanding, and build friendships. It is our time to step up and give back to them. They are our future leaders.

Quote For The Day

“I don’t know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve.”

Albert Schweitzer

- No visiting Rotarians.
- **Guests:** Bill Mugh, Brian Tolentino, President CSUS, Dave Jones of CHPD, Susan Baker-Manager of El Tapatia restaurant, Camille Simonis, our RYE student, and Taylor Landess, President of MVHS Interact
- **Foundation Minute (Justin Whitsell):** Justin received an application for a mini-grant from Wal-Mart (who, Justin reminded the club, greatly supports our fundraisers) to help an employee who needs to stay home to care for his cancer-stricken wife. He also has four other mini-grant applications, and he would like to remind folks that, if possible and appropriate, the applicant should come to a meeting to present about their need and how the money will improve the situation. Mini Grant Application can be found [HERE](#).
- **Membership (Ray Riehle):** Ray asked who knew what the suggested business targets are for the months of September and October. (September—finance October—foreign born or ESL) **John Blonskij** acknowledged he would have been a perfect target for October since he was born in Australia and spoke German the first 8 years of his life. **Ray** said these suggestions are just that and please get out there and speak about Rotary and invite people to join us.
- **President Jessica Mang** interrupted the meeting to have **Scott Nygard** pick up the blue recycling can to show folks that this is the one to throw cans and bottles and not used plates. **Jessica** encouraged **Scott** to fine anyone who does not comply.
- **Rotary International (Bob Churchill):** Reminder that you can do an automatic monthly deduction or spin the wheel often to get more opportunities to have the club give \$5 each to deposit on your behalf. **President Jessica Mang** said a third way is to sponsor her doing the Century bike ride. More info forthcoming.
- **Vocational Minute (Tony David):** Tony David is working for his nephew in real estate after retiring, and he gave a bunch of statistics about the current market in Citrus Heights. Some questions were being asked until a tolling of a bell started and building crescendo.

END POLIO NOW

Rotary sets Guinness Record with 'World's Biggest Commercial'

To help raise much-needed funds and public awareness for the global effort to eradicate polio, Rotary has collected more than 100,000 messages of support from celebrities, world leaders, and supporters, all of whom have added their names and photos to ["The World's Biggest Commercial."](#)

And just as it neared the 100,000-participant threshold, The World's Biggest Commercial received Guinness World Record recognition as Largest Photo Awareness Campaign. Guinness looked specifically at the celebrity contingent of campaign supporters, confirming that Rotary had enlisted 177 celebrity participants, more than three times the number of the previous record holder.

The World's Biggest Commercial has ended but you can still help Rotary end polio by visiting the [Take Action page](#).

Fine Master (Scott Nygard)

- Steve Bruce \$2 for saying Scott was not good company at the beginning of the meeting
- A theoretical fine of \$150 to President Jessica for making Scott, an optometrist, explain the

- Justin Whitsell got his motorcycle license, but he is a bell ringer so no fine.
- \$1 for those who did not move their wallet to their front pocket as suggested by Doug Loehrer a few weeks ago.
- Debbie Scott was fined \$2 for a lost receipt that was not really lost, but she paid it anyway.

WHEEL SPINS

Spin The Wheel

Next week's meeting is your deadline to get those things in! Please sell your ball drop tickets, get a foursome together, or bring in an item to raffle. **Christi Woodard's** needs everyone's help in making our golf tournament a success! El Tapatia fundraiser for the Ebola virus fight: Susan Baker presented President Jessica Mang with a check for \$375! President Jessica said folks from all over the district came out to support the cause. Folks from the Gridley club came and wore the clothes they acquired in Africa. (See additional pictures on the website). Scott Nygard took a minute to fine anyone who did not go to the fundraiser \$5.00. Later in the meeting, Christi announced that the new total that will go to the Gridley Club from our club is \$485. Jack Duncan asked if we could round that up to **\$500**, and President Jessica said that was possible. **GREAT JOB BY ALL!!!**

Dave Jones of CHPD, on behalf of PAL, announced that there will be a police motorcycle skill demonstration Saturday, Sept 20th at Sunrise Mall. There will also be a kids' bike rodeo and other fun activities such as bounce houses and face painting. The department will also be handing out bike helmets to kids. It will be 8am-5pm. Please come out and support your local officers competing against folks from departments all over the state. He is also asking for a mini-grant to offset the costs for permits, etc.

Bill Mugh from the American Legion is asking for assistance in sending two local boys to Boys' State, a weeklong program that introduces high school junior boys (with a 3.0+ grade point average) to the workings of government. Approximately 1044 boys will set up a mock government, and it costs just \$340 for a week of room & board for the boys to attend.

Dictionaries! Sign up for a local elementary school and bring joy to the 3rd graders with their very own copy of a dictionary, which also has a lot of bonus info in the back!

Sunday Fun Day will be **September 28th at Rush Park.** Please sign up to help President Jessica to set up tables, chairs, and tablecloths at 7 am. [Click Here](#) for more information.
