REACH ONE, KEEP ONE**

The Rotary monthly theme for August is "Membership and New Club Development Month." If you haven't visited **My Rotary** at [rotary.org](http://rotary.org) lately, there is a plethora of membership resources, such as:

**Rotary Club Health Check** — Identify your club's problem areas and make changes to help it stay relevant for members and the community.

**Strengthening Your Membership** — Develop a long-term strategy for strengthening your club's membership.

**Membership Assessment Tools** — Analyze your member profile to identify prospective members and diversify your membership.

**Connect for Good** — Encourage members to get involved for a more meaningful Rotary experience.

**Connect to Membership Leads** — Find prospective members who want to get involved.

**Be a Vibrant Club** — Use these proven strategies and new ideas to give your club a boost.

Give your members a meaningful Rotary experience by offering them opportunities to make a positive difference and connect with others. They'll make valuable friendships and feel good about Rotary and the work we're doing to make the world a better place.

We send our very best wishes for a speedy recovery to **Dominic** and **Margaret**.

## ROTARY AROUND THE WORLD:

PP and PEN **Patrick Magnani** returned over the weekend from his three-week trip to France. **Patrick** was hoping to visit three Rotary clubs during his visit; but due to time constraints, he was only able to visit one club—The Rotary Club of Paris Porte d'Orléans where he exchanged club banners.

During the summer months, the clubs in France only meet twice per month. There were 12 Rotarians at the meeting he attended.

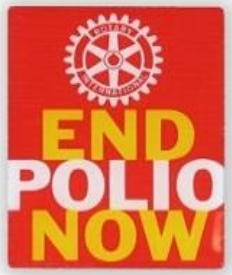

**Patrick** and his family are on the left side of the picture

## ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

We continue our goal to have **Every Rotarian** contribute at least **\$100** to **The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the third year in a row.

## END POLIO NOW CAMPAIGN

Foundation Chair **David Stone** is continuing with the Polio Banks and

asks that you —

**BRING YOUR CHANGE — FOR CHANGE.**

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

## JOKES

The only one with a joke today was none other than our Jokester Extraordinaire PP **Bob Spears**. **Bob** told a cute joke about an airline passenger assisting the flight crew with a blonde who refused to move back to her assigned seat in coach. He whispered in her ear and she got up and returned to her assigned seat. The flight crew was astonished. They wanted to know how he got her to move. He said he simply told her the first-class section was not going to Detroit. PE **Roland** asked for a show of hands to give **Bob** a fine-free pass; but for reasons unknown to yours truly, he did not get one.

## FINES AND RECOGNITIONS

**Finemaster Bob Spears** reminded everyone that we are eight weeks into the new Rotary year and no one has rung the bell.

The first person to volunteer to be recognized was world-traveler **PEN Patrick Magnani**. **Patrick** spun the wheel for \$15 for his trip to France.

The next person to be recognized was PP **David Stone**. **David** arrived at the Lions Gate fashionably late. He decided to ring the bell for \$100 to the club.

**Jordan Backhaus** was next. **Bob** asked **Jordan** if he'd read the bulletin. He said, "yes." **Bob** then asked **Jordan** from which college did **President Dominic** graduate. He, too, rang the bell.

## FINES AND RECOGNITIONS (CONTINUED)

**PP Joe Kaiser** was asked the same question about **President Dominic**. **Joe** guessed Berkeley. **Joe** spun the wheel for \$4.

**IPP Gene Long** was asked the same question and he admitted he hadn't yet read the bulletin. **Gene** spun a \$2 and all Rotarians paid \$1.

New Member **Gerred Popejoy** said he had a happy thought. He is excited he has a new website up and running. He paid \$2.

With time running out, **Bob** deferred the remainder of his recognitions until next time.

## RYLA CAMP RECAP

During the 2015-16 Rotary year, the Rotary Club of Foothill-Highlands sent two students to RYLA.

A few weeks ago we heard from **Nick Mecklenburg** about his experiences at Camp and today we heard from **Curtiss Wright**.

**Curtiss Wright**

In Rotary Districts 5180 and 5190, **RYLA a.k.a. Rotary Youth Leadership Awards** is a week-long program that brings together students to further develop character and leadership skills and to learn about Rotary. Participants are selected by local Rotary clubs and sent to camp with all expenses paid.

Because of the popularity of this program, the RYLA leaders in Districts 5180 and 5190 hold the Camp over a three-week period to accommodate all the selectees.

The purpose of the Camp is to teach leadership, citizenship and personal development.

It is truly a transforming experience for all who participate including staff and counselors. **Curtiss** was no exception. When asked to describe his experience, he said

simply, "life changing."

He went to Camp fearing he'd get nothing out of it. But, to his amazement, he said he'd never been so wrong. He experienced a change like no other and was very appreciative and thankful for the opportunity.

## HIGHLIGHTS OF THIS WEEK'S MEETING

**Program Chair Jordan Backhaus** introduced our speaker **Ron Harder**. **Jordan** and **Ron** attend the same church and **Jordan** said he never saw anybody who volunteers as much. **Jordan** invited **Ron** to Rotary to share some of his experiences in Kiwanis.

Over the years, **Ron** has had a varied career working as a minister for 15 years, a financial advisor for 12 years and an estate planner and program developer for Trans World Radio. In 2006 his life changed dramatically and went in a different direction with the death of his son, **Zachary**, in a drowning accident. He and his wife, **Chris** decided to open Heritage Oaks Memorial Chapel in Rocklin to help people suffering with grief. They serve over 260 families a year with over 100 of them veterans.

**Ron** also hosts the radio program—Hope, Healing and Help which is heard on KFIA, 710 AM on Saturdays at 11:05 a.m. and Thursdays at 11:05 p.m.

**Ron** is the incoming President of the Kiwanis Club of Rocklin whose membership is 30. For those unfamiliar with Kiwanis, the organization was founded in 1915 in Detroit, Michigan. Kiwanians are dedicated to serving the children of the world. There are more than 660,000 members throughout the world. Like Rotarians, members attend regular meetings, experience fellowship, raise funds for various causes and participate in service projects that help their communities.

In his Kiwanis Club, **Ron** has chaired their

annual Community Festival which is a four-day event (Thursday-Sunday) where they have booths sponsored by local businesses and food trucks. This event is held each year in May and this year the event made \$10,000 which goes to benefit underprivileged kids in the local area.

He has served on their club's annual St. Patrick's Day Dinner and Auction Committee. Initially, the event raised between \$4,000 and \$5,000 and changing their approach to their guest list increased the revenue to over \$15,000.

Some of their other fundraisers include selling See's Candies at Christmas which grosses between \$10,000 and \$15,000 per season. They rent a store front to make it convenient for consumers to purchase the candies. This year they plan to expand their selling area to Senior Centers and Thunder Valley Casino.

Some of their service projects include working with local school districts and principals to identify economically challenged kids. This year they have 113 students earmarked to be the recipients of a shopping spree for back-to-school supplies as well as clothing. He shared there is no greater gift than to experience the smile and happiness of that child. Each child is allotted \$65 each. Next year, they hope to expand the program to include high school students and increase the allotment to \$100.

A world-wide venture, like Rotary's Polio Plus Program, that Kiwanis is involved with is The Eliminate Project. Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus—changing the world for millions of mothers and babies. They are close to reaching their goal to raise US\$110

million.

Tetanus is a painful and deadly disease, causing extreme sensitivity to contact—preventing the comfort of a mother's touch. Maternal and neonatal tetanus steals the lives of nearly 49,000 innocent babies and a significant number of women each year.

**Ron** thanked Rotary for what Rotarians do in the community and told us to keep doing what we're doing because organizations like Kiwanis and Rotary are making a positive difference in the lives of people around the world.

**Ron Harder and Jordan Backhaus**

Thanks to **Jordan** for another informative program.

As is our usual custom, **PE Roland Wright** presented today's speakers with a gift in gratitude for his informative presentation.

Then, **President Roland** asked us to raise our glasses and join him in a toast to *Rotary Around the World*. The meeting was then adjourned.

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
