Announcements

--**Prez Dave** – Second Crab Feed Committee Meeting on Aug. 31 at 6:30 at Dave’s home. Pot luck. If you’d like to be involved, text Dave and let him know you are coming.

--**Deanna** – Great turn out at the Farmer’s Market. Thanks to everyone who came and helped make it fun.

--**Don R.** – Sept. Rum Tasting at Mairy & Richard’s home. Date to be confirmed. October will be the Wine Train, again date to be confirmed. \$74 per person or \$31 if Designated Driver. Tickets must be ordered in advance.

--**Lorie** – Flyer for the Community Food Drive on Oct. 15 has been passed around every week. By now it should be on YOUR calendar. It will be at Divine Savior. So far it includes 11 churches and 8 community groups. Last year over 19,000 pounds of food was collected. This year the need is even more because of inflation. We are seeing more Seniors every month who just can’t make it. Please do your share...donate and work.

--**Audrey** – there will be a shred event at Barry’s place on Sept. 22. \$10 per box. Money goes to Orangevale HART. Questions...ask Audrey.

--**Russ** – a plea came from the Counselor at Carnegie Middle School. Russ asked for 10 volunteers to donate a \$20 bill for an at risk teen who walked 2.5 miles every day to and from school. Our granddaughter Kate who works at Walmart offered to give up part of her lunch and meet us to use her discount. We spent \$204.56. Bought the bike (on sale), helmet, lock and 2-year warranty. Thank you to the 10 members who supported this child. Russ was amazed within seconds of asking, hands flew into the air. This scribe, couldn’t write fast enough!!! See pictures.....

Vocational

**Phyllis** was our speaker. Always funny, she shared how on her travels she became interested in Curling, you know, the Olympic that most of us had never seen until a few years ago! Anyway, she found a friend as crazy as she is and went to Skatetown in Citrus Heights for an introductory lesson. She shared that the people there was fun and informative. She shared that the “thing” is 44# called the Rock, and the Circle that your are to strive to get your “rock” into is called a House. All in all, good fun and photos too!

## Prospector

**PP Russ** started with an easy one...**Jeff** celebrated his 38<sup>th</sup> Wedding anniversary (congrats!). People who signed up for the Farmer's market but weren't there...another easy target. Also, people who were there but had no Rotary shirt or pin on...**Rob, Kirk, and Don W.** (just for fun so Audrey paid). **Jim** for having Covid and missing some meetings, **Don G.** for his phone making noise. People who brought food for the Food Bank were fine free. **Joni** celebrated a birthday....happy, happy to youuuu! **Sue** for being in the DAR and now **Russ** paid a happy fine for being accepted into the SAR. **Ann** paid for being late to the meeting, **Deanna** paid for enjoying her stick welding class, though it's not as easy as it looks. After some bantering, **Janice** who was traveling in Texas is the next Prospector....see what happens when you miss a meeting!

## Speaker

Our guest speaker Edward Jones is a Life Coach. An absolutely delightful speaker, he shared how we need to see and act differently...but first we must learn to think differently. He talked about change in the workplace, more specifically, office politics and relationships, clicks and gossips. All breed a we/they mentality. He expressed that we need clear expectations. That a commander should really be a "servant leader". What is really demoralizing in the work place is when a boss sees things are wrong, but does nothing. This causes employees to question everything and fosters the we against them. He shared that we should look inward, change our attitude...more importantly...know everything you tell, but don't tell everything you know.

## Raffle

With only 7 balls and \$116 in the pot, **Jeff** missed the orange. Oh well, better luck next week.

## Thought for the Day

"You never really know the true impact you have on those around you. You never know how much someone needed that smile you gave them. You never know how much your kindness turned someone's entire life around. You never know how much someone needed that long hug or deep talk. So don't wait to be kind. Don't wait for someone else to be kind first. Don't wait for better circumstances or for someone to change. Just be kind, because you never know how much someone needs it." --Nikki Banas
