Vocational

Don M. headed up the program. He met Cindy in law school and married in May 1989. His specialty is Wills and Trusts and Probate. There's a lot to be said about Trusts. He saves a lot of headaches for the person who follows you. It can easily take over a year to settle things!!! What you pay Don to set everything up is well worth the money. Oooooorr...you can pay him a percentage of the estate to clean up after you. Russ and I have used Don since the early 90's. I will say, he is a pleasure to work with...very understanding and helpful.

Prospector

Russ filled in for Sue Frost. He did all sorts of Halloween questions. He made Rob free for donating the basket to the turkey bowl, then tried to fine a few moments later. What percentage of costumes sold are for adults.....62%. Gross sales total, \$310 million. Happy fines...Dennis S. for \$20 for new car, Tommy \$20 for baseball loss.

Speakers

Our guest speaker was a no-show, so Don and Tommy presented on Trusts and Banking with a trust. If you have a checking account and change the name on the account to the name of the trust, you can most times keep the same account number. We were warned that many accounts, investments, life insurance policies and other things should have a named beneficiary. Non-Citizens cannot be named as a trustee. If you have any questions be sure to ask them!

Raffle

With 9 balls and \$37 in the pot **Janet** managed to find the white one! Humph.....there were only three tickets in the pot...all hers. We gotta do better at buying tickets.
