President Barbara's final speech of her 2015-16 year.

"Dear Rotarians, Honored Guests, friends and family welcome to Rotary Seminyak's Handover Gala Dinner in the beautiful ballroom of The Trans Resort Bali. Thank you for being here to share the experience. Our club has 13 different Nationalities and it's been my signature at Lunch Meetings to greet members in their own language.

*Good evening! G'day.....Selamat malam, Bonsoir, Buonasera....
Goedenavond, Guten AbendKonbanwa..... Gueten
Oobe,dobro več*

*Another tradition we have.....Please turn to your neighbour and
Say a BIG ROTARY HELLO ..." Remembering.... There are no
strangers here only Rotarians friends we are yet to meet"*

-The Four Way Test to be read by VP Dr. Leith

It has been a wonderful year for Rotary Seminyak and with your help we have been able to give back to the Community in a meaningful way.

In particular, I am very pleased we have grown the club to 56 dedicated members from 48 in July 2015. It is currently The Largest Club in Bali today. We have maintained our healthy financial position and our club is in good shape and currently one of the best performing clubs in Bali. We are Vibrant, Diversified, Generous and filled with Active members willing to go the extra mile. I am very proud to have been given the opportunity to Serve our Club, the Community and Rotary International. Our Annual TRF (Rotary Foundation giving) has reached record territory this year) and I expect that number to grow in the future.

Thirteen of our members achieved 100% attendance and many Rotarians and Friends of Rotary will be receiving Certificates of Appreciation for their incredible dedication to Rotary's good work this evening.

There is much more to tell you about our club, but it will be screened after our Banquet Dinner in the 8 minute movie" YEAR IN REVIEW" that Chair of Admin Rtn. Tim Cameron has prepared. Rtn. Tim is currently in Paris, working, and couldn't be here tonight.... as is Sec. John who is traveling with his wife Elizabeth. But I know they will both agree with me, that the year has been FANTASTIC for our club. With True Rotarian Spirit A very special THANK YOU goes to PN Alex and his Team at The Trans Resort Bali. Without their wonderful support and culinary professionalism our club would simply not be the same. President to be Marie Francois de Saint Priest d'Urgel and PN Alex will be our next two Presidents I cannot think of two more

worthy Rotarian to take the reins of our club and lead us forward. Congratulations.

I would also like to thank my fellow Board Members and in particular, VP Dr. Leith for his tireless work as SaA and wise and thoughtful advice throughout the year, Rtn. Jannell for taking the lead as our New Generations Chair and re-chartering our Bali Seminyak Rotaract Club.Rtns. Dr. Reny, PP Anita, PP Robin and Rtn. Jannell for launching the very successful DENGUE AWARENESS campaign. Rtns. Detlev and Lusi for their continued tireless efforts to help Mary Northmore at Yayasan Senyum through their almost weekly brunches at their home in Prerenan.... Service Chair and Treasurer, PP Raphael, and Global Grants Queen PAG Marilyn, Rtn.David, and VP Florian for their attention to the ClubRunner website, Admin and Laptop duty..... Sec. John for doing the Lunch Minutes and 16 Board Meeting Minutes throughout the year. Rtn. John is the quintessential English gentleman and I thank him for his fortitude and legal knowledge.....I must also mention Rtns. Oliver, Christian, Yuki, Tineke, Erika and Jeni for their active work in the field and Also A BIG BIG Thank you to ALL Rotarians and Friends of Rotarians that supported the Club this year.

Now it is my great pleasure to introduce THREE young ladies from the Stella's Child Entrepreneurship program: This year our club supported this program through a direct donation.

All three are involved with this amazing program and through it have gained the confidence and knowledge to enter the public arena. Tonight they have choreographed an original short program blending modern dance with traditional Balinese movement.
