A WORD FROM OUR PRESIDENT

This is September **New Generations month**. In Rotary that means we celebrate the youth in our community and welcome them to our club. We will be hearing from

President
Jessica Mang

high school Interact members and College Rotaract members. This is a month with lots of energy. School is back in session, Football season has officially started, and Pumpkin Lattes are back!!

Did you ever have one of those days where the technology that you use every day turns on you?? I had great plans, a wonderful surprise for you this week.

We were going to try a LIVE Skype Teleconference with Sabrina Roth in Grindewald, Switzerland, Sawyer Stauffer in Lima Peru, and Gloria Vargas in Lima Peru. Each girl was given exact timing ques and we preflighted the calls to make sure everything would go smoothly. So goes the plans of mice and men. One of the obstacles of success is fear of failure. So we will try it all again sometime in the near future. Until then Sabrina is doing well, Sawyer is learning Peruvian Spanish and Gloria has retained and uses her English.

THE FOUR-WAY TEST

Of the things
we think, say
or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

SPEAKER OF THE WEEK

ROTARY YOUTH EXCHANGE

The program today was supposed to be Skype sessions with three special people: our most recent inbound RYE student **Sabrina Roth**, who is back in Switzerland, our current outgoing RYE student, **Sawyer Stauffer** in Peru, and **Gloria Vargas**, who was a recent inbound RYE student from Peru.

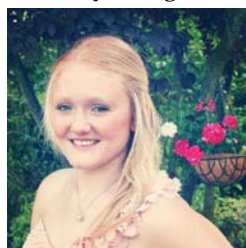

Despite a lot of pre-planning from President Jessica Mang, none of the three ladies were reached at the appointed time. President Jessica was very disappointed, but she filled us in a bit about Sawyer and Gloria. Sawyer is living with a relatively wealthy family in a nice part of Lima. The family has a maid and a cook. Sawyer's sheets smell like cinnamon!

She also goes to private school, but she does not like her uniform of a polo shirt and sweatpants. (Most of the female club members agreed that they would love to have that uniform!) Gloria also lives in a nice part of Lima, and she plans on meeting up with Sawyer soon and show her the town. Gloria credits her year in the US with improving her English to the point that she was able to land her current job.

Camille Simonis is our current RYE Inbound student from Belgium. She is currently attending Mesa Verde HS. She is really liking her dance class. She has a dance

recital on September 16, so if you can, try and attend that evening at the high school. She is also in the Interact club. Her English is improving everyday and she is truly enjoying her experience. If you want to get to know Camille better, take her out for some ice cream or dinner. This is a great way to show you truly care.

Quote For The Day

"If you think you are too small to be effective, you have never been in bed with a mosquito."

Betty Reese

EVERY ROTARIAN EVERY YEAR RI FINANCIALS

Financials

Whether we're helping to eradicate polio in Pakistan or providing clean water to schools in Mozambique, our work is funded by three sources — our members, outside donors, and market investments. This funding is vital to the lasting change we're creating in communities all over the world.

We are responsible leaders

Responsible leadership means being both efficient and trustworthy with our donations. We're committed to making the most out of every dollar we receive — that's why we use nearly 90% of our funding for program expenses.

The Rotary International Foundation is able to do amazing things through its grant process, but every now and then a crisis arises without warning and we are left scrambling to do something swiftly in order to give help. Just such a crisis has come to our attention with the outbreak of Ebola in Africa. The Rotary Club of Gridley CA has a few members that have been to Africa and helped to start a clinic. They are home now but asking for our help in the looming crisis. Help fight Ebola in Liberia by donating money &/or rubber gloves (ideally dish washing type with cotton liner), plastic buckets, Clorox. There are 26 clinics and the 2 hospitals in Bong County. None of them have ANY protection gear but they are to receive patients at 70/day, screen them and send the Ebola patients to one of the 4 official isolation facilities in Liberia.

The simplest solution is to raise *funds* to send to the
Gridley club for the African clinic...
