Dear Prospective Member,

We are very pleased that you are considering membership in the Rotary Club of Hattiesburg. The information below is intended to share a little about the privileges and commitments of Rotary membership.

"What is Rotary Club of Hattiesburg?"

Rotary International is a service organization with 1.2 million members in 33,000 clubs in more than 200 countries. Rotary is a diverse organization, apolitical and nonsectarian, open to all faiths. A Rotary Club's membership is representative of the community it serves. There is something that all Rotary club members have in common: *we take action*. As community volunteers, we reach out to neighbors in need, we build, support, and organize. We save lives. We work locally and globally.

The Rotary Club of Hattiesburg was chartered in 1918 and is the second oldest club in District 6840. When you join our club, you become part of a prestigious group of community leaders with 100 years of service locally, statewide, and throughout the world. Through weekly meetings and club committee involvement, you will gain the lifelong friendships that you would not acquire otherwise. It is truly a club of fellowship, community and business connections like no other.

What are my commitments to Rotary?

Club members assume personal and financial obligations including dues, lunches and club projects. Please understand that these obligations are yours and not your employer's even if your employer assumes your financial obligation to the club. If a member's employer pays their dues/fees/assessments, they do not cease to be a member if that arrangement ends.

Rotary membership has a certain prestige. You will meet many of the community's present and upcoming leaders. There will be opportunities to network, socialize and develop business relationships with other club members. However, expecting to network and solicit business from other members should not be one's motivation for joining Rotary. Members should refrain from networking for business purposes during club meetings. When members focus on Rotary activities, business opportunities will often appear at the most unexpected times.

Am I required to attend every meeting?

Rotary International does have an attendance requirement for its members. Members are expected to attend at least 50% of the weekly meetings. However, we do understand outside factors (e.g. work commitments, illnesses, family, etc.) may affect your attendance. In these instances there are numerous make up opportunities in place to allow one to maintain 50% attendance. Visiting other Rotary clubs will also prove to be one of the highlights of becoming a member. In addition, your participation in club, district, or Rotary International committee meetings or club counts as an attendance credit.

When, where, and how often does Rotary Club of Hattiesburg meet?

The Rotary Club of Hattiesburg meetings are held every Tuesday (with the exception of certain holidays and special circumstances) at Mugshots Grill & Bar. Food service starts at 11:45 and is the opportunity to network and socialize. The meeting is from 12:15 until 1:00. In rare instances, you may find it necessary to leave a meeting early. As a courtesy to our speaker, you are expected to remain until the adjournment of the meeting. If you must leave, please do so before the speaker begins and you are encouraged to sit near an exit so as not to disturb the meeting.

Again, we are honored that you are considering membership in our club! Please take a moment to review the attached information. If you have any questions please don't hesitate to contact your sponsor or any member of our club – *we are happy to help you in any way possible.*
