Club Assembly #2 (carry over from previous meeting)

--Vocational – Russ & Cindy are looking for recommendations for Health Care Professional Award
--Membership – Audrey said while we are always looking for members, remember quality members!
--Foundation – Bill reminded members about Rotary Draft. It's the easiest way to add to your PHF. Tommy presented Bill with a check for \$100 to be a Polio Society member. FYI...just \$100 per year....
--International – Bryan said he is working on Microcredit loans, primarily in Africa. More info to follow.
--Public Relations – Catrina said they are looking for pictures for the club website. Be sure to share with them any terrific photos from parties, work projects, etc.

Vocational Speaker

Mairy stepped up to the podium and shared that while she and Richard are really enjoying traveling in their RV...8 weeks and 8 states, her newest passion is Ancestry. She is researching her tree and Richard's. So much history in old records.

Prospector –Catrina smiled at the podium. She then hunted the members for money... Not dressed for Aloha Friday, pay up! No photo of yourself on clubrunner....money, money...(note, get it done before this Friday or the second time for this lady will be a breeze! Mike McKibbin paid a happy fine for his son Mark coming home after a year abroad. Birthday songs were sung...one for Rob and another for Tommy.

Our Speaker

Sean LaTour-Jarquin of Project Lifelong. Though he studied liberal studies, his passion is empowering youth through non-traditional sports...i.e. skateboarding. He shared how kids can help other kids, how it allows kids to be kids with like values and hopefully out of trouble. Excellent presentation with local help for all our kids!-

Thought for today regarding the raging fires...

“A house you can rebuild;
a bridge you can restring;
a washed-out road you can fill in.
But there is nothing you can do about a tree but mourn.”

-- Louise Dickinson Rich, *We took to the Woods*
