

The Rotary Club of Rio Rancho Sunrise awards scholarships to Nursing Students who intend to return to Rio Rancho after they complete their studies. Through the gracious support of local businesses, individuals, medical groups and higher learning organizations \$89,000 in scholarships have been awarded so far. The goal for this year is to award \$15,000.

Candidates submit applications and meet specific criteria. Qualifying applications are reviewed and those selected are interviewed by a panel of club members, medical professionals and previous award winners. The panel then recommends scholarship amounts based on the results.

Please join us in recognizing these fine students at our Gala Dinner!
