Vocational

Phyllis talked about her journey through women who enjoy weight lifting. She was funny and inspiring as she told her story...from 40 pounds to 165! Talk about amazing. She goes on Tuesday and Thursday and has buddies she works out with for support. That makes all the difference. Thank you for your encouragement, Phyllis.

Prospector

Deanna decided to fine everyone \$2 since she was still catching up from the crab feed. Happy Fines came from Barry (retirement), Janice, Steve (Hawaii) and Tommy.

Speaker

CalsTrs were our speakers talking about the Teachers Retirement Options. Very informative. Sorry, I forgot to take a picture of our speakers this week.

With 9 balls and \$53 in the pot **Jim** managed to find the...white one. Boo Hoo.....

Next Week

Thought for the Day

For February...“Everyday is a day for love. If you can't find someone to love, begin with yourself and you will quickly see who needs YOUR love.”
