SEPTEMBER IS YOUTH SERVICES MONTH

**ROTARY YOUTH
LEADERSHIP AWARDS**

Rotary Youth Leadership Awards (RYLA) is Rotary's leadership training program for young people. RYLA participants can be ages 14-30, but most clubs and districts choose to focus on a narrower age range, such as 14-18 or 19-30. The Rotary Youth Leadership Awards is a complete scholarship awarded to men and women usually of high school age who are leaving their junior year and will be next year's senior high class. The intent of the program is to prepare these students for leadership roles in their senior year and beyond.

BOAT PARTY FOR FHRC

For Members and Their Spouse/Partner

On **Saturday, October 10th**, **Sam Morgan** and **Dick Biddle** will host a party on their boat "At Last" for Foothill-Highlands Rotarians and their spouses/partners to welcome British Rotarian **Peter Goldsworthy** and his wife, **Peggy**. Many of you know them from previous Rotary Friendship Exchanges. For those of you who don't, you're in for a treat, as they are two of the friendliest, happiest, and most fun folks you'll ever meet.

The boat is berthed at the Sacramento Marina. The party is from 2:00 to 7:00 PM. The plan is to leave the dock at 2:00 PM SHARP and cruise down the river for two or three hours before returning to the berth for the rest of the party. **Sam** and **Dick** will furnish snacks and finger food, utensils, water, soft drinks and ice. Please BYOB.

If the weather doesn't cooperate and it's too hot for comfort on the river or if more people attend than our maximum capacity allows (24), we'll still have the party but will stay docked in the marina.

Please R.S.V.P. **no later than Monday, September 28th**. Give your name and say if your spouse/partner will attend: 979-0720 or cherylannemorgan@hotmail.com. We'll send you more information and directions to the boat.

Hope you can make it.

FOUNDATION RECOGNITIONS

PAUL HARRIS SUSTAINING FELLOWS

PP and Foundation Chair **Maureen McBride** thanked **John Hallsten**, PP **Lee Wiggins** and PP **Dominic Mecklenburg** for their recent contributions of \$100 to The Rotary Foundation and becoming our newest 2015-16 Paul Harris Sustaining Fellows.

Mo gave **John**, **Lee** and **Dominic** a sticker for their respective badges in recognition of their recent contributions.

There are now eight members who have the special stickers affixed to their Rotary badges.

Thanks to our Sustaining Members for their support.

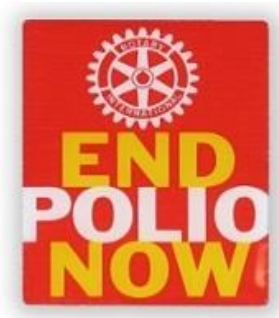

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

FOUNDATION NEWS

END POLIO NOW

Our goal this year for Polio giving is \$1,000. We continue to have our **END POLIO NOW** banks on the tables at our weekly meetings.

We ask that you —

BRING YOUR CHANGE FOR CHANGE.

The **END POLIO NOW** campaign is one of Rotary International's top priorities this year. Rotary and the Bill & Melinda Gates Foundation have extended their partnership during the critical endgame phase of the Global Polio Eradication Initiative. Thanks to this partnership our contributions are matched two for one—\$25 becomes \$75.

The yield this week from the banks is \$8.05.

ANNUAL GIVING/PAUL HARRIS SUSTAINING FELLOWS

Mo shared that our goal is to have **every Rotarian** contribute at least **\$100 to The Rotary Foundation** and strive to achieve the status of 100% EREY and 100% Paul Harris Sustaining Fellows for the second year in a row.

To date, we have eight (8) paid Paul Harris Sustaining Fellows and four (4) additional members who have bonged the gong and pledged \$100.

We're on our way to reaching our goal of being a 100% Paul Harris Sustaining Fellow Club.

DISTRICT 5180 FOUNDATION DINNER

President Gene has reserved a table of ten (10) at this

year's **Foundation Dinner a.k.a. Rotary on the Red Carpet/Oscar Night at the Foundation**

Dinner on Saturday, November 7th at the **Doubletree Hotel** on Arden Way.

PP Maureen McBride has been circulating a sign-up sheet for the past several weeks and eight members and their guests have committed to attend. There are only two (2) remaining spots at the table and we have been notified **the event is SOLD OUT**. If you're thinking about going, you should make your reservation as soon as possible.

The cost is \$55 per person. The theme of this year's event is *Rotary on the Red Carpet*. Festivities begin with no host cocktails at 6 P.M. and dinner at 7 P.M.

Steve Solomon, the Annual Giving Chair for Rotary International in Evanston will be the keynote speaker.

DG Glenn Fong told us during his annual visit that it's going to be a great event.

Don't miss out. Contact **Mo** to make your reservation.

JOKES

PP Bob Spears told a joke which was way cute. He received a fine-free pass. **Jeff Donlevy** gave it a try but no fine-free pass for him.

Bocce Ball Social Event

On Sunday, September 27th, members of the Rotary Club of Foothill-Highlands had a social event playing Bocce Ball. The group met at East Portal Park in East Sacramento. **President Gene**, his wife, **Kathy** and their daughter, **Ashley**; **Patrick Magnani** and **Bob Spears**; **Marilee Monagan** and **Brent Seizer** and **Jeff Donlevy** and his wife, **Nicole** were paired off into teams. Bocce ball is an Italian and eastern European game played on a court that is 90 feet long by 12 wide. The object of the game is to get your bocce closer to the pallino (a smaller ball used as a target) than your opponents. The courts at East Portal were in very fast condition that demonstrated equal amounts of skill and luck. During some games, players have to use a tape measure to determine who is closer to the pallino. The games were exciting and close to the end with no "blow outs" in any of the games. The group enjoyed beverages, salad, some good pizza from La Trattoria Bohemia followed by a huge carrot cake. The interaction was great and the social aspect was enjoyed by all. **Bob** and **Brent** displayed the highest levels of competition rolling the balls with skill and grace while **Gene** and **Jeff** tossed their bocce balls more like cannonballs. Everyone was looking over their shoulders at **Lily Donlevy** (age 5) and **Anthony Magnani** (age 5) who would bring out the measuring tape to see who was closer. The consensus of the group is that a bocce social event in the future would be enjoyed by all other members of the club.

HIGHLIGHTS OF THIS WEEK'S MEETING

Standing in for Program Chair **David Stone**, PP **Maureen McBride** introduced **Ray Ward**. **Ray** is a fellow Rotarian. He joined Rotary in 2007 as a member of the Rotary Club of Rocklin/Loomis Basin; and in 2010, he served as the club's President. He is currently a member of the Rotary Club of Fair Oaks. At the club level, he served as Membership Chair, Public Image Chair and the Club's Foundation President. At the District Level, he is currently serving on six committees including Chair of the Membership Committee and Chair of the 2016 District Conference. He has attended many training classes on Rotary membership issues. As he visits clubs throughout the district, he often notices these programs have not been translated so the average member can understand how or why they should use them. Because of that observation, he created a program to discuss why, if you believe in the Four-Way Test, you should be helping your club grow its membership. He's here today to discuss how we can create a bigger, stronger Club.

Ray began by talking about why more members make a better club. If your Rotary club is like most, membership growth is a constant challenge. One month you pick up one or two new members and the next month you may lose one. Even if your club is active and successful, some members will leave due to job transfers, career changes or for a variety of other reasons. That is why every club must be continually on the lookout for prospective new members. Not only does increased membership add to your club's ability to conduct effective service projects, but

additional new members bring fresh ideas and different perspectives. New members will expand opportunities for service both locally and internationally.

Ray then used the points of the Four-Way Test to illustrate how we can recruit new members.

Sing your praises. Don't be bashful about your involvement in Rotary. Whether at work or at play, talk up Rotary to those around you. You never know when you might strike a responsive cord with someone just waiting to get involved. Always wear your Rotary pin.

Excuses not to invite new members:

We are the right size.

I don't know anyone?

They would NOT be interested.

I am scared to ask.

How do we invite:

Tell stories.

Be Excited.

If interested, invite them to a meeting or to a service project.

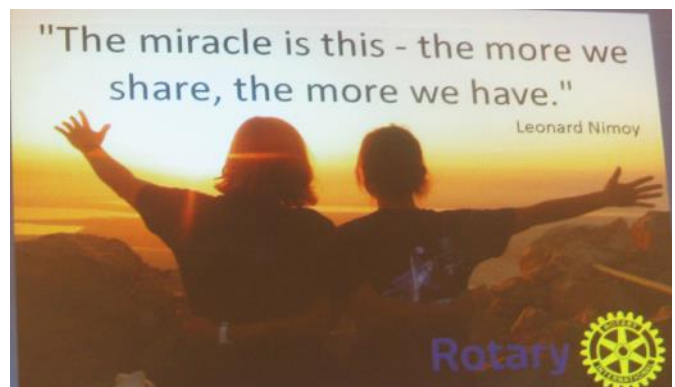

What We Should Discuss:

Local impact (not international—that will come later.)

Friendship.

Vocation.

Leadership.

Ray Ward and President Gene

As is our usual custom, **President Gene** presented **Ray** with a gift in gratitude for his informative presentation.

Then, **President Gene** asked us to raise our glasses and join him in a toast to *Rotary Around the World*.

The meeting was then adjourned.
