Vocational

Dennis shared some of his adventures in the 15 years he served with the California National Guard. He talked about support for the fire fighting wing which is always called upon in the summers to fight forest fires. A very needed organization

Update

David shared a recap of his year. There were 6 bike trail clean ups, 12 months of working at the food bank (that was over 750 hours of volunteer time), Christmas Basket Program, District Grants. Overall, there were 425 participants over the year and over 1300 service hours. Whew!!! Thank to all of you!

Prospector

Bill was ready! He continued his TRF questions....some people knew and some members did not. Guess we could all learn more. After happy fines, we all sang happy birthday to Audrey!

Speaker

Randy Davis is one of the owners of Mode Brewery. He has always been interested in food and prior to opening the restaurant, operated a food truck which many of us enjoyed over the years. Despite many hassles, he was able to open, with special thanks to Sue Frost who helped eliminate a last-minute crisis by the county. I strongly encourage each of you to go there. There are picnic tables in the back, great food and “sharables” to enjoy. Home brewed beer as well...made by Randy’s brother-in-law. They are open Wednesday to Sunday...check their website for hours each day.

Raffle

With 9 balls and \$62d in the pot **Bill** managed to find the... white one! More changes next week.

Thought for the Day
