Rotary Club Of Natomas

We are a growing group of individuals who live or work in Natomas. Together we strive to live the motto, "**Service Above Self**" through projects that impact our communities and help bring hope to our world.

"What you get from Rotary depends on what you put into it...give Rotary a little of your time, talent and treasure, and it will come back to you ten fold."

- Dave Veden, member

Come Join Us For Breakfast!

We meet Fridays from 7:15—8:00 am at the Hampton Inn & Suites, located in North Natomas at 3021 Advantage Way in Sacramento, just minutes from the Sacramento International Airport, near Del Paso Road & I-5.

We are this close to ending polio.

Rotarians to date have immunized over 2 billion children around the world. With your help, we can wipe this disease off the face of the earth forever. Help end polio now.

Archbishop Desmond Tutu

Nine Reasons to Join Our Club

1. **Fun Meetings.** There was never a better reason to say "TGIF" than Rotary. Members tell jokes, tattle-tale to our club "Sheriff" and often indulge in their senses of humor. Guests frequently comment that they'd never heard so much laughter that early in the morning.
2. **Mix Business with Pleasure.** Long time Rotarians will tell you that the best people to do business with are other Rotarians. Participating in club projects and events, you build relationships with people whose expertise can be a trusted resource for you, and vice versa.

3. **Speakers.** Our weekly speakers come from all over the region, and sometimes abroad. Get insider's views from experts in politics, sports, the arts, education, business, medicine, law, international service and more.
4. **Community Outreach.** Annual activities include providing dictionaries to local third graders, sponsoring and judging a student speech contest, forming a team for the Relay for Life, and helping with food and toy distribution during the holidays. We encourage members to propose other service projects, and often support those projects with manpower and money.
5. **International Service.** Our club has finished projects in the Philippines, Bolivia, and Peru. We have also teamed up with other Rotary clubs around the globe to help eradicate polio from the earth, provide mosquito nets in Africa, help with emergency assistance after natural disasters, and many other health, hunger & humanity based projects.
6. **International Relations.** We are expanding our vision to include hosting foreign exchange students and proposing candidates for Rotary's Vocational Training Team (VTT), which allows professionals 25-40 to travel and study as a team abroad. We also help host Rotary VTT teams visiting the United States.
7. **Social Events.** Our annual wine tour is a popular social event, and so are the happy hours, murder mysteries, and summer BBQs. Members and guests look forward to our annual demotion dinner each June, where we roast our current president...a true bash no one ever wants to miss.
8. **Civic Pride.** We often bestow awards to local teachers, firefighters, and police.
9. **Philanthropy.** The Rotary Club of Natomas Foundation is a separate 501(c)3 entity and was established in 2009 to provide scholarships to local students. We also contribute to The Rotary Foundation, which to date has raised \$223.8 million.
