FOUNDATION NEWS

END POLIO NOW

Our goal this year for Polio giving is \$1,000. We continue to have our **END POLIO NOW** banks on the tables at our weekly meetings.

We ask that you —

BRING YOUR CHANGE

FOR CHANGE.

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

The yield this week from the banks on the tables at our weekly meetings was \$5.17.

To date, we have collected \$258.87 toward our goal of \$1,000.

REMEMBER: Anyone who donates \$25 or more gets a special End Polio Now pin.

ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

Our Club goal is to have **every Rotarian** contribute at least **\$100** to **The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the second year in a row.

To date, we have nine (9) paid Paul Harris Sustaining Fellows and four (4) additional members who have banged the gong and pledged \$100.

We're on our way to reaching our goal of being a 100% Paul Harris Sustaining Fellow Club.

FINES AND RECOGNITIONS

Fine Master **Maureen McBride** began by calling on PP **Dominic Mecklenburg** who will celebrate eight years of Rotary service on October 29th. Mo called Dominic a *Rotarian's Rotarian* for his giving and generous spirit. She thanked him for his ongoing support of Rotary. **Dominic** rang the bell for \$100 to the club.

Next, **Mo** asked if anyone had a Happy Thought. No one raised their hand. **Mo** called on PP **David Stone** as she thought he be really happy to share that he recently purchased a new fuel efficient vehicle. **David** admitted to buying a hybrid. He rang the bell for \$100 to the club and bonged the gong for \$100 to Rotary Foundation.

Mo fessed up that she forgot to wear her Rotary pin for the second week in a row and paid \$1.

JOKES

PP **Maureen McBride** had a variety of Halloween-themed one-liners and PP **Bob Spears** had a Halloween joke and a one-liner. This was a tough group to please. Neither earned a fine-free pass.

HIGHLIGHTS OF THIS WEEK'S MEETING

PP **David Stone** introduced **Tom Peno**. **Tom** who was originally from Northern Virginia is a Mission Partnership Officer with the American Red Cross-Sierra Delta Chapter in the Gold Country Region. After a successful career as a commercial lending officer in the banking industry, **Tom** made the shift to non-profit work and has not looked back on his decision. **Tom** is an active Rotarian with the Rotary Club of Orangevale and continues to volunteer with other local non-profit organizations with governance and operations.

Tom began with an overview of the services that the Red Cross provides.

How We Help

The American Red Cross exists to provide compassionate care to those in need. Our network of generous donors, volunteers and employees share a mission of preventing and relieving suffering, here at home and around the world, through five key service areas:

Disaster Relief

The Red Cross responds to approximately 70,000 disasters in the United States every year, ranging from home fires that affect a single family to hurricanes that affect tens of

thousands, to earthquakes that impact millions. In these events, the Red Cross provides shelter, food, health and mental health services to help families and entire communities get back on their feet. Although the Red Cross is not a government agency, it is an essential part of the response when disaster strikes. We work in partnership with other agencies and organizations that provide services to disaster victims.

Supporting America's Military Families

The Red Cross helps military members, veterans and their families prepare for, cope with, and respond to the challenges of military service. Emergency communications, training, support to wounded warriors and veterans, and access to community resources help an average of 150,000 military families and veterans annually.

Lifesaving Blood

Your donations of blood are what make the American Red Cross the largest single supplier of blood and blood products in the U.S. Each year, nearly 4 million people donate blood through the Red Cross, helping to provide more than 40% of America's blood supply.

Health and Safety Services

The Red Cross is the nation's leading provider of health and safety courses, such as CPR, First Aid and Lifeguard training. Each year, more than 9 million Americans participate in our training programs, including first responders, educators, babysitters, and people who want to be prepared to help others in an emergency.

International Services

The American Red Cross is part of the world's largest humanitarian network with 13 million volunteers in 187 countries. Working together, we help respond to disasters, build safer communities, and teach the rules of war. Each year, we reach an average of more than 100 million people across the globe.

Next **Tom** talked about everyday disasters and how the Red Cross helps and how we can prepare. The Red Cross is here to make sure you are as prepared as you possibly can be for potential disasters and other emergencies. These events can strike suddenly, at any time and anywhere. There are three actions everyone can take that can help make a difference.

Be Red Cross Ready Checklist:

I know what emergencies or disasters are most likely to occur in my community.

I have a family disaster plan and have practiced it.

I have an emergency preparedness kit.

<http://www.redcrossstore.org/category/id/1>

At least one member of my household is trained in first aid and CPR/AED.

I have taken action to help my community prepare.

Everyday Disasters

- 1,000 times a day, a local fire department is called to respond to a home fire.

- Home fires in the United States kill more than 2,500 annually and cause an average of 13,000 injuries.

As of June 2015, in the Gold Country Region Door-to-Door Efforts:

- Installed 1,131 Smoke Alarms and 436 Carbon Monoxide Alarms.
