Orange Peel

District 5180 Oct. 1, 2021 Meeting

Welcome

--Our Speaker Ken Spencer

Announcements

- --Coffee with a Cop at Paisley Café on Thursday was a success. Thank you to **Bert S. & Joni C.** for helping to host the Rotary Booth. Join us for Breakfast cards were handed out to several people.
- --Mark your calendar for June 4-8 for the Rotary International Convention in Houston. Need info? Talk to the Prez.
- --Oct. 9 is the Community Food drive to be held at Divine Savior Parking Lot from 9am to Noon. Four local churches are participating...Divine Savior, Fair Oaks Church, Redeemer Covenant Church & Life Center. If you would rather make a cash/check donation you can! That's what we did since we will be gone. The advantage of cash/check is the food bank can buy what they need at a substantially reduced amount rather than you just donating. Please consider this as the holidays are coming and the need will be overwhelming! As a side note to keep you informed on community happenings, Divine Savior Communal Meal Ministry still cannot do meals in the hall like we used to, so on the third and fourth Wednesdays, bagged meals are prepared and brought to the food bank. Wednesday is the day they serve late. So families can get bags for the number of people in their household and then just put their food away.
- --Oct. 30 is the District Foundation Dinner at the DoubleTree Hotel at Arden. Questions? Ask the Prez.
- --The installation of the Orangevale Organizations Sign is delayed as they need to do some grading before installation
- --You can now join Amazon Smile and name the Orangevale Rotary Charitable Fund. It's free! But a portion of your spending goes to the fund. Be sure to ask family & friends. Smile@amazon.com
- --Tom Cicchini gave the Prez. a lottery ticket. Worth \$1 and was donated to the Orange Can
- --Oct. 9 is the Cocktails & Candles at *Dianna N*. House! I understand it starts at 5pm. Her address is: 6805 Douglas Blvd. Apt. 83. This should really be fun, and could become an annual event!!!
- --The first Friday of the month is Food Bank Day....working, working! NOTE: The workers were *Prez. Dennis, Colleen A., Bert S., Jim B., Mike Mc., Steve B., Audrey SW., Russ & Lorie R.*

<u>Vocational Speaker</u>– **Don R.** was ready to educate on how to prevent germs and virus issues. He gave everyone a sample pack of a Scott Product (owned by Kimberly Clark) that works for 24 hours. It is unlike anything else on the market. The product breaks down with soap and water as well. If you have any questions regarding what you can do to be proactive when dealing with cleaning or other types of products, be sure to talk to Don.

<u>Prospector</u> – *Bill W.* was at the podium hunting for money... Oct. 24 is World Polio Day and November is (TRF) The Rotary Foundation Month, questions about EREY (Every Rotarian Every Year) means \$25 per member with the average per capita of \$100 per member, RYE (Rotary Youth Exchange) also came up. Ann H. is the brains behind that. If you haven't made a donation to the TRF (see above) since July 1, which is the beginning of the Rotary year...be on notice, that Bill is going to be looking at you. Mike Mc. Shared that Mark is going back to Oxford to continue the second year of his masters.

Our Speaker

Russ introduced our speaker, *Ken Spencer*. Ken is an independent Apple consultant. He is an absolute wealth of knowledge on all things Apple. He shared the benefits of a walking stick as we age. Balance becomes more of a problem especially when on uneven surfaces, because of the loss of nerve endings in the ear. This walking stick gives the illusion of greater balance. Broken hips are the number one reason for seniors beginning the downward spiral. His focus was on the support your Iphone can give both seeing and hearing-impaired people. There a number of options on your phone under the general tab/accessibility. If you have questions on your phone, you can always ask Ken!

<u>Raffle</u>

Sean P. decided to rummage around and found the Orange Ball worth \$185. Next meeting we start over.
