Club members are supporting Women's Empowerment by donating clothing to the women they serve. They need items in good condition such as: coats/jackets, dresses, suits, pants, tops, skirts, jeans, sweats/activewear and accessories, i.e. scarves, knit hats, gloves, belts, shoes, etc.

With Fall in the air, our thoughts turn to changing around our closets from Summer to Winter. If you have any items you don't want anymore, bring them to our weekly meetings and **Mo** will take them at the end of each month to Women's Empowerment.

HIGHLIGHTS OF THIS WEEK'S PROGRAM

PP and **Rotary Foundation Chair Marilee Monagan** introduced our guest speaker, **Bob Mutchler**. **Bob** is District 5180 Polio Plus Chair. **Bob** is originally from Pennsylvania. He attended Placer High School and studied music technology and business at California State University, Sacramento. He is the owner of Music by Sunset in Folsom, where he does piano tuning, refinishing and restoring. He is a member of the Rotary Club of Folsom, is married to Patty, and has four children and four grandchildren.

He is also known as "Motorcycle Bob" because he has ridden to every state capital to bring awareness to Polio Plus. Bob has written a book about his experiences entitled "From Iron Lung to Iron Butt." In addition to all of these activities, he also plays in a band!

Bob is a strong supporter of The Rotary Foundation. He is a multiple Paul Harris Fellow and Major Donor. He was awarded the District 5180 Service Award in 1988, a Special District Recognition for his PolioPlus Motorcycle Rides in 1999, the Rotary International Meritorious Service Award in 1998-99 and the Rotary International Regional PolioPlus Service Award in 2002-03.

Bob contracted polio when he was nine months old and spent the first three years of his life in and out of hospitals. He is no stranger to the Iron Lung and knows first hand how one's life is altered by the effects of this devastating disease.

In 1984, Bob was diagnosed with Post-Polio Syndrome. Symptoms include slow

progressive muscle weakness, fatigue, muscle atrophy and joint pain. He was told he had about two productive years left. **Bob** decided he was going out fighting and embarked on a 7,000-mile journey in seven days to be an advocate for polio awareness.

It wasn't until 1998 that **Bob** finally accepted the fact that he had polio. In spite of his physical limitations, he was in denial.

In 1985, at the request of the World Health Organization, Rotary International embarked on the Polio Plus Program and agreed to raise \$115 million to eradicate polio. Rotary exceeded the goal and raised \$240 million. Because of the success of the Program, Rotary wanted a say in how the money raised was spent and we now have two representatives at the U.N.

Bob organized a motorcycle ride for the D.A.R.E. Program — an acronym for Drug Abuse Resistance Education — which is an international substance abuse prevention program which provides kids with the information and skills they need to live drug-free lives. He planned a 48 State Capitols Ride and formed a committee of Rotarians to help with the logistics and changed the focus of the ride to Polio Awareness. He also organized a ride across Canada and raised \$1 million which was matched by the Canadians.

Bob has been riding his motorcycle with the sole goal of raising awareness of The Rotary Foundation and, more specifically, of PolioPlus since 1998. He has been featured on network television, talk radio, newspapers, and magazines as he expresses the message of PolioPlus and The Rotary Foundation. **Bob** continues to be a featured media attraction two

or more times every month somewhere around the world.

Bob has been a featured speaker in Africa, England, Holland, Australia, Canada, and the United States. He has also been a keynote speaker at District Conferences and PETS in Africa, Canada, and the United States.

After many years of prodding, five years ago **Bob** agreed to write a book about his life as a Polio survivor. He co-wrote a book entitled, "From Iron Lung to Iron Butt" with author Lynda Lahman. All proceeds from the sale of the book go to PolioPlus. The book sells for \$20 with \$5 going to printing costs and \$15 going to PolioPlus. With the commitment of the Bill & Melinda Gates Foundation, the \$15 becomes \$45.

Bob reviewed the progress being made in the war on polio.

In 2000, **Bob** went to Ghana as part of the Polio Eradication Program with 18,000 volunteers who immunized eight million children. During this trip, **Bob** met a crawler who came over to him while he was putting two drops of the polio

vaccine in the mouth of his sister and thanked **Bob** for saving his sister from the fate he has endured. The encounter changed **Bob's** life and he recommitted himself to continue riding his motorcycle to raise awareness of the devastating effects of polio and how it is being combated.

Wow, what an inspiring story!

Bob Mutchler and President Roland

As is our usual custom, **President Roland** presented today's speaker with a Rotary gift in gratitude for his informative presentation.

Then, **President Roland** asked us to raise our glasses and join him in a toast to *Rotary Around the World*. The meeting was then adjourned.

DISTRICT 5180 UPDATE – FIRE VICTIMS SUPPORT

From District Governor, Sandi Sava

Rotarians and members of our communities have been devastated by the fires in Northern California with loss of homes, schools and businesses, relocation, and, worse yet, death and injuries. We all are trying to figure out how, when, where and who to best help. I have been communicating regularly with the 41 Club Presidents in District 5180, our 8 Assistant Governors, our District Leadership, and a number of Rotarians. I also have been in close touch with Rotary International, our Zone Director John Matthews, and the District Governors in 4 neighboring Districts. Several plans are being developed and carried out at this time.

First, individual clubs and Rotarians are collecting and delivering personal hygiene and related items to evacuees and to victims of the fires in Yuba and Butte Counties in the Northern part of our District. They also are helping fire personnel and first responders. Our Assistant Governors are working with Club Presidents, Rotarians and members of our communities to proactively identify needs and provide assistance. While this is very important, the outpouring of donations has exceeded some needs. And, in some cases, the donated items cannot get to or through certain locations. Collection of personal hygiene items and new supplies still should be considered for victims who you specifically can identify, but donations of gift cards is preferred for many Napa and Sonoma victims at this time.

Second, our District has developed a funding platform to collect monetary contributions from donors who want to help financially. Specific details about use and disbursement of these funds will depend upon what information we obtain about needs and forms of assistance. Contributions can be made by check payable to "Rotary District 5180 Foundation" and mailed to District 5180 Foundation Chair, Robert Deering, 4917 Olympia Court, Carmichael, California 95608. We are not accepting electronic donations at this time.

Third, District 5180 is working with neighboring Districts to develop a regional fund with the help of and through Rotary International. As with the hurricanes and earthquakes, our fires make people from all over the world want to help directly, and a "Donor Advised Fund" through RI enables this. Although a DAF provides a platform to help with immediate help, it primarily provides opportunities for longer term assistance. We expect to have this in place within the next week.

The Lake Area Rotary Club Association [www.larca5130.org] is already set up to accept contributions and help those victims in Napa, Sonoma, Mendocino and Lake Counties. Our District will continue to work with the Presidents, Assistant Governors and other Rotarians as we navigate through this disaster. If you have specific information about how to help, please contact your Club President, AG or me. We are here to help too and will provide further updates in the future.
