Rotary's World Polio Day October 24, 2016

Dennis Ogbe, Paralympian and polio survivor, tells his personal story of the disease at Rotary's World Polio Day event on 24 October 2016 at the headquarters of the U.S. Centers for Disease Control and Prevention in Atlanta, Georgia, USA.

While the fight to eradicate polio suffered a blow this year when the virus re-emerged in Nigeria, Rotary leaders and top health experts focused Monday on the big picture: the global presence of the paralyzing disease has never been smaller.

The headquarters of the U.S. Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia, USA, served as the site of Rotary's fourth annual World Polio Day event. Some of the biggest names in the polio eradication campaign were there to reflect on the year's progress and discuss what's needed to end the disease for good.

More than 200 people attended the special live program, and thousands more worldwide watched online. Jeffrey Kluger, Time magazine's editor at large, moderated the event.

CALL TO ORDER

Due to the special nature of this week's meeting, we did not follow our usual format.

VISITING ROTARIANS AND GUESTS

Joining us for our meeting/lunch today were Rotarian **Chuck McBride** from the Rotary Club of Carmichael; Honorary Member **Brent Seizer**; **Polly Lipp**; **Dayme Meyer**; **Jonnie Kropp**, Staff Person with the Culinary Arts Program and **Kirsten DuBray**, Executive Director of the ARC Foundation.

ANNOUNCEMENTS

EVERGREEN FUNDRAISER

President Dominic has distributed the 2016 Sherwood Forest Farms Catalog and Order Forms for our upcoming evergreen fundraiser to all Rotarians. ***The deadline to place orders is November 1st.*** Items will be delivered the week after Thanksgiving.

See flyer attached for more details.

E-Waste4Good Program

We continue our efforts to collect e-Waste. E-waste revenue collected so far YTD is \$70.24.

USED/BROKEN EYEGLASS JOINT ROTARY/LIONS CLUB PROJECT

Just a reminder that we are partnering with the Antelope Lions Club this year to collect used/broken eyeglasses.

At our weekly meetings, we have a BIG BOX at the front of our meeting room for Rotarians to deposit their unwanted glasses.

Remember the adage: Your trash is someone else's treasure. Give someone less fortunate an opportunity to give new life to your old glasses.

SUNSHINE COMMITTEE

Sending get well wishes to **Sonja Cameron** and **Margaret Hansen**.

CLUB DIRECTORY 2016-17

Last week Club Administration Chair **Maureen McBride** circulated a sign-up sheet for those members who would like a “hard” copy of this year’s Club Directory. To save future printing costs, the board decided at the October board meeting to move forward to print the Directory in a different format so future changes can be easily made without printing the entire directory. Some members have chosen to receive the directory in electronic format.

If you have not reserved your “hard” copy format directory, contact **Mo** within the next two weeks to reserve your copy.

We hope to have the directory available shortly after the New Year.

FELLOWSHIP ACTIVITIES

Annual Holiday Party—Our annual holiday party will be held on **Monday, December 5th** at the Lions Gate Hotel and Suites. Festivities will begin with **No Host Cocktails** in the **Lobby Bar** at **6:15 p.m.** and **Dinner** at **7:00 p.m.**

We will again have our traditional Gift Exchange with PEN **Patrick Magnani** assuming the role of Santa’s Elf. The value of the gift should be ~\$20.

We just recently received the holiday menu offerings from the Lions Gate and will be reviewing those within the next few weeks. Once the menu is in place, we will advise of the cost per person.

FOUNDATION NEWS

END POLIO NOW CAMPAIGN

In the absence of Foundation Chair **David Stone**, **President Dominic** reminded those present that we are continuing in our efforts to End Polio by asking that

EVERYONE BRING THEIR POCKET CHANGE — TO AFFECT CHANGE BY ENDING POLIO THROUGHOUT THE WORLD.

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

Since we were at a different venue, there were no banks on the tables this week. Bring your change to Monday's meeting.

Our goal is \$1,000.

ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

We continue our goal to have **Every Rotarian** contribute at least **\$100** to **The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the third year in a row.

Annual District Foundation Dinner

The annual **District 5180 Foundation Dinner** was held on **Saturday, October 22nd** at the Red Lion Hotel. Representing the Rotary Club of Foothill-Highlands were **President Dominic** and **Mary Mecklenburg**, **PE Roland** and **Diane Wright**, **PEN Patrick** and **Jennifer Magnani**, **Foundation Chair David Stone**, **Sam Morgan** and **Dick Biddle** and rounding out the group was PP **Maureen McBride**, who sat with hubby **Chuck** at the Carmichael Rotary Club table.

During the awards portion of the festivities, The Rotary Club of Foothill-Highlands was recognized as one of the clubs in the district who achieved the status of a 100% Paul Harris Sustaining Member Club (every member gave at least \$100 to the Rotary Foundation) and one of seven clubs who achieved EREY (Every Rotarian, Every Year) status.

In addition, **President Dominic** and **Mary Mecklenburg** were recognized as newly inducted members of the Bequest Society.

It was a great evening.

OTHER ACTIVITIES

President Dominic and his band of merry men, which included **PE Roland** and **PEN Patrick**, traipsed around Sacramento County on Friday, October 21st picking up items for the Estate Sale to be held in the spring and the on-going E-Waste Program.

JOKES

Due to the nature of today's meeting, there were no jokes.

FINES AND RECOGNITIONS

No fines were levied at today's meeting

DISTRICT 5180 NEWS

The District Public Image Team will be hosting four training seminars through the course of the year on various topics to improve Club communications. The focus will be on providing instruction to develop public image plans and hands-on demonstrations of how to use available tools.

The schedule is as follows:

December 3, 2016 - Using Facebook and Social Media

February 11, 2017 - Using Video to Promote Your Club

April 22, 2017 - Preparing News Releases for Club Promotion

Seating will be limited, so Rotarians are encouraged to sign up early.

At present, there is no additional information available on these seminars, i.e. where, what time, etc. Visit the District Website for add'l. information as we get closer to the actual dates.

HIGHLIGHTS OF THIS WEEK'S PROGRAM

Pre-empting our regular weekly meeting, we met at American River College on Thursday, October 27th.

Vocational Service Director Gordon Lipp arranged for us to have a guided tour of the Culinary Arts Building followed by lunch at the Oak Café. **Gordon** introduced us to our tour guide **Jonnie Kropp**, who he referred to as the Chief Cook and Bottle Washer in the Culinary Arts Program.

Foothill-Highlands Rotarians
at ARC Vocational Tour

Gordon and Polly Lipp, President Dominic, Brent Seizer, Marilee Monagan, Dayme and Bob Meyer, Joe Kaiser, Roland Wright, Maureen McBride, Bob Spears, who arrived just in time for the tour, **Chuck McBride**, who took the picture and **Lee Wiggins**, who joined us for the lunch portion.

American River College is among the most respected culinary arts programs in northern California. The program emphasizes business theory and hands on cooking. Classes focus on job skills and professional fine dining cuisine. The program can be completed in 18 months, including a semester working in the kitchen of The Oak Café, the college's 4-star restaurant. There are two types of programs available to students—the degree program and a certificate program.

In 2014, the Culinary Arts Program underwent a major facelift increasing its teaching space from 2,000 square feet to 13,600 square feet which was unveiled in early 2015. The building features five

Students preparing a faculty lunch

teaching labs, a retail bakery and a student-run Oak Café. In the original Oak Café, the space could accommodate 43 diners but was increased to 87 as a result of the renovation.

The new facility has state-of-the-art equipment and the Oak Café has a reputation

of being among the best restaurants for lunch in the area. It gives students a real-world experience in running a fine dining restaurant.

As we walked through the new Culinary Arts Building, **Jonnie** pointed out several pieces of original artwork which grace the walls. Some are quite impressive and all are available for purchase.

Dayme Meyer admiring one of the pieces of artwork pointed out by our Tour Guide **Jonny**

While we were on the tour, those of us who were adventurous enough to take the plunge were offered a sample of a cheese and cauliflower soufflé which missed the mark as it had collapsed. While it may not have been pretty, it was very tasty.

Following the tour, we gathered in a private room where we were treated to a family-style dining experience. As such, we were able to sample a variety of appetizers, entrees and desserts which included a garden salad topped with shrimp, duck sautéed in a mushroom sauce and chocolate mouse (my favorite.)

The service staff consists of students enrolled in the Dining Room Management Course while the kitchen staff are culinary arts students. The Oak Café offers a limited menu which is designed at the beginning of each semester by the faculty to teach students a variety of different preparations techniques.

Toward the end of our lunch, we were joined by **Kirsten DuBray**, who is the Executive Director of the American River College Foundation. **Gordon** introduced **Kirsten** and asked her to give an overview of the ARC Foundation and its Scholarship Program.

Gordon Lipp and Kirsten DuBray

Kirsten acknowledged **Chuck McBride**, who played a key role in helping initiate the Funeral Services Program at ARC and getting the needed accreditation. **Chuck** also served on the ARC Foundation Board and the Funeral Services Advisory Board for several years.

The ARC Foundation awards \$200,000 in scholarships annually. For many students who cannot afford a four-year college tuition, community colleges provides an opportunity for individuals to pursue additional training/education to better

their lives.

ARC plays an integral role in educating the workforce in the Sacramento area with award-winning programs, like the one we witnessed today.

Kirsten stated that groundbreaking will begin this Fall on a new Science, Technology, Engineering and Math (STEM) building at American River College. The 38,000 sq. ft. three-story building will replace the Liberal Arts Wing that has existed at the college since the 1960s.

Design elements will provide shared, flexible and movable space and labs for programs and disciplines that include Business & Computer Science, Mathematics, Astronomy, Physics and Engineering.

Phase II of the project will modernize the Science division which produces 47% of ARC's graduates and is the largest division in the Los Rios Community College District.

Many successful and notable alums in the fields of science, healthcare, engineering, biotech and research have benefited from their start at American River College. This new STEM Center will offer greater opportunities to more students.

Following her remarks, **Gordon** informed **Kirsten** that the Rotary Club of Foothill-Highlands wanted to present her with two \$500 checks for scholarships. The first in the fields of Electronics Technology, Nursing and Allied Health and the second in the fields of Computer Science, Funeral Services and Teacher Education.

Scholarship funds are distributed in the summer in time to pay for educational expenses for the fall term. Students' eligibility is verified before the funds are distributed. **Kirsten** said she would be happy to let us know who receives the benefit of our two scholarships and accompany them to one of our meetings so we can meet them and hear their stories.

President Dominic presenting **Kirsten DeBray** with the scholarship checks

Kirsten also held a raffle of an arrangement created by students in the Floral Design Program. It appears from the huge smile on his face that **PE Roland Wright** won the raffle.

In summarizing, those who attended today's meeting got an in-depth view into the Culinary Arts and Hospitality Program at ARC and the importance of helping students achieve their goals by providing financial support to some who might not, otherwise, be able to Continue their education.
