

# Orange Peel

Rotary Club of Orangevale

District 5180

April 22, 2022 Meeting

## Welcome on Zoom

--Sue Frost

Welcome

--Mitch (sort of before he moves), Janice Howarth

## Announcements

--**Prez. Dennis** shared a thank you note from Suzanne, our speaker a few weeks ago, from Growing Past Today.

Remember, we are collecting tampons for the girls of the area. Please bring to the meeting this week or give me money and I'll get them for you!

--We are dark next Friday, HOWEVER, **Deanna** sent out a note to meet at Badfish coffee for pop up coffee. 7am I believe.

--The first meeting of May will be a club assembly. Chairs are asked to be prepared to meet in groups. This will be our last one for this Rotary year.

--Go See!!! The website is new and improved....only way to know what has changed is to go see!

--**Bob Kurtz** said he will be doing head shots for the next Rotary year per **Prez. Elect David's** request. Be prepared!

--Steve Blair reminded everyone that the exercise equipment is being installed on Saturday...see picks from many sources

--Big Day of Service is approaching. **Steve** will keep everyone in the loop and what we are doing. It's always a fun day.

--May 6 is Food Bank Friday. If you haven't yet worked a morning this Rotary year, please do. That is assuming your schedule can allow day time work. The families are all very grateful!

--A card was passed around to send the family of PDG Brian Moore. He passed away Easter morning from cancer. Brian was a people person who during his year as Governor made many changes to show club presidents how important they were to Rotary. He will truly be missed...as a great man.

--**Bill W.** presented a PHF to Brianna who is our outbound student this summer. It was gifted by **Ann Hively**.

## Fundraiser Notes

--**Don R.** said the wine sold out in one hour! Thank you to everyone who donated. Your support is greatly appreciated.

--279 tickets sold

--2 turned away the week before, 2 the day of and 7 extra meals at the end were sold (remember, the date was set in stone in advance)

--Adrian Blanco appreciated the fun of the event and was absolutely impressed with **Bryan Daniel's** jewelry box

--There were 546 jelly beans in the jar and Rich Rolph (a former member) selected 545. He donated \$50 back to the club

--Russ special thanks to **Dennis, Don R., Audrey and Lorie**

--We raised over \$8400

Prospector --**Catrina** hunted for money... After the usual pin/badge check she moved on to no pin at the fundraiser, Tommy was fined for interrupting. Happy fines were paid by Mitch (house sold), Audrey (special Olympics), Lorie (granddaughter from Portland visiting for weekend), Jim (music), Joni and Deanna.....\$30 offered for Brad to be next month's prospector and no chance for him to get out of it. Too funny....the face he made was priceless!

### Guest Speaker

**FFA (Future Farmers of America)** was in the building. Casa Roble is the only school in the SJUSD to have such a program. Kids involved learn many skills and educational classes. They participate in the Sacramento County State Fair which is like the super bowl of events. It is held in May. The program raises, pigs, beef, chickens as well as plants. It was all very interesting and what an awesome chance for kids to learn something different. They shared lots of numbers, how big pigs should be for the fair, what they generally sell for. So many details. They were delightful to have.

### Raffle

With 4 balls and \$146 in the pot, **Audrey** found the...orange one. So, it's a new beginning in May!

### Upcoming Speakers for April

- April 29 – Dark
- May 6 – Club Assembly
- May 13 – Steve Blair & Mike McKibbin (Rotary House)
- May 20 – Nick Anderson (Orangevale Farms)
- May 27 – Aileen Hidalgo (Toastmasters)

### Jobs for Next Week (May 6)

- Greeters – **Dezy & Lorie**
- Invocator – **Lorie**
- Vocational – **Dezy**
- Raffle Ticket Seller – **Audrey** (be there at 6:30am)

### Note from the Editor:

Sorry for no newsletter the week before. I was way too busy helping on the fundraiser. I've included the pictures however for you to enjoy. Notes about pictures...Steve Blair receiving a Rotary shirt from Dennis for outstanding candy sale, Cindy Morris, vocational speaker talking about Bankruptcy, our speaker Mark from the Orangevale History Project, and Catrina reaching for the orange...oops white ball. Thank you Bob.

Thought for today...

***“To make a difference in someone’s life, you don’t have to be brilliant, rich, beautiful or perfect. You just have to care.” –Unknown***

Pictures following thanks to ***Bob K., Prez. Dennis & Patty Wolff, Don R.***

Brian Moore  
May He Rest in Peace
