Editorial Message

Three Decades and more of Service with Impact!

PP Esther Mwambu

“

As we mark yet another milestone in our journey of service, the Rotary Club of Kampala South stands tall as a beacon of enduring impact, innovation, and purpose. This year's installation not only ushers in a new leadership team under its 34th President, Faridah Namutebi, but also invites us to reflect on a rich legacy of transforming lives and communities for over 30 years. Our story unfolds in the oncoming pages.

From humble beginnings, our club has grown into a powerhouse of service — driven by committed Rotarians, bold ideas, and the enduring Rotary values of fellowship and service above self.

Over the past three decades and more, our club has delivered a tapestry of impactful projects spanning education, health, water and sanitation, maternal and child health, community economic empowerment and development; and environmental conservation.

We have impacted educational outcomes through scholarships, construction and provision of school infrastructure, as well as through mentorship. Our long-standing health camps and medical outreaches have brought care to thousands who had

little or no access to health services. We have brought clean water to communities through boreholes and sanitation projects, particularly through the WASH and solid waste management projects and initiatives; improving the health and dignity of vulnerable communities such as in Kyaka II Refugee Settlement in Kyegegwa, Western Uganda. And, environmental conservation activities are intertwined within our project implementation programmes.

What sets RC Kampala South apart is not just what we have done, but how we have done it. We have embraced innovation — from leveraging technology in service delivery, to forming strategic partnerships with like-minded rotarians and organizations, and constantly re-imagining how we engage communities for sustainable impact.

And, we have always done this with a heart — with friendship as the foundation of our fellowship and service. Our social events, signature Monday meetings, and annual fundraising events - the Annual Sports Gala, Independence Boat Cruise, the Karnival, Wine Festival and more, have created a culture of fun, generosity and unity within Rotary, that fuels our purpose. All these and more we celebrate in this

edition of our installation magazine, as we usher in our 34th President, Faridah Namutebi.

As we look ahead, we carry forward the momentum of our legacy with a renewed focus on “Uniting for Good” — the Rotary theme for the 2025/2026 year. This is our invitation to deepen collaboration, foster inclusivity, and harness the collective power of our members, Rotarians worldwide, partners and communities.

Our message to the incoming club leadership; we extend our support and encouragement. To our members — past, present, and future — thank you for making the last 30+ years a story worth telling. And, to our communities, know that we remain steadfast in our mission to serve, to innovate and to impact as reflected by our story in here.

This publication presents to you our plans for the next chapter of bold ideas, future lasting friendships, and even greater service.

Together, we unite for good. Together, we serve to change lives.

Good reading!

Introducing

President **Faridah Namutebi**

*A Conversation with the Incoming Leader of
the Rotary Club of Kampala South (RY 2025/26)*

I. Getting to Know Faridah

Beyond the Bio

While many of you know me professionally, there's more to who I am. I have a passion for travel and exploration - experiencing new places and cultures fills me with energy. Outside of work and Rotary, I enjoy connecting with people, mentoring others, and learning through shared experiences.

My Rotary Journey

My Rotary story began in high school as a charter member of the Nabisunsa Interact Club, sponsored by RC Kyambogo. Later,

while at Makerere University, I joined the Rotaract Club, sponsored by Council Moses Mwase. At the time, our focus was mostly on social events, like the MUK Zebra Cross project, but over time, I came to appreciate Rotary's deeper mission of service.

I went on to serve as President of the Rotaract Club of Kampala Central "The Rock," and I've been a proud member of the Rotary Club of Kampala South since 2008. Rotary has evolved from a social outlet to a central part of my identity - a platform for meaningful service, leadership, and connection.

Defining Moments in Rotary

Two moments stand out vividly. First, during a hospital stay, a group of Rotaractors organized a schedule to care for me. Their support and kindness gave me a profound sense of belonging. That experience reinforced my lifelong commitment to Rotary.

Second, attending the Rotary International Convention in Atlanta where Sam Owori was announced as RI President. Being in the same room with over 30,000 Rotarians - and even Bill Gates - was euphoric. That moment embodied the global unity and power of Rotary.

Impactful Experiences

Serving as Club Treasurer was transformative. The mentorship I received from professionals like 4P and Joanna Aber was equivalent to a masterclass in financial management. That role instilled in me a deep sense of integrity, responsibility, and leadership that I now bring into my career.

Attending international conferences and building friendships with Rotarians from diverse cultures has broadened my worldview. Rotary has not only impacted my professional growth but also deepened my values of service, humility, and fellowship.

II. Vision for Rotary Year 2025/26

My Leadership Style

I lead with collaboration, empathy, and transparency. I believe in empowering others by creating a space where every voice matters. Open communication, mutual respect, and shared ownership are the cornerstones of my leadership approach.

As President, I will ensure every member of our club feels heard, valued, and inspired to contribute to our shared mission.

Community Focus

Kampala South has always been a beacon of impact. I plan to strengthen this legacy by focusing on grassroots engagement and addressing the most pressing community needs - particularly in education, health, and youth empowerment.

Looking Back, Building Forward

I'm proud of the work our club has done in past years - especially the cohesiveness we've built and the impact we've made through initiatives like DisCon. In 2025/26, I will build on these successes by encouraging more active participation and expanding our community partnerships.

Vision and Priorities

- Raise \$100,000 in support of Rotary causes
- Achieve 100% Paul Harris Fellow membership
- Ensure at least 70% member participation in club projects
- Foster innovation in our service approach

- Deepen connections among members and with those we serve

III. Strategic Initiatives & Engagement

Member Engagement

I aim to make our club more inclusive and appealing to younger professionals. Through mentorship programs, leadership opportunities, and more dynamic club activities, we'll strengthen bonds and make every member feel like a vital part of the club.

Enhancing Impact and Visibility

My background as Head of PR, Brand, and Communication for the 99th District Conference has prepared me to elevate our club's visibility. We'll use storytelling, media, and partnerships to showcase the incredible work we do.

Fostering Partnerships

Collaboration is key. I envision stronger ties with other Rotary clubs, NGOs, and community organizations. By pooling our resources and ideas, we can scale our impact and tackle more ambitious projects.

Innovation and Growth

We must evolve to stay relevant. I plan to introduce new digital platforms for engagement, streamline project management, and explore hybrid meeting formats to accommodate diverse needs.

IV. A Message to the Club

As we step into this new Rotary year, I am filled with hope and determination. Rotary has given me a platform to grow as a leader, to serve with purpose, and to connect with incredible people like you.

Let's make this a year of bold action and deeper impact. Let's focus on meaningful service, strong fellowship, and shared growth. I invite each of you to step forward, bring your energy, your ideas, and your heart. Together, we will uplift communities, inspire change, and leave a lasting legacy.

Thank you for your commitment to Rotary. I am honored to serve alongside you - and I'm excited for the journey ahead.

Francesco Arezzo of Italy selected to be 2025-26 **Rotary International President**

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025-26. Arezzo will become president on 1 July.

The Board conducted a special session following the unexpected resignation of RI President-elect Mário César Martins de Camargo on 8 June. Guided by the RI code and policies, the Board selected the new president-elect from a pool of candidates who were considered by the Nominating Committee for President of Rotary International in August 2023.

The 2025-26 presidential message, announced at the 2025 Rotary International Assembly in February, will remain Unite for Good, which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

Arezzo is an orthodontist in private practice. He is active internationally as a member of the Italian, European, and American orthodontics associations. He is vice president of the National Association of Italian Dentists for the province of Ragusa and was the founder and head for seven years of the delegation for Ragusa of the National Trust for Italy. He is a Knight of Honor and Devotion in Obedience within the Sovereign Order of Malta.

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Arezzo is a Major Donor and Benefactor of The Rotary Foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

— 14 June 2025

Message From

Geoffrey Martin Kitakule
District Governor D9213

Let's Unite For Good

Dear Rotarians and Rotaractors, as we look forward to Rotary year 2025-26, we embrace a timeless concept: unity in our efforts to do good.

In today's fast-paced and often divided world, it's easy to get lost in the noise and feel disconnected. But there's one truth that we can all agree on—when we come together, we have the power to create positive change. As Rotarians, together, we possess the unique ability to inspire change, uplift one another, and create a ripple effect of kindness and compassion in our world.

The first key to uniting for good is recognizing that we are all connected by a shared purpose. We want to live in a world where kindness, compassion, and opportunity are accessible to everyone. A world where inequality is challenged, where environmental sustainability is a priority, and where peace and love triumph over conflict and division. This is the vision that can drive us, but it can't be achieved alone. It requires each of us to come together, to contribute our unique talents, perspectives, and ideas. The most significant accomplishments have arisen not from individual efforts but from collective action. When people unite, they become a force that can overcome even the greatest challenges. Whether it's fighting against injustice, reducing poverty, or caring for our environment, the path to progress is paved with unity.

In our diverse Rotary community, we each bring different experiences, backgrounds, vocations and perspectives. This diversity is our strength. By coming together and embracing our differences, we can innovate solutions that make a difference in the communities we serve. Let us remember that when we unite for a common purpose, we amplify our voices, resources and in the process enhance our impact.

Each of us has causes they care about most deeply under our seven areas of focus. Now imagine the possibilities when we join hands—when we share our time, talents, experiences and resources. Together, we can plant trees to avert climate change, run to get rid of cancer in our society, fundraise to save our children from malaria, support our schools to improve basic education, advocate for the vulnerable and promote peace, rally people to donate blood, and promote economic empowerment, enable access to water and improved health for our mothers, and most important save our future generations from Polio. The good we do for others reflects back on us, creating a community where everyone feels valued. **commitment**

I know that uniting to do good isn't always easy. It requires , forgiveness, empathy, and understanding. We may face obstacles, disagreements, or differing opinions or tribal or religious cultures or even support different football teams for that matter. But it's crucial that we approach these challenges with open hearts and minds.

By engaging in constructive engagements and seeking common ground, to create long lasting partnerships.

Let us also not forget the power of small actions. Every kind word, every helping hand, every shilling donated to the foundation can spark positivity and hope. You don't have to wait for a grand event or significant moment to take action. Each one of us can make a contribution and together, those small actions can lead to extraordinary outcomes.

I urge you all to think about how you can contribute to this cause. Let us commit to working together to create a better future for ourselves and for generations to come. The road ahead may not always be smooth, but with unity, we can navigate any obstacle and spread goodness far and wide. And let us invite others to share in this goodness to grow our membership for it's the foundation that starts it all. With more members we shall together create a world where kindness prevails over hate, where understanding triumphs ignorance, and where our communities will thrive.

So, let us unite for good. Let's put aside what separates us and focus on what can bring us together. Together we can—and we will—make a difference.

Message From

Ibrahim Kasirye
Assistant Governor

Lead Kampala South in a New Era of Service: **From Rotaract to Rotary President**

The installation of President Faridah Namutebi as the 34th President of the Rotary Club of Kampala South marks not only a significant milestone for the club but also a promising future for Rotary District 9213. As the largest club in the district, Kampala South holds a pivotal role in shaping the landscape of service and leadership within the Rotary community during the 2025/2026 Rotary. President Farida's ascension, particularly as a former Rotaractor, underscores Kampala South's commitment to cultivating leadership from within its ranks, a testament to its dedication to nurturing future generations of Rotarians.

The Rotary Club of Kampala South's influence extends beyond its membership numbers. The club has consistently demonstrated a proactive approach to growth and innovation, notably through its role in mothering new clubs, including theme-based new clubs. This commitment to expansion is vital for

extending Rotary's reach and impact within the community. I encourage the club to continue these mothering instincts. These highlight the importance of fostering new initiatives and supporting the development of specialised clubs that can address specific community needs. This proactive approach to growth ensures that Rotary remains relevant and responsive to the evolving challenges facing communities.

It is worth pointing out that the Rotary Club of Kampala South has distinguished itself through its embrace of digital tools. The club's adept use of technology to document service activities and also raise awareness among members and the wider rotary family exemplifies its commitment to transparency and effective communication. This digital proficiency has not gone unnoticed, as evidenced by the numerous accolades received by the club over the years. By continuing to champion digital innovation

and mentoring other clubs in this area, Kampala South can play a crucial role in modernising Rotary's operations and enhancing its ability to connect with a broader audience.

From the Rotary Club of Kampala North, my home club, I look forward to those joint informal fellowships and the continuation of the joint organisation of the annual singing and dancing competition. Finally, looking ahead, I look forward to interacting with the members of the Rotary Club of Kampala South during the year. I pray for a 100% registration and attendance for 101st District Conference and Assembly (DCA) in Entebbe in April 2026 as we celebrate a wonderful year of service under the principal, Governor GK.

Ibrahim Kasirye

Assistant Governor 2025/2026

Message From

Faridah Namutebi

President
RY 2025-2026

Dear Fellow Rotarians, Rotaractors and Guests

As we embark on this new Rotary year together, I am filled with excitement and optimism for what we can achieve. Rotary's mission of service above self and our shared commitment to making a positive impact in our community and around the world unite us. The Rotary Club of Kampala South has a proud history of service and a dedicated membership, and I am confident that we can build on our past successes to accomplish even greater things this year.

My vision for this year is to strengthen our club's impact through collaborative projects, innovative initiatives, and increased community engagement. I encourage each of you to actively participate, share your talents, and embrace the true spirit of service.

I hope to inspire you all to grow both personally and professionally through your involvement in Rotary. Let's

focus on projects that not only address critical needs in our community but also provide opportunities for us to develop our leadership skills, expand our networks, and deepen our understanding of the world.

This year, I want to emphasize deepening our connections with the people we serve and creating opportunities for our members to connect with each other. Together, let's work to identify the most pressing needs in our community and develop innovative solutions to address them. I encourage you to participate actively in club events, volunteer your time, and reach out to your fellow Rotarians.

Together, we can make a lasting difference in the lives of others and create a stronger, more connected community. Thank you for your unwavering commitment to Rotary. I am excited to share this journey with you, and I look forward to working alongside you to create a brighter future for all.

Together, we can make a real difference in the lives of others.

Close Out Message from *Anne Nkutu*

Past District Governor D9213

Fellow Rotarians,

As we turn the page to a new Rotary year, I extend heartfelt congratulations to the outgoing Presidents and leadership of Rotary Clubs across District 9213 for truly being magical and making Rotary Simply Irresistible.

Through steadfast commitment, the year has recorded remarkable achievements in membership growth, impactful service projects, and generous contributions to The Rotary Foundation.

You have been magical in energizing your clubs, inspiring your communities, and uplifting countless lives. Your projects have touched lives far and wide, and your work stands as a beacon of what passionate Rotarians can achieve when they lead with heart and purpose.

To the incoming Presidents, I welcome you with great optimism and encouragement. This new Ro-tary year invites us all to “Unite for Good.”

I urge you to build on the legacy of success you inherit; not just as milestones, but as strong build-ing blocks for an even more united, effective, and compassionate club.

As you embark on this journey under the able stewardship of District Governor Geoffrey Martin Kitakule, may you find strength in the solid foundation laid before you to unite members in pur-pose, service, and fellowship.

Let us be a Rotary that is united in amplifying impact, advancing peace, and transforming communi-ties, as well as a leadership that inspires collaboration, inclusiveness, and innovation.

May we move forward in Rotary service, hand in hand, heart to heart.

Anne Nkutu

District Governor 2024–2025
Rotary International District 9213

LIVE AT

9

NBS Television's Live At 9 news bulletin, airing nightly at 9:00 PM, is a flagship program renowned for its comprehensive coverage of local, regional, and international news. It features a diverse mix of political, economic, social, and sports news, complemented by in-depth analysis and commentary on significant stories. The bulletin includes expert opinions and discussions, known for its investigative journalism that delves into pressing issues affecting Ugandans. With high production standards and professional presentation, Live At 9 encourages viewer interaction through social media, making it a key source of timely and relevant information for many Ugandans.

Reflecting on Our Collective Journey

Dr. Samuel Sewagudde

**President
RY 2024-2025**

**Year of Impact:
Reflecting on Our Collective Journey**

It's with a heart full of gratitude and pride that I reflect on what has been an extraordinary year. Twelve months ago, we embarked on this journey, with a vision for growth, impact, and a healthier club. As we prepare to hand over a healthy club to President Faridah Namutebi and her formidable United-For-Good team, let's take a moment to celebrate our collective achievements.

A journey of a thousand miles begins with a single step, but it's the consistent steps that get you to the destination. We took countless consistent steps together and look at how far we've come.

**Understanding Our Projects:
Making a Tangible Difference**

Our commitment to service is at the core of who we are as RC Kampala South, and this Rotary Year 2024/2025, we truly embodied the spirit of "People of Action." We set out to understand our projects deeply, and I'm thrilled to announce that

our dedication was recognized with an award for Innovations in Service Projects. From the project showcase featuring incredible work by "Cutana", Rispa a staff member from Bushikori Health Centre testifying about the impact of the MCH Global Grant and our partners at Mengo Hospital sharing about dialysis, to the visit by beneficiaries of the Kyaka II- Solid Waste Management Global Grant project, we have made a tangible difference. We saw our compassion in action during the Dialysis Centre visits and Our commitment to community

development shown as we raised money at our Annual Wine festival fundraiser. To crown it all, we, together with our partners from RC Des Moines AM and Shining City Foundation raised more than \$ 70,000 towards construction of staff houses at the Kikandwa Health Centre in Mukono.

Membership Engagement: The Heartbeat of Our Club

Our club thrives on the energy and dedication of its members, and I'm incredibly proud to say that our membership engagement also got an award this year! This truly is the heartbeat of our club. We saw incredible camaraderie within our Buddy Groups. We had fun moments; at the Buddy Groups 5-A-Side tourney and the many home hospitalities we had. Our Rotary Accountability Partnerships have flourished and for this we have fantastic memories captured in photos. The spirit of fellowship extended beyond our usual meetings with thrilling offsite meetings where we played, rugby, golf, and cricket. We celebrated the strength of our male members with several men only events like the; Men only fellowship and Men's Friday Lazy Lunches (FLLs). Our vocational tours to the Tunga Nutrition Uganda, animal feeds factory and Nile Breweries gave us valuable insights in the vocations of some of our club members.

We had engaging moments at every opportunity. We cheered, we learned, and we bonded at the Wine Festival, the always-engaging Quiz nights plus Sing & Dance Practice. We crowned engagement with The Greater Kampala South Family Get-Together that was done in partnership with the Rotary Club of Upper Kololo.

Membership Retention & Growth: Building for the Future

Building a stronger, more vibrant club means both retaining our valued members and welcoming new ones. Our efforts in membership retention and growth were significant. We celebrated the induction of 20 new members, plus

we welcomed the Rotary Club of Uptown Kampala, as the newest addition to our greater Kampala South Rotary Family. Our other upcoming clubs, RC Environment & Climate Action and RC First Aid & Emergency Care are all at provisional status, and we are confident they will be chartered soon.

Collaboration: Stronger Together

This year, we truly embraced the power of collaboration. The high light collaboration efforts included; Advancing the Mengo Hospital-Rotary Dialysis Centre partnership, a joint health camp with the RC Upper Kololo in Nawangisa, joint Monday meetings with RC with Kampala North, and collaboration with the Uganda Cricket Association on the Girls 4 Girls initiative, in support of mentorship for Uganda's Lady Cricket National team.

Recognition for Doing Good

Our tour of service has ended with being recognized for excelling in doing good. We; exceedingly engaged the public on social media, engaged our members at a level never seen, made valiant efforts to retain our members, utilized global grants in innovative ways to serve communities, excelled in self-governance and took learning very seriously. To crown it all, we sent a huge delegation to attend the 100th District Conference in Jinja. For doing all this, we received the following awards.

1. Winner -District Conference Attendance
2. Winner -Social Media Award
3. Winner – Membership Engagement
4. Winner -Membership Retention

5. Winner -Innovations (Projects) Award
6. 1st Runners Up- Governance
7. 1st Runners Up- Global Grants
8. 2nd Runners Up- Learning and Innovation

These aren't just awards. They are testaments to our continuous commitment to do the right things, touching lives, uplifting communities and creating lasting change.

Lowlights: Facing Challenges Together

No journey is without its challenges, and this year was no exception. At the start

of the year, we lost a club member, Eric Ebuk. Eric was a profound loss to us and it reminds us of the preciousness of life and how we must engage more to hang onto memories when we lose dear ones.

Parting Shot: Looking Forward with Confidence

We are leaving with our heads held high, knowing we have done our part. We only had 12 months, and thus, we chose the battles we knew we could win. The rest, unwon, are now for President Faridah Namutebi and her formidable team to accomplish.

To my incredible club management board 2024/2025, I say thank you. We have had our high ships and our low ships. We sometimes ran into frustration and hit dead ends, but you never gave up. Thank you, profoundly.

Special thanks go to the drafted-in support from; PP Charles Odaga (Public Image), Ian Mugisha (Public Image), and PP Patrick Lassu (Procurement & New Club Advisor-RC First Aid & Emergency Action), PP Jackie Nansubuga (New Club Advisor-RC Environment & Climate Action) and PP Donnan Byabazaire (New Club Advisor-RC Uptown Kampala), your contributions were invaluable. Finally, thanks go to the past presidents as well. Your wise counsel was a guiding light.

Thank you all.

Dr Samuel Sewagudde
President-2024/2025

“PARTING SHOTS
If you accept the call of leadership, besides being applauded, you must be willing to be;

- Misunderstood
- Criticized
- Opposed
- Accused
- Even rejected some times

RC KAMPALA SOUTH SERVICE PROJECTS PROFILE (2000 TO DATE)

Innovations for Impactful Community Transformation

Project Name: JJANYI PRIMARY SCHOOL

Location: Jjanyi Village, Central Uganda

Duration: (2001 to 2010)

Project Activity: Construction of a 7-classroom block with two administration offices; and a well-stocked library; provision of clean and safe water to the school community; purchase furniture for the classrooms; construct a girls' toilet block; and an afforestation project

Rotary Area: Education and Literacy

Beneficiaries: Primary School Pupils in Jjanyi Village, 20 km South of Kampala City

Funding:

Total cost of project was \$43,500 as follows:

- Oscar and Friends Concert (\$ 9,000) for construction;
- M/s Barclays Bank donated the window shutters;
- M/s Hima Cement donated bags of cement for construction of the classroom block, water tank and girls' toilet block, as well as provision of desks for the library;
- M/s Peacock Paints Ltd donated paint for the classroom block;

- M/s Pearl Flowers provided funds; and
- RC Kampala South fundraising events i.e. Annual Sports Galas, the Goat Race Day at Munyonyo, Kampala and Cineplex Movie Night etc. raised funds to stock the library with books (\$5,000)

(Note: Donations were worth \$2,000)

Impact:

- School enrollment has increased from 295 pupils in 2002 to over 400 pupils to-date;
- The performance has tremendously improved and now registers first grades at Primary Leaving Exams (PLE); and
- It is the biggest and best performing primary school in Jjanyi Village to-date.

Project Name: JJANYI DUNDU-DEWE ADOPT-A-VILLAGE PROJECT

Location: Villages of Jjanyi-Dundu-Dewe, Central Uganda

Duration: (2010 to 2014)

Project Activity: To provide piggery, poultry rearing and brick-making projects as well as distribution of mosquito nets to low-income residents of Jjanyi-Dundu-Dewe villages, 20km south of Kampala City

Rotary Area: Economic Empowerment and Community Development

Beneficiaries: Residents of Jjanyi-Dundu-Dewe villages

Funding:

TRF 3H Matching Grant 72517 worth \$ =34,047 as follows:

- RC Kampala South (D9211) - \$515
- RC Muyenga (D9200) - \$1,000
- RC of Wiarton (D6330) - \$5,762
- RC North Napa (D5130) – \$3,000
- RC Sonoma Valley (D5130) - \$2,847
- RC St. Thomas (D6330) - \$1,000
- RC Southampton (D6330) - \$2,000
- RC Flint (D2480) - \$2,000
- RC Ioannina (D2480) - \$3,500
- Share (DDF) Fund for D5130 \$5,847
- Share (DDF) Fund for D6330 – \$5,000
- Share (DDF) Fund for D9200 - \$1,500
- Interest Earned - \$76

Impact:

- Over 2,400 community members benefitted from 480 mosquito nets handed out;
- 13 families benefitted from the piggery project;
- 17 families benefitted from pullets (poultry) received;
- Community members benefitted from 2 brick-making machines supplied to make circular and interlocking bricks to build pig sties, water tanks and other structures.
- The bricks were made of earth, and not burnt clay bricks that need firewood from trees cut down, which reduced the number of trees cut, and lessened the

negative environmental effect resulting from cutting of trees.

- The bricks have further provided more affordable housing/buildings, and enabled the beneficiaries to improve their homes by constructing better and more permanent structures.
- Increased income for the beneficiaries and their families; and
- Increased awareness on the importance of working and running a business.

Project Name: ROTARY COMMUNITY CORPS (RCCS)

Location: Nyaonga, (Western Uganda), Bumasiye, Bushikori, Busesa, Muki and Jinja RCCs (Eastern Uganda), and Kikandwa, Central

Duration: (2014 to date)

Project Activity: Economic Empowerment of RCCs and their families; and surrounding community members

Rotary Area: Economic Empowerment and Community Development

Beneficiaries: RCCs and their families; and surrounding community members

Funding: Over \$9,000 (Fundraising initiatives by RC Kampala South)

Impact:

Over 120 members of the RCCs and their families and surrounding community members have benefited from financial literacy training, economic empowerment through savings and credit schemes (SACCOS) financed by RC Kampala South; and community development whereby the RCCs have promoted environmental protection and sustainability in the communities in which they reside through tree planting activities in partnership with RC Kampala South.

Project Name: THE FISTULA REPAIR PROJECT

Location: Nakasero Hospital Ltd in Kampala District, Central Uganda

Duration: (April to June 2014)

Project Activity: Treatment of 8 mothers suffering from Fistula.

Rotary Area: Disease Prevention and Treatment

Beneficiaries: Mothers suffering from Fistula

Funding:

- RC of Etobicoke Canada - \$8,000;
- Rotarians and Friends of Rotary in Canada through the RC of Oakville and RC of Toronto;
- Nakasero Hospital Ltd (NHL)– Free Surgeries (provided the operating theatre, 2 surgeons and hospital accommodation;
- Desret International – Accommodation for the recovery centre;
- Hope Against Fistula Support Organisation (HAFSO) – Identifying and screening the women; and
- Concordia Volunteers Abroad Programme (CVAP) - Identifying and screening the women.

Impact: Restored the health of 8 mothers previously suffering from Fistula.

Project Name: KIKANDWA HEALTH CENTRE III PROJECT

Location: Kikandwa Village in Kayunga District, Central Uganda, 70km East of Kampala City

Duration: (2013 to date)

Project Activity: Construction of Kikandwa Health Centre III with an out-patients wing, pharmacy, diagnostic laboratory, maternity ward, and paediatric block; as well as staff housing for the medical team; and provision of clean and safe water, and tree planting in Kikandwa Village and surrounding communities.

Rotary Area: Disease Prevention and Treatment; and Environmental Protection

Beneficiaries: Residents of Kikandwa Village and surrounding communities

Funding: Over \$512,338 in cash and \$382,500 In-Kind (Fundraising initiatives by RC Des Moines AM, in Iowa, Drake University and Shining City Foundation in the USA)

Impact:

- Provision of healthcare services and community outreach programmes;
- Training of healthcare workers to conduct medical outreaches targeting pregnant mothers, malnourished children, and patients with non-communicable diseases such as cancer, hypertension and diabetes;
- Routine immunisations;
- Provision of Mama Kits to over 500 expectant mothers;
- Provision of clean and safe water to Kikandwa residents and surrounding villages;
- Environmental protection and sustainability activities

through tree planting at the health centre coded with GPS to monitor their growth; and

- Staff housing for the medical team.

Project Name: ROTARY FAMILY HEALTH DAYS AND OTHER MEDICAL CAMPS

Location: Kikandwa Health Centre III; Namawanga Health Centre III, Mbale; Nyaconga, Bushikori Christian Centre, Mbale; Hope Clinic, Busesa

Duration: 2018 to date

Rotary Area: Disease Prevention and Treatment

Beneficiaries: Local communities surrounding the health centres

Funding: Over \$6,000 in cash and \$3,000 in-kind

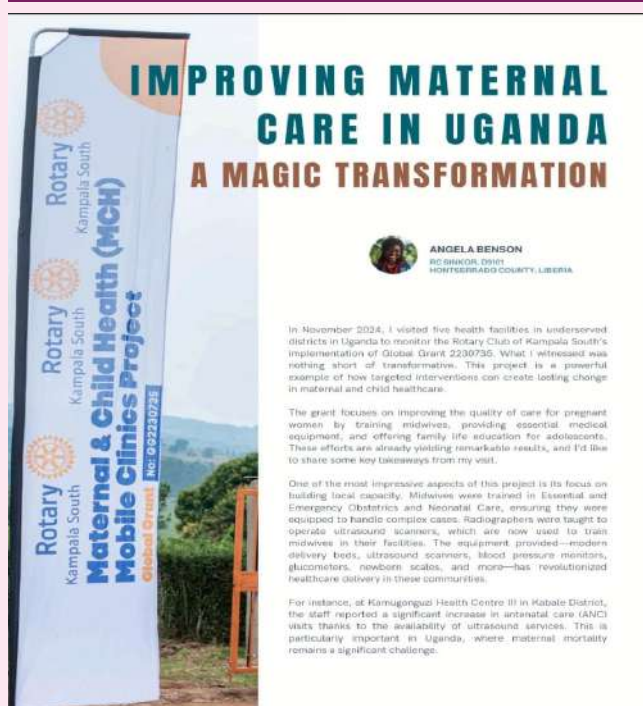

RC Kampala South fundraising initiatives in partnership with:

- Government of Uganda, Ministry of Health (MoH);
- M/s Agarwal Eye Hospital, Kampala;
- M/s Reproductive Health Uganda (RHU)
- Mothers' Initiatives Africa;
- Nutrition Uganda (under MoH)
- Pamela Kadama Senkatuka (PKS) Foundation;
- Rotary clubs of: Kabale, Mbale and Iganga;
- Rotaract clubs of: Busitema University, Livingstone University and Mbale School of Hygiene; and
- Nyaconga, Bumasiky, Bushikori, Busesa and Kikandwa RCCs.

Impact: Over 2000 patients screened for various ailments such as:

- Eye infections and treatment;
- Cervical Cancer screening for over 500 women;
- Family Planning services;
- HIV/AIDS screening and counseling;
- Immunization against HPV for over 60 girls below the age of ten; menstrual education for teenage girls;
- Donated over 150 kits of reusable pads to over 150 teenage girls to keep them in school; and
- Nutrition education through the MoH to mothers at the camps.

Project Name: MATERNAL AND CHILD HEALTH (MCH) MOBILE CLINICS PROJECT

Location:

- Kikandwa Health Centre III, Kayunga (Central Uganda);
- Hope Children's Clinic Busesa (Eastern Uganda),
- Bushikori Christian Medical Centre, Mbale (Eastern Uganda),
- Kamugunguzi Health Centre III, Kabale (Western Uganda); and
- Bukalagi Health Centre (Central Uganda).

Duration: 2023 to date

Rotary Area: Disease Prevention and Treatment

Beneficiaries: Patients suffering from kidney failure

Funding:

- TRF Matching Grant - \$122,620
- In-kind contributions – \$811

Impact:

- Equipped 5 health facilities with assorted medical equipment;
- Trained medical workers in the 5 health facilities on use of the medical equipment;
- Provided motorcycle ambulances to aid transportation of expectant mothers in labour;
- Improved access to health care for women and children;
- Enhanced health awareness
- Strengthened community relationships;
- Reduced the disease burden in the communities served;
- Improved antenatal and postnatal check-ups for over 2,000 mothers and children; and
- Provided health education to over 10,000 adolescents on family life matters and menstrual hygiene.

Project Name: SETTING-UP OF A 3-BED HAEMO DIALYSIS UNIT PROJECT

LOCATION: MENDO HOSPITAL, KAMPALA IN CENTRAL UGANDA

Duration: August 2022 to-date

Rotary Area: Disease Prevention and Treatment

Beneficiaries: Mothers and children under 5 years living in the communities surrounding the health centres

- Funding: TRF Matching Grant G2119622 - \$84,441
- RC Giridih, D3250
- RC Berlin International, RC Berlin Pankow, RC Madras
- RC Taipei Ricardo
- RC Taipei Success
- RC Taipei Merci
- RC Taipei Leadership Village
- PKF – \$3514
- Cash contributions – \$3241

Impact:

- Trained over 10 nurses in Haemo Dialysis; and
- Created awareness on kidney disease, prevention, diagnosis and treatment.

Project Name: WASH PROJECT IN KYAKA II REFUGEE SETTLEMENT

Location: Kyegegwa, Western Uganda - 6 zones of Sweswe: (Bwiriza, Bukere, Itambabinga, Byabakora, Bujubuli Buliti)

Duration: 2023 To-date

Rotary Area: Water, Sanitation and Hygiene (WASH)

Beneficiaries:

- Over 125,000 refugees from neighbouring Rwanda and Burundi in a government refugee settlement managed by UNHCR (targeting 4,016 males and 3,984 females); and
- Host Community

Funding

- TRF Matching Grant GG2340700
- UNHCR
- OXFAM
- Government of Uganda (Office of the Prime Minister)
- AQUA Methods
- Karf Aqua Engineering Solutions Uganda
- Kyegegwa Local Government
- Kyegegwa Subcounty
- Refugee Leadership
- Host community
- RC Kabarole
- Rct Kabarole

Impact:

- Improved and upgraded 4 rain-harvesting systems in Mukondo and Bujubuli Health Centres; Itabaninga Primary School;
- Constructed a 100 cc water tank, pump fittings and chain link for Buliti Water Supply targeting over 10,000 beneficiaries
- Constructed a mobile water quality laboratory at Sweswe;
- Installed testing equipment to serve an estimated 30,000 users; and Extended electricity to Bujubuli Water System
- Improved lives of at least 52,650 people through provision of clean water, and improved sanitation; and
- Promoted hygiene in the camp and surrounding communities.

Project Name: SOLID WASTE MANAGEMENT AND RECYCLING PROJECT

Location: Kyaka II Refugee Settlement in Kyegegwa, Western Uganda

Duration: 2023 To-date

Rotary Area: Water, Sanitation and Hygiene

Beneficiaries:

- Over 125,000 refugees from neighbouring Rwanda and Burundi in a government refugee settlement managed by UNHCR (targeting 4,016 males and 3,984 females); and
- Host Community

Funding: TRF Matching Grant GG 2230778

Impact:

- Sanitation and Hygiene; and
- Economic Empowerment of communities through recycling of waste material

Project Name: Boy-child Uplifting Program (BCUP) Project

Project Activity: To foster a positive learning environment by empowering boys to navigate life's challenges responsibly.

Location: Mbarara, Western Uganda

Duration: 2023 to 2024

Rotary Area: Youth Empowerment and Leadership Growth

Beneficiaries: Teenage boys in Schools

Funding:

- MOTIV Innovative Village
- RC Mbarara
- Rct Mbarara

Impact:

Equipped over 210 boys with values and responsible behaviour as well as vocational skills; and mentorship

for over 200 young men under the theme: 'Men of Valor' focusing on character development while complementing traditional educational goals.

Project Name: YOUTH EMPOWERMENT

Project Activity: Expanding our reach in community service as rotarians through formation of new rotary clubs.

Location: Kampala District, Central Uganda

Duration: 2012 to date

Rotary Area: Youth Empowerment and Leadership Growth

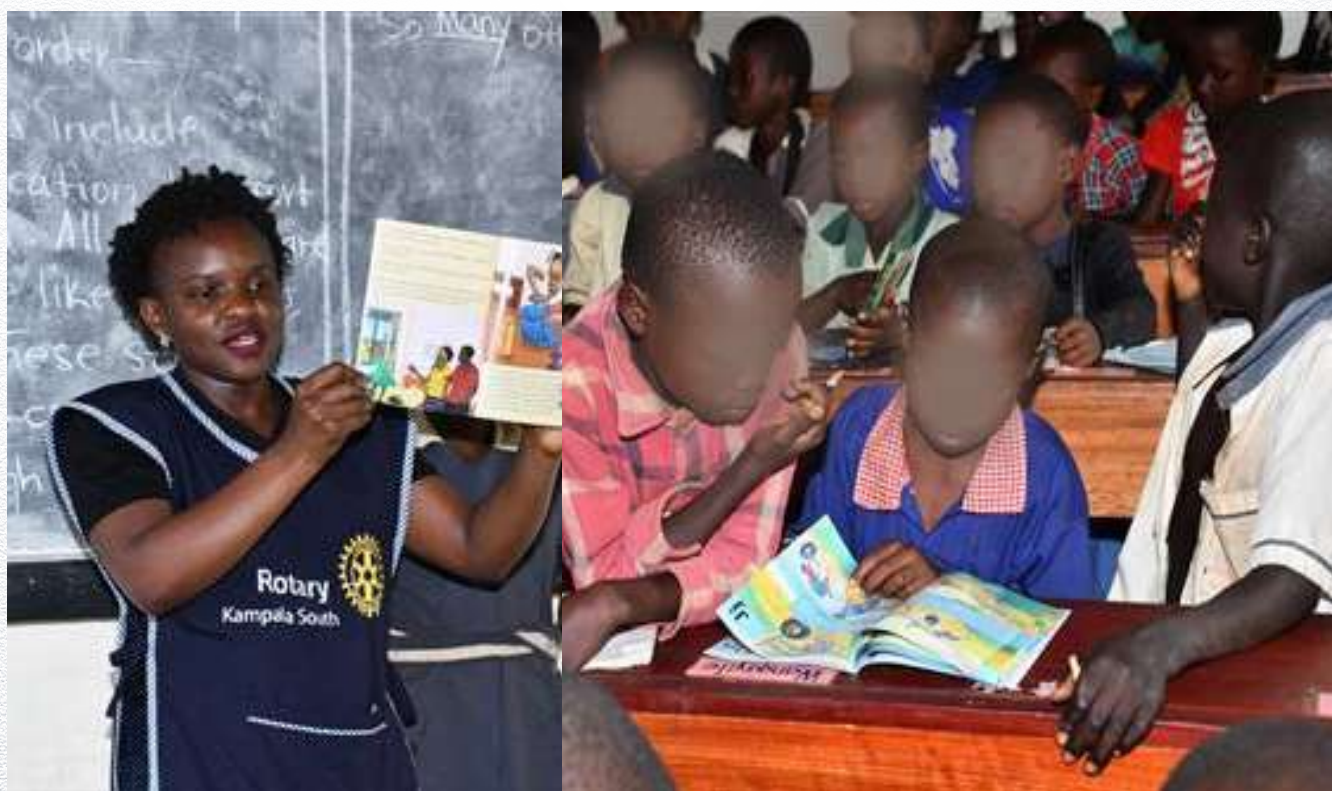

Impact:

- The Rotary clubs of Kajjansi, Maisha, Upper Kololo, Kampala Springs and Uptown Kampala; RC Kampala First Aid and Emergency Response, Uganda; as well as the provisional RC Environmental and Climate Change;
- Rotaract clubs of Kampala South and of IUEA; and
- Interact clubs of Bishop Sisto Mazzolidi and East High School.

(**NOTE:** Rct Club of IUEA and Interact Club of East High School are no longer in existence.)

- Annual Sports Gala (2000 to 2012)
- Goat Race Day at Munyonyo, Kampala (2003)
- Movie Nights (2003 to 2015)
- Rotary Carnival (2010 to 2012)
- Oscar and Friends Concert (2010 and 2011)
- Annual South Independence Boat Cruise (2013 to 2017)
- Easter Bazaar (2021)
- Annual Wine Festival (2023 to date)
- Gratitude Pounds collections at the weekly club fellowships (2023 to date)

OTHER INNOVATIVE ACHIEVEMENTS

1. Pioneered hybrid fellowships using a live streaming App called Periscope; and in 2020, using the Zoom platform, became the benchmark across the district for conducting great online /virtual meetings – a reputation the club still holds to date;
2. Pioneered the adoption of Club Runner, a customized website platform providing the club membership with access to valuable Rotary resources; a proactive approach in maintaining an online presence and archiving important information;
3. Regular updates on club activities by buddy groups keep

the club's social media pages active and engaging;

4. Enhanced communication efforts by employing a photographer to document official meetings and activities; as well as a club administrator who assists with record keeping;
5. Building a Thriving Rotary Club: Beyond Themes; RC Kampala South has focused on long-term strategies; through membership growth, diverse vocational expertise, and through commitment to mentoring leaders, the club has achieved excellence in its service initiatives. This commitment has been rewarded with multiple awards at district conferences over the past decade; and
6. Growth and Diversity: Over the year, RC Kampala South

Rotary
Kampala South
