

ROTARY:  
MAKING A  
DIFFERENCE

JUNE 2018.II

### The Rotary Grace

For food, friends, fellowship and the opportunity to serve, we thank you, O Lord. Make us ever mindful of those less fortunate than ourselves. Amen.

### The Rotary Four-Way Test:

Of the things we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendship?
4. Will it be beneficial to all concerned?

### The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service.

**Second:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his/her occupation as an opportunity to serve society.

**Third:** The application of the ideal of service in each Rotarian's personal, business and community life.

**Fourth:** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

## KIKANDWA HEALTH CENTER COMMISSIONED.

Kikandwa Health Center is the club's flagship project. The partnership between The Rotary Club of Kampala South, Drake University and The Rotary Club of Des Moines has worked together towards the construction of a modern health center.

With an Outpatient wing completed a year ago, the partnership pursued the construction of a maternity ward, which was completed early 2018.

The project was officially commissioned on Saturday, 9th June 2018, with all the project partners in attendance.

The guest of honor was the District Governor, Ken Mugisha.

We now bring you the pictorial as it happened at Kikandwa.

Dr. Sam Ssewagudde played a pivotal role in the implementation of the first phase of the Kikandwa Project. He is currently on study leave in Europe and missed out on the commissioning of the project.

Major Donor, Past President Joseph Baroraho was very supportive and involved right from the start of building the outpatients ward.

Past Presidents, Paul Muwanga and PP Susan Matovu having a hearty laugh with one of the club members during a past project visit.

A typical rotary health day commences with loading of drugs from the various partners, ready to treat and serve the community.

District Governor, Ken Mugisha, joined by President Rebecca Nambi, President Elect, Arch Dr. Ian Senkatuka and Vice President Peter Mukuru shared a joke just before the commissioning

Some of the activities involved donation of blood, an activity conducted by Mengo Hospital.

One of our own, Rtn. Cee happily donating blood.

Club Secretary, Rtn. Rita T, not to be outdone, happily donated blood too.

Club members attended the commissioning ceremony in large numbers. And the club was graced with visitors from several other clubs and friends of Rotary.

The event witnessed one of the biggest project visits, by numbers.

Over 800 residents accessed medical services that included blood tests, nutrition supplements given, weighing of babies, blood donation, counselling and medical checks.

A specialized nutritionist demonstrating the value of different fruits and vegetables to the Club President.

The DG, Ken Mugisha enjoying a light moment with friends and members of the Rotary Club of Kampala South after the commissioning.

The club's attendance Officer, Rtn. Paul Lubega, Commonly Referred to as "Rich Gang", together with Dr. Richard Kalungi of "Home Doctors" took time off for a photographic moment with a guest.

Service Projects Director, Rtn. Paul Muhame welcomes a guest during the Project commissioning.

Looking on is the Club's Past President, Rtn. Jane (JBL)

**Club members used various means of transport to get to Kikandwa.**

**Club ladies, share a meal after a long day of work.**
