Subject: Sleep in Heavenly Peace Pre-Build Event in Gautier - VOLUNTEERS NEEDED

Good morning to all.

My name is Donna Stewart, and I'm the president of the Rotary Club of Moss Point. As you probably know by now, District 6840 adopted Sleep in Heavenly Peace as our service project for 2026. Rotarians from across the district will be taking part in the Build Day on Saturday, September 19th, at Point Cadet Plaza in Biloxi.

To ensure that everything on that day runs smoothly and quickly, we'd like to have a **Pre-Build Day on Saturday, September 12th, in Gautier**. The volunteers for this event will help prepare the materials for each step in the building process, including sanding boards, cutting, loading, etc. Additionally, these volunteers will serve as Station Managers for the Build Day on the following Saturday at Point Cadet. Station managers coordinate all of the activities at his/her specific station and keep things flowing. Ideally, we'd like to have as many as possible from the group of volunteers who helped with the first Build Day earlier this year in Pascagoula. However, everyone is welcome, and there are training videos that are available to assist the station managers.

We'll be meeting at the pavilion behind First United Methodist Church, 2717 US-90, in Gautier, MS, 39553, on **Saturday, September 12th, from 8 – 11 AM**. We'd like to have 2-3 volunteers from each of your clubs. Tools will be provided at the Pre-Build. Again, these volunteers will be assisting in the Pre-Build **AND** again at the Build Day the following week as station managers. **It's important they**

understand that by signing up for the Pre-Build Day, they are also committing to the Build Day.

If you would, please share this with your club members as soon as possible. Also, please ask them to contact me directly at dstewart@unitedwayjgc.org, and I'll send them links for volunteer enlistment and the videos. It's important to know ahead of time who is planning to participate.

Donna
