Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

Today the banks yielded \$46.30 To date, we have collected \$490.08 toward our goal of \$1,000.

Thanks to everyone who has donated.

REMEMBER: Anyone who donates \$25 or more gets a special End Polio Now pin.

Any questions, contact **PE Dominic**.

See attached flyer on page 10 for additional information.

FINES AND RECOGNITIONS

Fine Master and Foundation Chair **Maureen McBride** began with some additional Rotary Foundation recognitions.

Mo recognized former member **Sharon Bias** for contributing to her Rotary Foundation account and completing her next level of recognition. **Sharon** was invited to our annual demotion dinner in June to receive her new pin.

PP **David Stone** already bonged the gong this year but generously bonged the gong again to The Rotary Foundation completing **his** next level of recognition.

A B I G thanks to **Sharon** and **David** for their support.

Mo called on PP **Joe Kaiser** for not silencing his phone at last week's Club Assembly. After demonstrating the very distinctive ring of **Joe's** phone, **Mo** asked him to spin the wheel. He spun the wheel twice for \$3 and \$9.

Mo then shared that we've all heard of the Super Heroes: Action Man, Bat Man, Iron Man, Spider Man, Super Man and Wonder Woman. But did we know there was a new action hero in town. His name is Environmental Man. He's leading the charge to make the planet more user friendly. He's one of our own. This new action hero is none other than **Jeff Donlevy**. **Jeff**, dressed as a plastic bag, recently gave a presentation before the Sacramento County Board of Supervisors touting the benefits of a ban on single-use plastic bags in the unincorporated areas of Sacramento County. He was a BIG hit.

Jeff at Sacramento County Board of Supervisors Meeting

To her dismay, **Mo** noticed something was missing from this action hero's costume. She asked the group if they noticed it, too. In unison, they answer, "his Rotary pin." For the infraction, **Mo** invited **Jeff** to spin the wheel. He spun for \$6.

As is her usual modus operandi, **Mo** asked those assembled if anyone had a happy thought. She did. This past weekend she finished a painting project which took five days over a two-week period. She was thrilled it was done and won't be picking up a paint brush anytime soon. **Mo** spun the wheel for \$5.

Up next with a happy thought was **Gordon Lipp**. **Gordon** was delighted and very proud to announce his granddaughter will receive her Master's Degree from Harvard within the next few weeks. **Gordon** spun for \$7.

President Gene's daughter, **Ashley** just

got her first paying job at American Eagle Outfitters in the Mall. **President Gene** spun for \$6.

PP Roland Wright's son, **Robert** ran in the Stanford Invitational on Saturday. He ran in the one and two-mile races finishing with a time of 4.31 and 9.32, respectively. **Roland** spun the wheel for \$8.

Merial Coffeen also had a happy thought. Their granddaughter participated in Olympic Trials recently and won five medals. **Merial** spun for \$5.

Congratulations to all our proud parents and grandparents for their kids' and grandkids' accomplishments. Well done!

HIGHLIGHTS OF THIS WEEK'S MEETING

PP **David Stone** introduced Rotarian **Sam Morgan**. **Sam** joined Rotary on April 21, 1997 and was loaned the classification Equal Employment Opportunity Consultant.

She was born in Nashville, TN; and by the time she was 14, she had lived in eight different states and two countries in Africa. Her dad was in the Air Force and they were relocated to different duty stations on a regular basis. The family eventually settled in Sacramento.

Sam graduated from CSU Sacramento with a degree in English and began working as a Research Assistant in 1975 for a company owned by **Dick Biddle**. The company specialized in employment discrimination issues and the job was supposed to be part-time. However, from day one, it was full-time; and when she retired in 2001, she was a Principal Consultant for the company. During her tenure, she helped companies throughout the U.S. develop affirmative action plans as well as implement improved employment practices to minimize the likelihood of and defense against charges of discrimination in hiring, promotion, discharge and salary structure — just to name a few.

Over the years, she developed expertise in job analyses, creating employment qualification tests, application forms, interviewing techniques, performance appraisals and conducted hundreds of training seminars for supervisors in how to use lawful employment practices.

Her most rewarding project was overseeing the merger of two major newspapers in San Diego which necessitated the termination of

hundreds of employees; but to her credit, not one formal complaint or lawsuit was filed in connection with the layoffs.

Today, the company is still in operation and in the very capable hands of **Dick's** son, **Dan** who is President and **Erik Nooren's** son, **Patrick** who is Vice President.

Sam and **Dick** love to travel and have visited almost 70 countries. Her other interests include bridge, genealogy and singing. She is a member of the group-- Rancho Murieta Voices.

Sam assumed the role of Club Historian early on in her Rotary career and she and her helpers have saved our club mementos from the less than ideal environment in which they resided in our many different storage facilities. She has created archival albums beginning with our Charter in 1959 through 1979. The remaining memorabilia are stored in boxes in her home office awaiting their turn being archived.

On March 12th, the club celebrated its 57-year anniversary. Through **Sam's** efforts, she has put together a retrospective of our service to the community and around the globe.

HERE'S HOW OUR CLUB BEGAN:

In 1958, **Stan Shaffer** and **Andy Smith** were members of the North Highlands Chamber of Commerce.

Stan suggested to **Andy** that North Highlands needed its own Rotary Club. **Andy** had no idea what Rotary was, but he learned and became interested.

The necessary papers were filed. The Rotary Club of North Sacramento was our sponsor. On March 12, 1959, our club was chartered by R.I. as the Rotary Club of North Highlands.

We had 23 members with **Stan Shaffer** and **Andy Smith** being among them.

Andy's Year as President 1961-1962

We had 28 members. We helped start the North Highlands Memorial Day Parade and built a float for the parade.

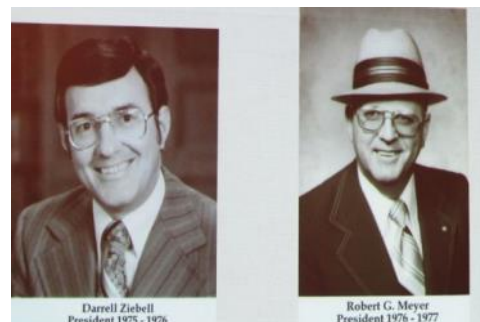

- Installed a BBQ at Strizek Park.
- Held Career Day at a local high school.
- Had a Christmas Program for community kids.
- Prepared and delivered Holiday food baskets and gifts for 50 families.

Other Projects in the Early Years

- Planted trees on Watt Avenue.
- Purchased wheelchairs for the Easter Seal Society.
- Collected cans of food for the needy.
- Worked with the Chamber to paint and fix up businesses along Watt Avenue.
- For six years the club supplied and decorated a huge Christmas tree erected at Watt Avenue and Roseville Road.
- **Andy** would go into the woods and cut a suitable tree, never less than 25 feet.

Where We've Met

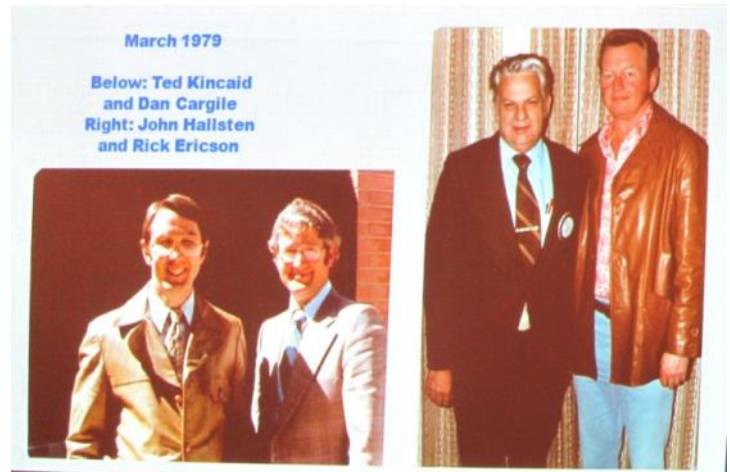

- First few months: **Dansio's** on Auburn Blvd in the Foothill Farms area.
- Next, the **Officers' Club at McClellan AFB**
- For Board meetings, General George Price offered his private dining room.
- Later: a restaurant attached to **Mardi Gras Lanes** on Madison Avenue.

Darrell Ziebell and Robert Meyer
President 1975-1976 President 1976-1977

Our Economy in the 1970's...

- Lunch was \$3.48.
- **Erik** paid \$5 in Rotterdam and \$7 in Rio so "our club's prices are not so bad."
- Mystery bus trip was \$10. Dinner was \$7.95.
- A buyer for a shoe store explained why athletic shoes cost as much as \$27!
- Gas rationing: Odd and even rationing based on last digit of license plate.

Rotarians and guests enjoying fellowship and lunch at today's meeting

With time running out, **Sam** wrapped it up and said they'll be a Part 2 and invited everyone to return for the second installment.

Outstanding job by **Sam**. You can't imagine all the painstaking hours she and her "helper" have spent preserving our history. What a great program.

President Gene then asked us to stand, raise our glasses and join him in a toast to *Rotary Around the World*.

The meeting was then adjourned.
