

Northlake Mandeville Rotary Club 2024 College Scholarship

The Northlake Mandeville Rotary Club is beginning its 26th year, over a quarter of a century, of providing college scholarships to deserving high school seniors from our Mandeville area. Over the past 25 years, we have helped over 50 students in achieving their goal of a college education. This year we will be awarding four \$12,000 scholarships.

Students that qualify for the Rotary scholarship will have exemplified outstanding academic achievement and participated in serving our community through various volunteer, school, and civic organizations. In addition, those students that exhibit financial need will receive special consideration. ***Our scholarship goal is to find a worthy student for whom our scholarship will make a difference in helping them realize their potential as a college student and a member of our community.***

- The Rotary Scholarship is a \$12,000 award, paid to the college of the recipient's choice in \$1,500 semester installments for a maximum of 8 semesters. When in college, the student must be full time as defined by the college they are attending and maintain a minimum 2.5 GPA. The scholarship winners will be required to attend the Annual Northlake Mandeville Scholarship Banquet to receive acknowledgment as a scholarship winner. Winners must also attend a Rotary lunch meeting twice a year to report on their activities and pick up their scholarship checks prior to each semester. ****Attendance at the Annual Banquet and two Rotary meetings per year is mandatory.**** The Annual Banquet will be held Sunday, April 28, 2024. Students must also provide the Rotary club with a copy of their grades in a timely manner after each semester.
