Announcements

- Sydney Anderson from OV Helping Hands was at LaPlacita for the Salsa Kick Off. It will be tonight at LaPlacita. Should be fun. Starts at 6pm. Good Day Sacramento was in attendance. Sure made for a lively and fun meeting. Sue, Brad, Sean & Jeff was the official tasters for the news clipping. Patty and Ray and David showed off their Salsa moves!
- Board Meeting on Wednesday...you all know who needs to go. But everyone is invited if you need a make up or looking to see what's going on. It will be at the Chamber at 6pm.
- Crab Feed Meeting is on Thursday, Aug. 18 at David Shepard's home. 6pm start. Again, we need new blood for this event if we want it to succeed. Questions....talk to Russ. Just remember, if you're not involved, you can't complain.
- Don G.** – Aug. 16 is the Dine Around, Aug. 27 is the Corn Hole Toss at the home of Joni & Mark Cyr. Bring a libation and snack to share. Sneakers recommended as we will be up on the hill. 6pm start. Don passed around an interest sheet for a wine/train ride in September or October. Talk to him if interested.
- Lorie** shared that she and Russ are planning a cruise next year in the fall to Greece and the Holy Land. If you have interest, they will put you on the info list. Holland America. October 1-15.
- Marcus Arnold** of Divine Savior shared that there will be a [community wide Food Drive](#) for the food bank. It will be Oct. 15...8:30am to noon. The club is asked to help staff it. So far 8 churches are joining in. This will be the third year. First year 6,000 pounds of canned food were donated, second year 19,000 pounds and this year should still be higher. With Thanksgiving and Christmas coming up the food bank will be overwhelmed. So everyone is asked to help, even if only for an hour. The community is depending on us.
- Steve** – the club bank accounts have been changed over, the new bookkeeping program up and running, so hopefully all the bugs have been worked out. Thank you all for your patience. Dues are billed twice a year, July and January. Meals are billed every three months. Be sure to let our secretary, Plyllis know if you have a make up for either meeting at another club, committee meeting or club service project!!!

## Vocational

No Vocational Speaker as the agenda was packed full!

## Prospector

**PP Russ** picked on those who did not attend the bike trail and missed the donuts. Speaking of donuts, Mike McKibbin was fine free because he brought the donuts! He moved on to pin/badge check and mentioning who was celebrating birthdays....so we could sing, of course. Rob and Tommy received our most ungracious singing. Jim Buntin shared that he and his beautiful wife, Joan, celebrated 58 years of wedded bliss.

## Speaker

Our guest speaker was Jimmy from the FBI to talk about Fraud...what it can look like and trends on what is happening more frequently. He talked about hackers...who like to keep things easy. Always be mindful of anything that comes in your email. Click on the sender's name which will show you their email address. Got something, for example, from Costco. Be sure it came from Costco. If you're still unsure, call Costco and verify the email, especially if the email "seems strange". In Sacramento alone, there was over \$10 million in fraud in March! Yikes! Sometimes you will see something funny like click to see a dancing pig. Beware, it could be something to capture your email information. Elderly and young people are especially vulnerable. Face Time is especially bad. Oh, we all want to know what's the deal with "Your car warranty has expired". It's fishing for your financial information. He has lots of valuable information and I hope he comes again. There was much to learn!

## Raffle

With only 9 balls and \$47 in the pot, **Dianna** tried to "grab" the orange ball, but after trying for real, only got a white!

## Jobs for Next Week

## Thought for the Day

The secret to a **Good Life**...is never stop...smiling, dreaming, loving, hugging, holding, searching, thanking, feeling, learning, playing, laughing, thinking, wishing, forgiving, healing, expressing, appreciating, believing, cherishing, creating, hoping, living. *--Anonymous*
