FOUNDATION NEWS

END POLIO NOW

Our goal this year for Polio giving is \$1,000. We continue to have our **END POLIO NOW** banks on the tables at our weekly meetings.

We ask that you —

BRING YOUR CHANGE

FOR CHANGE.

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

The yield this week from the banks on the tables at our weekly meetings was \$8.20.

To date, we have collected \$267.07 toward our goal of \$1,000.

REMEMBER: Anyone who donates \$25 or more gets a special End Polio Now pin.

JOKES

The only one with a joke this week was PP **Bob Spears**. This was a tough crowd to please. No fine-free pass.

ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

Our Club goal is to have **every Rotarian** contribute at least **\$100** to **The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the second year in a row.

To date, we have twelve (12) paid Paul Harris Sustaining Fellows and two (2) additional members who have banged the gong and pledged \$100. Each has received a special sticker for their badges.

We're on our way to reaching our goal of being a 100% Paul Harris Sustaining Fellow Club.

HIGHLIGHTS OF THIS WEEK'S MEETING

Today's program was a Club Assembly

President Gene began by calling on **Treasurer Dominic Mecklenburg**. **Dominic** reported 11/2 bank balances: Foundation has \$27,215 and Club account has \$11,123.

All tabs are current with the exception of two members who have monies owed for more than over 90 days. Each of them is aware of their outstanding accounts and have indicated payment will be forthcoming shortly.

Our second Estate Sale was awesome. We grossed \$1,603 in revenue for this event. There is not enough appreciation available for **Lee Wiggins** and his gracious donation of the parking lot to allow us to host the sale. Additional revenue continues to roll in from items listed for sale by Rotarians in our club on eBay and Craigslist; and of course, those many items sold in the bank lobby. Thank you to **Mo, Sam, Jeff** and **Dominic** for this extra oomph.

Total e-Waste recycling revenue YTD is \$319.47.

The evergreens fundraiser is moving along well and should prove to be another excellent contribution to the club's revenue bucket.

Raffle permit filed; taxes will be completed by 11/15 and all other filings with DOJ and State of CA are done. Club finances are in good shape.

Roland Wright: Club Secretary and Club Administration:

Maureen McBride, who shares the **Club Administration** duties with **Roland** reported on this avenue of service as **Roland** is out of town.

The bulletin is being published regularly each week within 36 hours of our meeting. Each member has received a copy of the Buddy List and Weekly Assignment Sheet. **Richard Hansen** regularly updates our club website as well as the Facebook page.

There is current letterhead for anyone who needs it. Just send a request to **Richard Hansen**.

Club Directories have been distributed to all members.

Program Chair David Stone has programs scheduled through the end of December.

Our major fundraiser of the year, **Night at the Museum**, has been scheduled for **Friday, April 22nd**. Please mark your calendars.

Sergeant-At-Arms Report: Mo reported that we have collected \$247 in wheel spins. This amount does not include those times when the wheel lands on two. We have ten bell ringers reflecting revenue of \$1,000.

The Rotary Foundation: Mo reported that we have 12 Paul Harris Sustaining Fellows and two members who have Bonged the Gong but have not yet paid. All Sustaining Fellows have been given a special sticker to adhere to their badges indicating they are Sustaining

Fellows.

End Polio Now Banks: To date, we have collected \$267.07 from the **Change for Change** banks. Our goal this year is \$1,000.

Community Service: Jeff Donlevy

Jeff reported that two organizations have again asked for our help in assembling Holiday Baskets. Dates for these projects will be forthcoming shortly.

Jeff asked for suggestions for projects in our community.

International Service: Bob Meyer

Bob reported that we will again be supporting the following projects:
Philippine School of Love and Hope
Operation Smile
Cambodian Well Project

Vocational Service:

Since we are without a Vocational Service Director, **President Gene** asked for help organizing and orchestrating the District Speech Contest which will take place early next year. At the conclusion of the meeting, **Bob Spears** and **Gordon Lipp** volunteered. Thanks to **Bob** and **Gordon**!

Youth Services: Patrick Magnani

Patrick reported the following:

- Dictionaries will be distributed at two schools in our service area:
 - 1) Hillsdale Elementary and
 - 2) FC Joyce.

Target date for distribution will be in December.

- Interact: **Patrick** is still working on Antelope H.S. and finding a facilitator.

- Rotaract: Sierra College is about to have their own club soon. **Patrick** attended a meeting with **Roland** last month and they were just about ready to start the club.
- Scholarships: We are about to send letters to all the students who applied for scholarships but failed to qualify as well as to those who will be receiving checks. Those being awarded the scholarships will be invited to one of our weekly meetings within the next two months in order to give us some background on themselves and to pick up their checks.

Membership: Patrick Magnani

Patrick reported that shortly we will be inducting the Superintendent of the Twin Rivers Unified School District as a member. His name is **Dr. Steven Martinez**.

Patrick shared that membership development is the responsibility of each and every member of the club. We need everyone's participation in order to grow the club in the future.

Patrick commended **Richard Hansen** for the great job he is doing keeping the club's website and Facebook page updated on a regular basis. As a result of his efforts, our club's activities are continually updated and shows prospective members we're an involved club with lots going on.

Patrick is eager to attract newer/younger business professionals to Rotary as potential members.

Following the various presentations by the Board, **President Gene** asked us to stand, raise our glasses and join him in a toast to *Rotary Around the World*.

The meeting was then adjourned.

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
