Demotion Golf Tournament

The June 15th golf tournament showed 8 total participants including **President Patrick**, PE **Roland Wright**, PP **Dominic Mecklenburg**, PP **Marilee Monagan** & **Brent Seizer** as well as **Pat's** friend "**LJ**" and **Dominic's** friends **Matt Loisseaux** and **Kyle Robertson**. Thanks to the kind donations from **Michael** and **Karen Rutledge**, each golfer started their day with a dozen pearls—nothing like being ahead by 12 before you begin. The first drive began just after noon at the Woodcreek Oaks golf course in Roseville and in excellent weather. A tri-tip sandwich for most kicked off an amazing day. Plenty of fluids on hand kept all well hydrated. Best cart score was a 74 by team **Kyle/Matt** and a strong second was **Brent/Marilee** with 93. Closest to the pin on hole 4 and longest drive on hole 10 were both won by **Kyle**, despite amazing shots on each hole by **Dominic**. Word on the street says it was a matter of inches. **Dominic** did win the longest hit, sponsored by **Easton**—no prize just bragging rights. We concluded the day at Legends for some appetizers and to announce/award prizes to the big winners and wrap up another awesome demotion golf tournament. Many thanks to everyone who participated.

END POLIO NOW CAMPAIGN

EVERYONE BRING YOUR POCKET CHANGE — TO AFFECT CHANGE BY ENDING POLIO THROUGHOUT THE WORLD.

The **END POLIO NOW** campaign is still one of Rotary's top priorities. The Bill & Melinda Gates Foundation have extended their partnership with Rotary during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

Foundation Chair Bob Spears announced that we have achieved our goal of raising \$1,000 for the End Polio Now campaign. A total of \$1,010.21 has been raised for this Rotary year. Congratulations and thanks to all Rotarians who contributed!

We collected \$6.00 at today's Rotary meeting that will be credited to next years campaign.

HIGHLIGHTS OF THIS WEEK'S PROGRAM

President Patrick presented a program on making sense of investing. The following is a portion of the information he shared.

Over the past decade, U.S. large-cap stocks (as measured by the S&P 500) have been one of the best-performing investments, returning more than 400% since March 2009, compared with international developed-market (EAFE) returns of 200% and emerging-market (EM) equity returns of 193%. As a result, investors have been inclined to keep their portfolios close to home. However, history shows that performance rotates: Following past times when they've lagged, international developed-market stocks have outperformed U.S. large-cap stocks. International stocks outperformed U.S. stocks in past decades, as well. Emerging-market equities have had higher average returns since the index started in 2001, but they also have been much more volatile than developed-market stocks. And while emerging-market stocks have rebounded from last year's bear market (when they were down more than 20%), we think they're still attractively valued and not yet reflecting policymakers' actions to boost growth.

Broadly Diversify Your Portfolio

Over time, a broadly diversified portfolio with many asset classes can provide better risk-adjusted performance and reduce swings in the value of your investments because each asset class plays a different role.

With U.S. stocks outperforming over the past several years, your portfolio may be out of balance. Your financial advisor can help you determine whether you should add international equities to return them to an appropriate weight in your portfolio based on your comfort with risk, time horizon and long-term goals. And the good news is that since many broad-based international equity investments include allocations to emerging markets, you may not need to add them separately.

Patrick went on to explain how to better manage your investments.

MAKING SENSE OF INVESTING

President Patrick then asked the group to stand, raise their glasses and join him in a toast to Rotary Around the World.

The meeting was then adjourned
