On Sunday, PP **Marilee Monagan** and PP **Dominic** were working hard rounding up e-waste in her community. We picked up junk from 5 different households and loaded **Nick's** trusty pickup full of heavy recyclables. Hopefully that will generate LOTS of revenue for our e-waste collection!! Strong!!! We have a full lobby of e-waste ready for the next monthly pickup. Keep it coming!!!

FOUNDATION NEWS

END POLIO NOW CAMPAIGN

EVERYONE BRING YOUR POCKET CHANGE — TO AFFECT CHANGE BY ENDING POLIO THROUGHOUT THE WORLD.

The **END POLIO NOW** campaign is still one of Rotary's top priorities. The Bill & Melinda Gates Foundation have extended their partnership with Rotary during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

Foundation Chair **Bob Spears** announced this year's goal is to raise \$1,000. Please save your loose change and deposit it in the *Change for Change* banks on the tables at our weekly meetings. **We collected \$12 today for a total of \$198.00 this Rotary year. This is 19.80% of this year's goal.**

PP **Marilee Monagan** had a birthday that she celebrated in New York City. She Bonged the Gong for \$100 to Rotary Foundation.

PP **Lee Wiggins** was happy he is moved into his new house. He Bonged the Gong for \$100 to Rotary Foundation.

Medicine Bottle Recycling Project

PP **Marilee Monagan** is collecting used medicine bottles for a recycling project her friend is spearheading. Please bring your used medicine bottles, with the labels removed if possible, to our weekly meetings. If the label cannot be removed, simply black out the personal information on the label with a Sharpie. The bottles are put through a recycling chipper, then sold to a recycling company and the money gained is used for shipping the bottles that can be used again. This project is administered through Matthew25Ministries (www.m25m.org).

HIGHLIGHTS OF THIS WEEK'S PROGRAM

PP **Dominic Mecklenburg** introduced **Debbie DuVall**. **Debbie** has been a member of WCA since 1991 and has served on the Board of Directors since 1992. **Debbie** has been involved in every facet of the organization and puts in an incredible amount of time and energy volunteering for Wildlife Care. She is WCA's species manager for Raptors and all mammals except squirrels, and also teaches some of the classes offered by WCA.

Debbie joined the educational outreach program in 1994 and is currently the Education Team Leader. She currently is the caretaker of WCA's Ambassador Great Horned Owl, Nala, who was found tangled in a barbed-wire fence in 1996 and has been with WCA ever since.

Debbie began by with the history of the Wildlife Care Association it is a volunteer based nonprofit operation, since 1975. We were created to meet a community need – the rescue, rehabilitation and release of injured, ill and orphaned wild animals in the Sacramento area. We started out small, with about a dozen volunteers taking animals into their homes.

As the years passed and the area's population grew, suburbs fused and farmland became new suburbs, the need for WCA's unique service grew exponentially. Today, volunteers donate tens of thousands of hours annually both in their homes and at our facility, 7 days a week, to care for nearly 6,000 rescued animals brought to us by the public yearly.

Animals often come to WCA as a direct result of human intervention—destruction of habitat, introduction of non-native plants and animals,

pollution, decimation of large predators and migratory disruptions from artificial light sources. WCA volunteers dedicate themselves to rectifying some of these problems by working at our facility, becoming a home rehabilitator, or serving in many other ways that support the organization.

We so deeply appreciate everyone who gave generously of their time and efforts this year and in years past to save our community's wild animals. Volunteers are the lifeblood of WCA. There are a variety of opportunities to get involved – some include direct animal contact (training provided), and others support the organization, such as fundraising, carpentry/caging projects, and returning hotline messages.

She then introduced us to some of her owls.

Great Horned Owl

As is our usual custom, **President Patrick** presented our speaker with a gift in gratitude for her informative presentation.

President Patrick then asked the group to stand, raise their glasses and join him in a toast to *Rotary Around the World*.

The meeting was then adjourned.
