Speaker

Jeff Duvoll, hails from the Rotary Club of Point West. He is involved with an international project called Camp Hope which our club is supporting. He supports an extremely impoverished area in Baja Mexico (about 200 miles south of TJ) near the Pacific side. Volunteers try to help with overwhelming health needs but they also try to help kids who drop out of school, teaching kids also about Human Trafficking and addictions. They also teach workshops on leadership and

employment. They are really helping to break the cycle of poverty. Over 600 volunteers go over the summer. All skills are needed. If you're interested in traveling there. Russ has his contact information

Raffle

With 10 balls and \$38 in the pot, **Steve** missed his chance. Just as well, it wouldn't have covered enough of what a meal cost in Hawaii for an entire family!
