The rural villages of the Lenca Corridor in the western highlands of Honduras are home to some of the poorest indigenous people in the country. This is where the Adelante Foundation, a micro-lender, finds poor women who want to become self-sufficient business owners.

With the help of Rotary, Adelante has been able to provide business training and 600 loans to its clients.

## CALL TO ORDER

**President Elect Nominee Patrick Magnani** called the meeting to order at 12:15 p.m. and thanked **John Hallsten** for serving as the Official Greeter. **Patrick** called upon PP **Maureen McBride** to lead us in the pledge and PP **Joe Kaiser** to provide the invocation. PP **Mo** served as the note taker and **PEN Patrick** was the official photographer.

## VISITING ROTARIANS AND GUESTS

We had four surprise guests join us for today's special program. They were **Polly Lipp**, **Doug** and **Pam Lipp**, Gordon and Polly's son and daughter-in-law and former member **Jan Fazekas**.

## Watt Avenue Partnership Inaugural Luncheon

PP **Marilee Monagan** and PEN **Patrick Magnani** attended a meeting last week hosted by the Watt Avenue Partnership. Weave CEO Beth Hassett was the guest speaker.

**Marilee** and **Patrick** reported there's a lot happening in the Watt Avenue Business District.

On **Thursday, November 10th** from **11:30 a.m. to 1:00 p.m.** at the **O Club** (Lions Gate), the PBID will celebrate the success they have had in their first year by having a luncheon.

We have been invited to the celebration and to participate by sponsoring the inaugural luncheon. There are various levels of sponsorship and **Marilee** and **Patrick** have suggested the club purchase a table of eight at the Gold Level. This is a great opportunity on several levels—to meet our neighbors, to advertise our existence in the community and to meet prospective Rotarians. The tickets are \$45 per person.

More details will be forthcoming following our October board meeting on Tuesday.

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## FOUNDATION NEWS

### END POLIO NOW CAMPAIGN

Foundation Chair  
**David Stone**  
reminded those  
present that we are  
continuing in our  
efforts to End Polio by  
asking that

**EVERYONE BRING  
THEIR POCKET CHANGE — TO  
AFFECT CHANGE BY ENDING POLIO  
THROUGHOUT THE WORLD.**

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

This year's goal is \$1,000.

### ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

We continue our goal to have **Every Rotarian** contribute at least **\$100** to **The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the third year in a row.

## PROPOSED FELLOWSHIP ACTIVITY

Club Administration Chair **Maureen McBride** announced that the Community Center Theater published their program of events for the coming season. **Mo** would like to know if there is any interest in attending either or both of the following shows: Rodgers and Hammerstein's *The Sound of Music* (October 26—Nov. 6) Orchestra \$77 per person (mid-week) and Irving Berlin's *White Christmas* (Dec. 27—Jan. 1, 2017) Orchestra ~\$77 per person (mid-week.)

If interested in attending either of these shows, please let **Mo** know and she will research the availability of tickets.

## JOKES

PP **Bob Spears** was the only one with a joke this week.

It garnered laughs from the audience and a fine-free pass from President Elect Nominnee **Patrick Magnani**.

## FINES AND RECOGNITIONS

Fine Master **Bob Spears** mentioned that several of his intended targets were not present so he'll catch them the next time.

The first person to be recognized was PEN **Patrick Magnani**. **Patrick** and lovely wife, **Jen** will celebrate 13 years of marriage on October 18th.

Before letting **Patrick** decide how he wanted to be recognized, **Bob** called on PP **Maureen McBride** to share a story about how **Patrick** had let her down over the weekend and cast a shadow of doubt over her abilities as an Event Planner. **Patrick** acknowledged the incident and decided to ring the bell for \$100 to the club for the infraction as well as his anniversary.

Next was PP/PE **Roland Wright** who, on October 10th, will celebrate his sixth wedding anniversary with lovely wife, **Diane**. **Roland** rang the bell for \$100 to the club. In addition, **Roland** was tickled pink to announce that son, **Robert** participated in the Stanford Invitational on Saturday and broke his previous record.

**Bob** then called on **Sam Morgan**, who wasn't around in August for us to celebrate her birthday on the 27th. **Sam** opted to ring the bell for \$100 to the club.

Congratulations to all our celebrants!

Continuing to raise money for the club, Fine Master **Bob Spears** asked **Jordan Backhaus** if he knew who **George Messersmith** was. He had a cute but incorrect answer. **Jordan** spun the wheel for \$9.

Up next was PP **Joe Kaiser**, who was asked the

same question. **Joe** was not able to answer the question either and rang the bell for \$100 to the club.

**Gordon Lipp** was happy to report his recent Mohs cancer surgery was a success **Gordon** spun the wheel for \$7.

Following the Rotary Relics Part 3 Presentation, **Doug Lipp** spun the wheel and opted to donate \$20 to the club for all the ways his dad had exposed him to Rotary over the 50+ years **Gordon** has been a Rotarian.

## HIGHLIGHTS OF THIS WEEK'S PROGRAM

Program Chair **Jordan Backhaus** introduced our own **Sam Morgan**. **Sam** has been a member of the Rotary Club of Foothill-Highlands since April 1997 and will, herself, become a Rotary Relic next year.

The Rotary Relic Presentations are the brain-child of IPP **Gene Long** who, during his year as President, wanted to recognize those members who had been in Rotary 20+ years. Everyone will agree that **Sam Morgan** took this idea to the next level; and with her vast knowledge of our club and its members, has created an incredible testament to those members who have given so much to our club and Rotary.

**Sam** began her presentation by defining a relic as "an object surviving from an earlier time, especially one of historical or sentimental interest." A Rotary Relic is someone who has been a Rotarian for decades.

Today's presentation honored two such relics: **Gordon Lipp** (54 years) and PP **Joe Kaiser** (30 years).

**Gordon** was a member of the Rotary Club of Carmichael for 25 years before becoming a Foothill-Highlander.

**Gordon R. Lipp**

**Gordon** joined the Rotary Club of Foothill-Highlands in 1962 and this has been his “official” picture in our Year-at-a-Glance ever since.

**Gordon** graduated from the College of Marin followed by two years of active duty in the U.S. Navy during the Korean War.

In 1977, **Gordon** founded California Satellite Systems bringing Pay TV and HBO to the Sacramento area.

In 1982, he co-founded California Image Associates—a post production and editing company for TV broadcasting.

In 1979, **Gordon** received his CFP Certification from the College of Financial Planning in Denver. He was a Charter Member of the International Association for Financial Planning, President of the Sacramento Chapter of the Institute for Financial Planners and V.P. for the Sacramento Chapter of the International Association of Financial Planning.

**Gordon** has a Life Credential from the State Department of Education to teach investments and securities and has taught many classes at Sac State.

**Gordon** retired in 1990.

During his years in Rotary, **Gordon** has served as Director of Vocational Service numerous times. To his credit, **Gordon** has been active in Rotary activities throughout his 54 years as a Rotarian. Some examples of his

involvement include planting 80 trees at Gibson Ranch in 1987; in 1991 he chaired our club’s second Small Business Workshop in which 40 Rotarians and other business people came to learn more about current business trends from **Gordon** and four other successful business people; in 1992 **Gordon** and **Polly** participated in our Friendship Exchange with the Rotary Club of Thamesdown, Swindon, England; **Gordon** can be seen throughout the years working on the Christmas Basket Project, which was a long-standing tradition in our club; he was a driving force in making our club’s Car Donation Program a success; he has chaired our club’s annual District Speech Contest numerous times; and in 2013, **Gordon** was one of a handful of people who participated in *Operation Easter* where our club members filled boxes of “goodies” to send to our Armed Forces personnel serving overseas.

Among his many hobbies, **Gordon** enjoys wood carving as seen in the picture shown here which showcases the “awards” given to Board Members during the year Danny Tucker was our president.

**Gordon** is also an avid sailor.

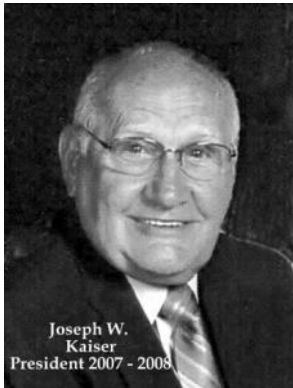

**Gordon** has made Rotary a family affair involving wife, **Polly**; son, **Doug**; granddaughter, **Amanda** and daughter, **Lorrie** in various projects.

**Gordon** and **Polly** enjoying themselves at a party hosted by former members **Katha** and **Phil Danz**. The party

celebrated the long-standing friendship between our club and the Rotary Club of Thamesdown.

The next honoree was PP **Joe Kaiser**.

**Joe** was born in Dayton, Ohio and attended the University of Dayton majoring in engineering.

**Joe** served two years in the U.S. Army.

In 1970, **Joe** moved to Sacramento and worked for a large mechanical engineering company before starting his own Heating and Cooling Company in North Highlands.

**Joe** joined the Rotary Club of Foothill-Highlands in 1986. He served as a Camp Counselor for a week at RYLA in 1992 and was one of the campers favorite counselors.

Our club had a long tradition of providing all kinds of help to the Rotary Club of Mexicali. Over the years, we donated computers, medical equipment, desks, chairs, etc. and **Joe** was always at the forefront making sure everything got to its destination.

**Joe** hosted many an Oktoberfest at his home in Auburn which had a great view of the Sacramento area. The event was a highlight of the Rotary year and a lot of fun for all who attended.

Like the Lipps, **Joe** enjoyed RVing.

His other hobbies included traveling, golfing, playing cards, camping; and of course, RVing.

For several years, **Joe** chaired the club's annual Mystery Bus Trip. He took our members to some interesting spots during those years.

In September 2002, **Joe** was awarded a Paul Harris Fellow for his extraordinary efforts to secure medical equipment from Sutter Hospital and transport it to Mexicali.

Over the years, **Joe** has served as our club's and the district's Sgt. At Arms at various events including PETS (Presidents' Elect Training Seminar.)

He has served as the club's Vocational Service Director and President in 2007-08. During that year, the club accomplished, among other things, the support of Staples Office Supply in donating \$5,000 to one of our charities—The Children's Receiving Home of Sacramento.

Some of the other accomplishments/projects include:

Night at the Museum, Estate Sale, Vocational Tours; Mystery Bus Trip; fellowship each quarter for members and family; financial support to WIND, Cub Scout Pack 562 and Philippines School of Hope and Love; deep water wells in villages in Cambodia; sent a student to RYLA; and honored a business person, law enforcement professional, firefighter, teacher and administrative professional.

**Joe** was given the Rotary Pride Award by DG Brian Moore. The award is given to an individual who lives and breathes Rotary.

For many years, **Joe** has served as our club's representative on the Rotary House Committee.

**Joe** has been a advocate for getting the name of Rotary out in our service area by participating in such events as the North Highlands Jubilee and McClellan Park Business Expo.

**Joe** is a strong supporter of The Rotary Foundation and is a Paul Harris Fellow+7.

**Gordon Lipp** and **Joe Kaiser** have been Rotarians for decades. Throughout that time, they have served so well and brought much success and joy in so many ways.

Thank you, Rotary Relics. WELL DONE.

Following her presentation, PEN **Patrick** thanked **Sam** for the outstanding job she has done documenting the club's history and paying tribute to our Relics in such a detailed and honorable manner. As her speaker's gift, the Club is adding points to her Paul Harris Fellow account.

As usual, during her presentation **Sam** had everyone's undivided attention.

PEN **Patrick** then asked those present to stand, raise their glasses and toast “Rotary Around the

World.”

PEN **Patrick** then adjourned the meeting.
