BOAT PARTY FOR FHRC

For Members and Their Spouse/Partner

On **Saturday, October 10th**, **Sam Morgan** and **Dick Biddle** will host a party on their boat "At Last" for Foothill-Highlands Rotarians and their spouses/partners to welcome British Rotarian **Peter Goldsworthy** and his wife, **Peggy**. Many of you know them from previous Rotary Friendship Exchanges. For those of you who don't, you're in for a treat, as they are two of the friendliest, happiest, and most fun folks you'll ever meet.

The boat is berthed at the Sacramento Marina. The party is from 2:00 to 7:00 PM. The plan is to leave the dock at 2:00 PM SHARP and cruise down the river for two or three hours before returning to the berth for the rest of the party. **Sam** and **Dick** will furnish snacks and finger food, utensils, water, soft drinks and ice. Please BYOB.

If the weather doesn't cooperate and it's too hot for comfort on the river or if more people attend than our maximum capacity allows (24), we'll still have the party but will stay docked in the marina.

Please R.S.V.P. **no later than Monday, September 28th**. Give your name and say if your spouse/partner will attend: 979-0720 or cherylannemorgan@hotmail.com. We'll send you more information and directions to the boat.

Hope you can make it.

FOUNDATION NEWS

END POLIO NOW

Our goal this year for Polio giving is \$1,000. We continue to have our **END POLIO NOW** banks on the tables at our weekly meetings.

We ask that you —

BRING YOUR CHANGE

FOR CHANGE.

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

The yield this week from the banks is \$30.35.

Great job!!!

ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

Mo shared that our goal is to have **every Rotarian** contribute at least **\$100** to **The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the second year in a row.

To date, we have seven (7) paid Paul Harris Sustaining Fellows and five (5) additional

members who have bonged the gong and pledged \$100.

We're on our way to reaching our goal of being a 100% Paul Harris Sustaining Fellow Club.

DISTRICT 5180 FOUNDATION DINNER

President Gene has reserved a table of ten (10) at this year's **Foundation Dinner** on **Saturday, November 7th** at the **Doubletree Hotel** on Arden Way.

PP Maureen McBride has been circulating a sign-up sheet for the past several weeks and six members and their guests have committed to attend. There are only four (4) remaining spots at the table and we have been notified **the event is SOLD OUT**. If you're thinking about going, you should make your reservation as soon as possible.

The cost is \$55 per person. The theme of this year's event is *Rotary on the Red Carpet*. Festivities begin with no host cocktails at 6 P.M. and dinner at 7 P.M.

The Annual Giving Chair for Rotary International in Evanston will be the keynote speaker.

DG Glenn Fong told us during his annual visit that it's going to be a great event.

Don't miss out. Contact **Mo** to make your reservation.

OTHER ANNOUNCEMENTS

"KIDS, COPS, FIREFIGHTERS & ETC."

Dee Beddo from the Optimist Club invited the Rotarians to an event on **Saturday, September 26th** at the North Highlands Rec. & Park District, 6040 Watt Ave. called

FINES AND RECOGNITIONS

Fine master **Maureen McBride** began by asking if there were any happy thoughts. One of our guests said she was happy Sacramento wasn't in the path of the ragging fires all around us.

PP Roland Wright volunteered to spin the wheel for his son **Curtiss**, who won his event on Saturday. **Roland** spun the wheel for \$9.

PP Patrick Magnani volunteered to spin the wheel as he is coaching both his son's and daughter's soccer teams and they won. **Patrick** also took his family to Disneyland. He spun the wheel twice for \$3 each for a total of \$6.

PP Lee Wiggins closed his office last week and headed out of town to go fishing. **Mo** thought since he missed the horrific heat wave, he should spin the wheel. He did for \$9.

PP Bob Spears rang the bell in recognition of his 33-year anniversary as a Rotarian.

President Gene's grandchildren visited over the weekend and they brought their respective dogs with them. **Gene** had such a great time he spun the wheel for \$10.

HIGHLIGHTS OF THIS WEEK'S MEETING

PP **Marilee Monagan** introduced Sacramento County DA **Anne Marie Schubert**. **Anne Marie** is a career prosecutor with 25 years of law enforcement experience. As a Deputy District Attorney, she has sent some of the area's most notorious and dangerous criminals – murders, rapists and child molesters – to state prison. She has also created innovative programs for the District Attorney's Office focused on catching killers and criminals using DNA evidence, helping the children of our community by combating truancy, and honoring those citizens who have provided service to justice with the development of the annual Outstanding Citizen Awards.

One of **Anne Marie's** passions is the pursuit of justice through forensic DNA evidence and cold case prosecution. She formed the DA's Cold Case Prosecution Unit in 2002, served as its first prosecutor and is a nationally-recognized prosecutor on forensic DNA.

Anne Marie was elected Sacramento County's District Attorney in 2014 and was sworn into office in January 2015.

The District Attorney's office prosecutes cases that originate from nearly 40 federal, state and local law enforcement agencies. The office is very proud of the strong and positive working relationship it has with all of its regional law enforcement partners.

Anne Marie leads a team of more than 400 dedicated professionals.

The District Attorney's Office is comprised of several Bureaus and/or Units. One of the largest Bureaus within the District Attorney's Office is the Bureau of Investigation. It is represented by nearly 80 members including: criminal investigators, investigative assistants, process servers, clerical staff, and investigative interns. The Bureau provides investigative support for the prosecution and litigation of criminal and/or civil cases.

The Sacramento County Crime Lab is one of the few in California that is managed by the District Attorney's Office. The lab has the highest quality service available for the recognition, collection, preservation, scientific analysis, and interpretation of physical evidence, with a goal towards presentation of such evidence in criminal court cases.

Collaborative Courts are dedicated courts created for certain types of offenders and vulnerable populations that have unique needs and circumstances, such as veterans and the homeless. These alternative courts reduce trauma on victims and provide offenders with services, such as mental health and drug or alcohol treatment, rather than jail time.

Special Prosecutions include the following:

The Child Abduction Unit investigates parental child abductions and helps enforce custody rights when a child has been taken, withheld or concealed in violation of a valid custody order.

The Consumer and Environmental Protection Division includes a consumer and environmental unit. The Consumer Unit investigates and prosecutes unfair, fraudulent and dishonest business practices which harm consumers and honest businesses. The

Environmental Unit uses a combination of civil and criminal prosecution remedies to enforce laws that prohibit the illegal disposal of hazardous wastes and other pollutants onto public or private property and into the air and waterways.

Insurance Fraud Unit handles workers' compensation fraud, automobile insurance fraud and organized automobile fraud cases. The team investigates and prosecutes these crimes.

The Mental Health Litigation Unit utilizes civil commitment hearings for individuals who have completed their maximum prison sentences but remain a danger to society and meet the statutory definition of sexually violent predators, mentally disordered offenders, or offenders formerly found not guilty by reason of insanity. Commitments are generally for one to two years and are for the purpose of treatment not punishment.

The Real Estate Fraud Unit investigates and prosecutes fraud complaints related to recorded real estate documents in Sacramento County. These cases include forgeries, identity theft/fictitious buyers, home equity scams, short sale scams, loan modification fraud and embezzlement.

The Special Investigations Unit prosecutes financial crimes with losses in excess of \$100,000, cases involving misconduct by public officials, political corruption and election fraud. It also reviews officer-involved shooting reports submitted by law enforcement agencies.

**DA Anne Marie Schubert and
President Gene**

As is our usual custom, **President Gene** presented **Anne Marie** with a gift in gratitude for her informative presentation.

Then, **President Gene** asked us to raise our glasses and join him in a toast to *Rotary Around the World*.

The meeting was then adjourned.
