

ROTARY'S

28th Annual Scholarship Fundraiser

Sunday with the Scholars

April 26, 2026

Beau Chene Country Club

The Northlake-Mandeville Rotary Club will award \$12,000 College Scholarships to four local high school seniors. We have awarded over \$500,000 to over 60 local students. Rotary selects four graduating seniors from local high schools for whom the scholarship will have the "greatest impact." Rotary scholarship students must display academic ability, community service and a need for financial assistance. Please help these local students and invest in our Northshore community's future. Over twelve of our former or current students are teachers, engineers, medical doctors and nurses or are studying to be.

Please help Rotary raise the needed funds and please attend our Annual "Sunday with Scholars" event on April 26, 2026, 5:00 p.m. to 9:00 p.m. at Beau Chene Country Club in Mandeville. Join us and celebrate scholars past and present while enjoying an open bar, hors d'oeuvres, supper, music and presentation, a silent auction, and fun for all! Our charity is 100% Rotary volunteers, with no paid employees or workers.
