HIGHLIGHTS OF THIS WEEK'S PROGRAM

PP **Patrick Magnani** introduced **Sue Frost**, Sacramento County Supervisor, District 4.

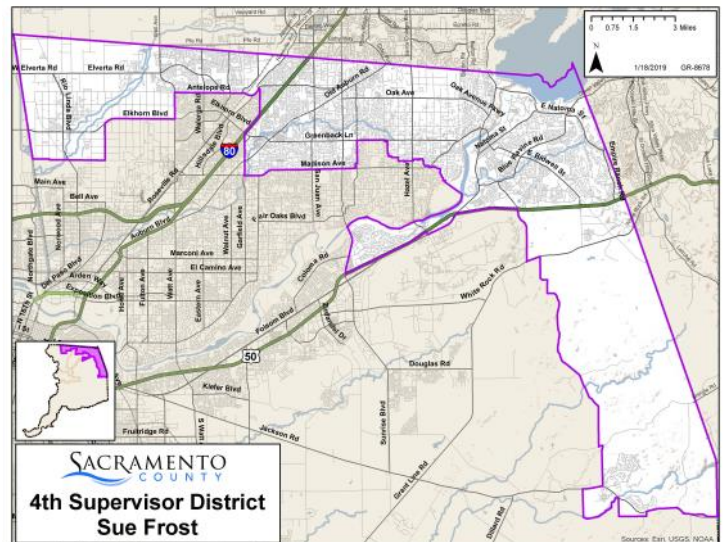

Sue studied nursing and physical education at Pacific Union College in Napa and later specialized as an RN-California Certified Emergency Nurse. She has been a business owner for 34 years in the field of mortgage lending (retired 2014), consulting and real estate investments. She is a joint owner of Frost Enterprises Inc. FKA: I.F. Independent Financial Corporation, a full service mortgage bank that sold its operation and servicing in 1993 & 1995 to Centex Homes and Mellon Bank (respectively). Sue is a Real Estate Broker and a member of Sacramento Association of Realtors.

Sue has served on multiple boards, trade associations, and community groups; including serving as Vice President Birdcage Heights Neighborhood Association, Past President of the Citrus Heights Green Team, Vice President of Roseville Parkinson's Support Group, Vice Chair (Homelessness & Affordable Housing) of Tentmakers, and the Sacramento Association of Realtors where she served as the 2012 Education Committee Chair.

Sue was elected to the Citrus Heights City Council in 2012, and served as Vice-Mayor in 2014 and Mayor in 2015. On the council, Sue has championed fiscal discipline, encouraged economic growth & job creation, community involvement and public safety.

As Mayor, Sue not only led the city, but pioneered efforts to expand regional economic cooperation, support community non-profits and helped Veterans.

District 4 is represented by **Sue Frost**, who was elected in November 2016. Supervisor **Frost's** district includes all or part of the communities of Citrus Heights, Folsom, Orangevale, Antelope, Rio Linda, Elverta, Gold River, Rancho Murieta, North Highlands, Carmichael, Foothill Farms and

Fair Oaks.

Sue then shared her thoughts on some of the problems facing the County, including County COVID-19 funding and how it is being used.

She continued talking about how defunding the police is NOT the answer. How will reducing the number of police officers make the community safer?

In 2018, police officers arrested 11,970 murderers, 495,900 violent criminals, and more than 1 million drunk drivers. In February of this year, a months-long investigation resulted in 518 arrests when police smashed a human trafficking ring and rescued hundreds of children who were being sold into prostitution.

Do activists think that councilors and community groups are going to detain violent gang members, break human trafficking rings or get drunk drivers off our roads?

Sue contended by answering questions from the Rotations and guests.

PP **Patrick Magnani** presenting a Rotary gift to Sacramento County Supervisor **Sue Frost**, with IPP **Roland Wright** watching.

Following the Meeting PP **Patrick Magnani** asked the group to stand, raise their glasses and join her in a toast to Rotary Around the World.

The meeting was then adjourned.

Of the things we think, say or do

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**

ROTARY and COVID-19

As people of action, Rotary members are engaged in their communities — gathering for projects and offering help to those in need.

Fighting disease is one of Rotary's main causes, so members already support efforts to promote proper hand washing techniques, teach people other ways to stay healthy, and supply training and vital medical equipment to health care providers. Now they're helping health authorities communicate lifesaving information about COVID-19 and donating protective gear and other supplies to clinics and hospitals that are under strain because of the pandemic.

HOW YOU CAN HELP

Get involved and take action

Join Rotary's 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

END POLIO NOW CAMPAIGN

EVERYONE BRING YOUR POCKET CHANGE — TO AFFECT CHANGE BY ENDING POLIO THROUGHOUT THE WORLD.

The **END POLIO NOW** campaign is still one of Rotary's top priorities. The Bill & Melinda Gates Foundation have extended their partnership with Rotary during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

The total amount contributed for Polio Plus fiscal YTD = \$1,317.00 and this entire amount will be eligible for the 4 to 1 match"

Ink and Toner Cartridges Mini Fundraiser

IT'S SO EASY TO DO!
