Farewell To David Paige

David is moving to Sherman, Texas. So the club will also lose not only his support, but he was the Dodger Fan! He was presented with a card signed by the club and a custom crafted pen made by Bob Kurtz. He talked about his friendships here, the welcoming he received 5 years ago, sharing of common goals, the support offered when Waldi was fighting breast cancer and the support of Vets. God Speed on your travels. Our door is always open to you!

Vocational

Dianna Newman shared her love for her hobbies. She is heading up the club event called Cocktails & Candles. If you are attending, be sure to pick up your own "scent". She suggested Michael's or Hobby Lobby. She is still requesting wine bottles, whiskey bottles or old fun coffee cups. It promises to be a fun event! Date is Oct 9 or 10.

Prospector --**Don Glover** enjoyed a pass this week as there wasn't enough time. So be prepared for next week!

Our Speaker

Steve Turner introduced Desiree. She has been involved all around the district. Human Trafficking, International Service and served on the board for Highway Patrol. She is the past president of Point West Rotary Club. She was involved with our club many years ago when she owned the Hallmark Store in Cable Park. Past President Betty Olson would often visit her and invited her to join the club. Unfortunately, she didn't live in the area and the 7am meeting was way earlier than she wanted (I cannot imagine why). She often donated items like unusual Beanie Babies for our fundraisers. She talked about our theme for this year...Serve to Change Lives. Things like the food bank, Rotary House of which this club is a charter club to be involved in this valuable project...and Shelter Box. She talked about Super Heroes. I was given the award for this club as a Super Hero. I am truly humbled. Thank You Dennis S. She is doing a bike ride for Polio and donations are matched by the district, and Rotary International. Great bang for your buck. The district conference will be April 29-May 1 at the Montbleu Casino in Tahoe. It is always a blast and I strongly invite all members to consider attending!

Upcoming Speakers for September

- Sept. 17 --Folsom Pioneer Village, Sumner Howes will be sharing the trip to the West. Should be a fun one as they come dressed in costume.
- Sept. 24 is HART of Orangevale & Fair Oaks. Brenda Epperly will be our speaker.
- Oct. 1 is Ken Spencer. He always talks about fascinating Iphone information and the latest apps.

Fundraising

--Several meetings as we try to come up with game plans to raise money without the crab feed. It is really important for members to keep an open mind to new ideas. Nothing is perfect, but we are trying!

Raffle

--With 6 balls and \$130 in the pot, **Bert S.** had her lucky number drawn. But no money honey.....
