President's Report

For our first meeting in March we were graced with the presence of well-known Gold Coast sportsperson Mat Rogers who heads up the volunteer program for the Commonwealth Games. Reminded of the important role that volunteers play within any community Mat was a glowing ambassador and left us all with a feeling of positivity for the Gold Coast and an eagerness to join ranks for 2018.

Another sizeable and energy filled meeting with 42 in attendance including a special guest Carey Westward, visiting from Kenya who gave a lovely 5 minute update of her charity Manasprings. Please check our speaker program for the weeks ahead as Caroline has secured some excellent prominent guests all with local relevant topics. Included in this role up are; **6th April - Dr Danielle Stanisc from Glycomics at Griffith University** speaking to us about the breakthrough in development for a Malaria vaccination, **20th April – Assistant Police Commissioner Brian Codd** who will be heading up security for the Commonwealth Games, **18th May, Marion Charlton, COO for the Gold Coast airport.** Please use this as the ideal opportunity to invite with pride friends and visitors.

Once again it gave me great pleasure to formally welcome back to membership of the Gold Coast Rotary Club both Rob Ffrench and Ras Manickan. Both are currently active within the business community, have been extremely active within our club in previous years and now look forward to being active members again.

This week the focus is on Ramble... Which is a sharp reminder...Kylie Parker was the winner of a Fit Bit, drawn on the night as an acknowledgment for early registration for Ramble.

We have our own volunteer and participation program "RAMBLE" which really needs your help now! With just over a week to go, we still need entrants, fund raisers and volunteers. Please spread the word and put your hand up! WE NEED YOU!!

Happy volunteering

Rotarian action groups

Rotarian Action Groups help Rotary clubs and districts plan and carry out community development and humanitarian service projects in their area of expertise.

The groups are organized by Rotarians and Rotaractors who are proficient, and have a passion for service, in a particular field.

How Rotarian action groups operate

> Each group functions independently of Rotary International establishing its own rules, due, requirements, and administrative structure.

> Membership is open to Rotarians, their family members as well as participants and alumni of all Rotary and Foundation programs.

> They must adopt Rotary International's standard bylaws and operate in accordance with Rotary policy.

> They regularly collaborate with clubs and districts on service projects in their area of specialty.

> They can help clubs and districts obtain funding or other assistance for their service projects.

Benefits of Rotarian Action Groups

By joining a Rotarian Action Group, you can engage in meaningful service activities outside your own club, district, or country.

By partnering with a Rotarian Action Group, your club or district gains the support of experts for planning and implementing a project.
