The Rotary Club of Bay Saint Louis is excited to announce we are now accepting applications for our 5th Annual “Service Above Self” Scholarship. The intent behind the “Service Above Self” Scholarship is to recognize students not only for their academic success but for their experience in service, their plans for future service, and their understanding of how *service above self* impacts others, their community and themselves. Please share this application with graduating seniors who either live and/or attend school (public, private or homeschool) in Hancock County.

Completed applications and essays should be emailed to: jbrdecka@hancock.lib.ms.us on or before Friday, May 17th, 2024.

Once finalists are selected in person interviews will be scheduled.

In Service,

Ashley Mayley

23-24 President, Rotary Club of Bay St. Louis
