THE ROTARY CLUB OF FOOTHILL-HIGHLANDS

Chartered March 12, 1959

serving the Greater Sacramento Area communities of Antelope, Elverta, Foothill Farms, McClellan, North Highlands and Rio Linda

April is designated Saving Mothers and Children Month

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

Rotarians distribute clean birth kits and train health workers in safe delivery of babies.

In the mountains of Poland, 26 children traumatized by violence get a chance to be kids again at Rotary camp where psychologists mix escape and therapy.

Clubs in Japan and Brazil used a Rotary Foundation global grant to equip a hospital with lifesaving neonatal equipment.

Rotarians expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

POLIO THROUGHOUT THE WORLD.**

The **END POLIO NOW** campaign is still one of Rotary's top priorities. The Bill & Melinda Gates Foundation have extended their partnership with Rotary during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

Please save your loose change and deposit it in the *Change for Change* banks on the tables at our weekly meetings. We collected **\$13.00** at today's Rotary meeting. HIGHLIGHTS OF THIS WEEK'S PROGRAM

PP **Maureen McBride** introduced today's speaker **Rita Gordon**. **Rita** has been a Rotarian since moving to California in 2010--first as a member of the Rotary Club of Roseville and current with the Rotary Club of Point West.

While with Roseville, she served in the positions of Vocational Service Director and the Community Service Director.

At the District-Level, she has served as Vocational Service Chair and now as Public Image Chair.

Professionally, **Rita** is the Business Development Manager for DH Construction. She is engaged to Doug Anderson, and her daughter, Kate just had her first grandchild! In her spare time, she likes to snow ski, paddle board, garden, cook, hike, and read.

Rita's presentation was about the important of Rotary's Public Image as it relates to attracting new members.

Our mission is to increase the profile and positive public image of Rotary District 5180 and its clubs and to support our Clubs in increasing their membership, fundraising, and connections to the community.

PUBLIC RELATIONS

Promoting Rotary to the general public can be as simple as wearing your Rotary pin or as elaborate as organizing an integrated marketing campaign. By increasing the public's understanding of Rotary, we're strengthening our ability to make an impact in communities around the world.

We encourage you to visit the Rotary Media Center where you will find a variety of media-ready materials that can be adapted to your needs.

HOW DO I PROMOTE MY CLUB'S PROJECT?

Including a public relations component in your project plan will help ensure your club's projects and events get the attention and support they deserve. The following ideas can help you create a successful campaign.

KNOW YOUR LOCAL MEDIA

Before sending stories to a journalist, get to know your audience. Read your local newspaper, listen to the evening news, and follow Facebook and Twitter to identify where a Rotary story might fit. Consider inviting a local journalist to speak to your club about how to work with the media or invite them to join a service project so they can see firsthand how your club is improving your community.

You could also:

Develop a media list and keep it current.

Get to know local journalists by inviting them to learn more about Rotary, your club, or a specific project.

Contact the media with newsworthy story ideas, being sure to:

Know your story and anticipate questions.
Send background materials immediately following contact.

Be persuasive, persistent, and friendly, but not aggressive.

Looking for more ideas? Check out Effective Public Relations: A Guide for Rotary Clubs.

WRITE A PRESS RELEASE THAT JOURNALISTS WANT TO READ

Once you've developed a relationship with your local reporter, help them remember you through regular contact. Share news about your club projects, fundraising events, or the arrival of Youth Exchange

Keep it concise; limit the press release to one page and paste into the body of your email rather than sending it as an attachment

Decide who will respond to media inquiries and include their contact information

Include visuals when you send to TV stations.

Learn Key Talking Points about Rotary!

We meet regularly, get to know each other, form friendship., and through that. we're able to help our communities to combat hunger, improve health and sanitation, provide education and job training. and promote peace under the motto Service Above Self.

We bring together business and professional leaders in order to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world.

We unite leaders from all continents, cultures. and occupations to exchange ideas and take action in communities around the world.

Basic but worth repeating:

Make sure your website & social media pages are updated frequently and reflect your club's activities.

- Show members having fun and doing service

Rita Gordon
District Public Image Chair

As is our usual custom, **President Roland** presented today's speaker with a Rotary gift in gratitude for her informative presentation.

Then, **President Roland** asked us to raise our glasses and join him in a toast to *Rotary Around the World*. The meeting was then adjourned.

Of the things we think, say or do

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**

MEMBERSHIP MOMENT

Like many Rotary clubs in the United States, the Rotary Club of Rochester, Minnesota, struggled with a decline in meeting attendance and member engagement. Many of our younger working members struggled to balance the demands of career and family with a desire to serve. In addition, businesses and corporations are no longer as eager to pay membership costs, so expenses associated with Rotary have become personal expenses.

We started with a strategic planning session to improve our club's public image, increase membership, and boost member participation and attendance. As a result, we made several changes to become more innovative and flexible while maintaining our values of service, global reach, community, fun, and friendship.

We rewrote our values statement. The updated language — which calls us “a service club of inspired individuals whose contributions improve lives in communities locally and worldwide” — unified our members, inspired prospective members, and generated interest in our community work.

We introduced creative meeting formats. Our club provides innovative and flexible, cost-free meeting options:

Speed networking. This helps our members build relationships and rapport.

Service first Thursdays. On the first Thursday of each month, we meet at the public library to clean books and prepare and inventory multimedia materials.

1905 meetings. Our 1905 meetings honor the early days of Rotary tradition. Like the first Rotarians, we meet in small groups. Members can participate remotely by meeting at designated locations closer to their workplaces. We use Facebook Live to tune in simultaneously to our club president for the first half of the meeting. For the second half, we break into small groups to discuss a video presentation on the theme of the month.

The varied formats increased member engagement in a way that wasn't possible with traditional meetings alone. Even former Rotarians started to re-engage. While our weekly attendance may be around 60 members per meeting, our real-time Facebook Live videos that broadcast our 1905 meetings and traditional meetings have generated over a thousand views.

Our experience has taught us that it is possible to make changes in the spirit of innovation and flexibility yet maintain Rotary values. We discovered that there are many fun ways to serve and promote fellowship with Rotarians.

We relaxed attendance guidelines. While we are committed to making our meetings more accessible to working members, we also wanted to continue regular meetings, because they foster the fellowship and camaraderie that our members enjoy. We revised guidelines to require only 50 percent attendance at the weekly meetings. Missed meetings can be made up at other Rotary meeting
