Community Health Fair

A BIG thanks to **PP Marilee Monagan** accompanied by Honorary Member **Brent Seizer** and **PP Mo McBride** for

manning a Rotary information booth at the Community Health Fair in North Highlands last

Saturday, September 16th.

The event was organized by **Damaris Canton** and **Rev. Dr. Carieta Cain Grizzell**, of the Murph-Emmanuel AME Church. The goal was to increase health awareness through screening and education and to promote a healthy mind, body and soul in the North Highlands Community.

Our club provided pop-up canopies for the Fair vendors and donated two Porta Potties.

E-Waste4Good Program

Our E-waste Program is going strong with monthly pick-ups at Umpqua Bank. Large items are being picked up

and stored at Hallsten Corp. until the scheduled E-waste pick up.

Following this week's meeting, IPP **Dominic** picked up a HUGE TV from PP **Bob Meyer's**

neighbor. Only four days out from his surgery, **Bob** is out in the street overseeing the pick up. Incredible!!!

Thanks to everyone for your continued support of this program.

SAC BREW FEST

The Rotary Club of Point West in partnership with the Sac State Rotaract Club and the Rotary Club of Foothill-Highlands set up the **WORLD'S LONGEST TEETER TOTTER** at the *23rd Annual California Brewers Festival* held this past Saturday at Discovery Park. Event attendees who made a donation to the Rotaract Club got the ride of their lives. The proceeds will go to help the Rotaractors provide much needed hygiene kits to the homeless in Sacramento. Thanks to **Sondra Wildman** and her team of Rotaract volunteers!!!

Helping from the Rotary Club of Foothill - Highlands were **President Roland Wright** and **IPP Dominic Mecklenburg**; Rotaractors from Sac State and **Ed Sanger** from **Hallsten Corporation**.

Club members are supporting Women's Empowerment by donating clothing to the women they serve. They need items in good condition such as: coats/jackets, dresses, suits, pants, tops, skirts, jeans, sweats/ activewear and accessories, i.e. scarves, knit hats, gloves, belts, shoes, etc.

Bring the items to our weekly meetings and **Mo** will take them at the end of each month to Women's Empowerment.

Thanks to **Sharon Stone** for her recent contribution to our project.

Ink and Toner Cartridges Mini Fundraiser

IPP Dominic is continuing to collect spent ink and toner cartridges as a mini-fundraiser for the club.

Keep a plastic or paper bag by your printer; and as you replace the ink or toner cartridge, put the old ones in the bag and bring them to Rotary.

HIGHLIGHTS OF THIS WEEK'S PROGRAM

PE **Patrick Magnani** introduced **Whitney Tomasovich** and **Danena Graf** from the Sacramento County Department of Voter Registration and Elections.

OVERVIEW

The California Voter's Choice Act became law in 2016 to make voting more convenient and accessible. Currently, 64% of Sacramento County voters already permanently vote by mail. Vote Centers will open two weekends before Election Day so voters can vote on a day that fits with their busy schedule.

- **You choose how to vote:** through the mail, drop-off box, or Vote Center.
- **You choose when to vote:** you now have 11 days to vote at any Vote Center location in Sacramento. Election Day hours are still 7:00 a.m. – 8:00 p.m.

What is the CA Voter's Choice Act?

In 2016, the State of California passed Senate Bill 450, allowing select counties to conduct elections by vote-by-mail ballot while also providing regional Vote Centers to be open 10 days prior to and through close of voting on Election Day.

On June 6, 2017 the Sacramento County Board of Supervisors approved this new voting model which will provide the most voting options for Sacramento County voters.

How will this affect how You vote?

All voters will be mailed a ballot in the mail beginning 29 days before each election. Once the voter receives their ballot, all they need to do is make their selections and return the

ballot in the envelope provided, either by mail or by dropping it off at any of the County's drop-boxes or Vote Centers. A list of all drop boxes and Vote Center locations will be provided with the voter's ballot as well as in the official County Voter Information Guide and on the Elections' office website. Beginning 10 days before Election Day, you can also go to any Vote Center location in the County to vote in person or receive assistance.

What is the difference between Polling Places and Vote Centers?

Under the polling place voting model, voters were assigned to vote at one specific polling location on Election Day only.

With Vote Centers, voters can go to any Vote Center location in Sacramento County over 11 days, giving the voter the power to choose when and where they want to vote.

Vote Centers are to be located based on specified demographics and public input to ensure the greatest access for all voters.

YOUR VOTING OPTIONS

Vote by Mail

- All voters receive a ballot in the mail 29 days before Election Day.
- Return the ballot in the envelope provided and mail back on or before Election Day.

Drop-off

- Return your voted ballot in its secure envelope at one of over 50 drop-off locations starting 28 days before Election Day.
- No postage required.

24-hour drive-thru box at:
7000 65th Street
Sacramento, CA 95823

Visit a Vote Center

- Vote in person at any of the 78 locations in Sacramento County.
- Request a replacement ballot.
- Drop off your ballot.
- Vote using an accessible ballot marking device.
- Register to vote or update your registration.
- Receive voting assistance, including assistance in multiple languages.

Remember to always sign your ballot envelope! If you forget to sign your envelope, no problem! You will have 8 days following the Election to provide your signature to the Elections office.

- **You choose where to vote:** any voter can visit any Vote Center in the County.
- **Get the support you need:** Vote Center staff will be there to help you have a great voting experience, including providing assistance in multiple languages, helping voters with disabilities, and updating your voter registration information.

For more information about the California Voter's Choice Act and voting options in Sacramento County, please visit our Vote Center webpage at <http://www.elections.saccounty.net/Pages/Vote-Center.aspx> or scan the QR code above.

President Roland, Whitney Tomasovich and Danena Graf

As is our usual custom, **President Roland** presented today's speakers with gifts in gratitude for their informative presentation.

Then, **President Roland** asked us to raise our glasses and join him in a toast to *Rotary Around the World*. The meeting was then adjourned.

SB450

California Voter's Choice Act

ALL VOTERS

UP TO 78
LOCATIONS

ONE VOTER

ONE DAY

ONE LOCATION

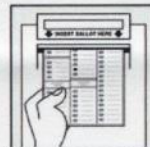

Voters can vote at **any*** vote center throughout the County
*78 on Election Day

Voters can only vote at **one** location on **one** day between 7:00am and 8:00pm

Fully accessible voting equipment available at **every** vote center

Voting equipment is outdated and inaccessible to many voters; limited to **one** device per location

Full early voting available in the County
10 days prior = 16 locations
3 days prior = 78 locations

Limited early voting only available at **four** locations in the County, 2 weekends prior to the election

Electronic rosters accessing data in **real time** and allow for same day registration

Paper rosters are printed in advance and often require supplemental printing

California's voting experience is outdated and in crucial need of modernization. Voters should be able to vote when, where and how they want. SB 450 is an important step to accomplishing these goals.

Hurricane Harvey Disaster Relief

Below is an email from the Zone Disaster Chair Greg Zank of our adjacent Zone outlining the ongoing efforts in the Texas districts. We will keep you apprised of ongoing needs. Thank you for your financial and moral support to our colleagues in Texas.

“Zone 21b & 27 Rotary Governors, as you have heard in the news Hurricane Harvey has dealt a heavy blow to the Southern part of Texas the extent of which we have yet to learn – things like flooded homes, schools like Rockport and Aransas Pass being partially destroyed, businesses wiped out, etc. As your Zone Disaster Chairman I have gathered from the three main Rotary districts affected by the Hurricane information on where to send any monetary aid you can gather up from your clubs and fellow Rotarians to help those in need. I am also including the three names of the District Governors affected that will be getting requests from their areas’ clubs for help. This way our fellow Rotarians will make sure the money is spent in the best way possible in their area. If you have any questions feel free to contact me or one or more of the three District Governors. Please get the information sent to your districts clubs by Monday so the information can be given out to club members starting Monday.”
