Our goal this year for Polio giving is \$1,000.

We ask that you —

**BRING YOUR CHANGE FOR**

**CHANGE.**

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

This week the banks yielded \$30.00. To date, we have collected \$520.08 toward our goal of \$1,000.

A **BIG** thanks to everyone who has donated.

**REMEMBER:** Anyone who donates \$25 or more gets a special End Polio Now pin.

### E-Waste4Good Program

You can bring anything, anytime to Umpqua Bank or PE **Dominic Mecklenburg** is happy to collect your "electronic junk" on Mondays at our regular meetings. If you would like to schedule a pickup at your home or office location, just let him know!

To date, we have received a total of **\$373.62** for our E-waste Project for this fiscal year.

## HIGHLIGHTS OF THIS WEEK'S MEETING

### WANTED

Unfortunately, **Congressman Ami Bera** missed his scheduled appearance at the weekly meeting of the Rotary Club of Foothill-Highlands.

However, all was not lost as PE **Dominic Mecklenburg** and his A/V Tech **Patrick Magnani** whipped out a Rotary video which was very informative.

Thanks to **Dominic** and **Patrick** for being so resourceful.

Following the video and with no further

business to discuss, **President Gene** asked us to stand, raise our glasses and join him in a toast to *Rotary Around the World*.

The meeting was then adjourned.

## THE MONTH OF APRIL IS DEDICATED TO MATERNAL AND CHILD HEALTH

The Rotary Foundation helps bring pre and postnatal care to mothers in rural Haiti.

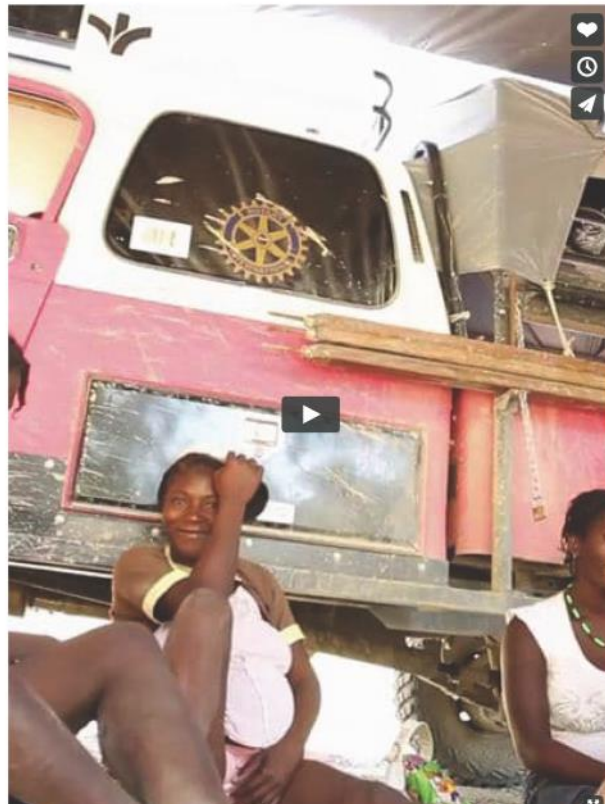

Our members improve access to essential medical services for mothers and their children. These efforts are aimed at reducing the number of children under age five who die each year because of malnutrition, inadequate health care, and poor sanitation – a figure that is currently estimated at 7 million.

According to another estimate, more than 80 percent of maternal deaths can be prevented with access to reproductive health services and trained health care workers. Our members provide education, immunizations, birthing kits, and mobile health clinics to support these causes. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

We have a partnership with the IAA Donation Division to process and sell the vehicles donated to us. They provide us with a simple solution to turn donated vehicles into much needed dollars.

The process of donating your vehicle is quick and easy - simply call 800-240-0160 or visit us online at [foothillhighlandsrotary.org](http://foothillhighlandsrotary.org). Better yet, towing is free and scheduled for your convenience.

Your donation has another great benefit - it is good for the environment. We share your commitment to a cleaner, greener environment - and donating your car ensures it is recycled via many different channels!

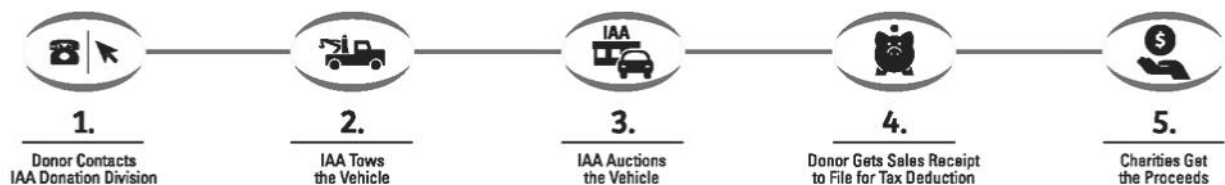

Not every "vehicle" is a car - but every vehicle, in any condition, can be donated!
