## ENCINITAS ROTARY

The Rotary Club of Encinitas was founded in 1939 and since that time has been actively engaged in hundreds of hands-on community and international service projects.

The men and women that make up the club's membership represent all segments of the community including city and school leaders, small business owners, members of the artistic community and retirees.

The club annually dedicates thousands of hours supporting local education (e.g., financial literacy training to local high schools, distribution of dictionaries to all 3rd graders, and recognition of teachers from every school in the area).

Annual fund raisers are held, collecting over \$1 million dollars in the last 5 years alone, with all proceeds going to support a wide range of local and international not-for-profit organizations.

The Encinitas Rotary clearly believes in Service Above Self.

# Why Call Us?

Many Seniors have a difficult time with many common household repairs due to their physical condition or safety issues. In some cases the cost of hiring a handyman or contractor to perform minor repairs is prohibitive, or there may not be any family able or willing to assist.

## Typical Services

- Replacing light bulbs in hard to reach areas (ceilings, ovens, refrigerators)
- Replacing batteries on smoke detectors (usually on ceilings)
- Leaking faucets
- Toilet tank malfunctions
- Squeaky doors and windows
- Damaged or torn screens
- Blown fuses or GFI resets
- Loose handles or drawer pulls
- Water heater adjustments

## How We Can Help

Encinitas Rotary is ready to coordinate a team of volunteer Rotarians to make the necessary repairs at no cost .

With just a phone call or email, a team of Rotarians will stop by on a Saturday morning to handle the necessary maintenance or repair. Rotary will coordinate the teams and send them to you on a specific date. If your need is urgent we will do our best to accommodate your need or provide a referral.

When the Rotary HOME Team arrives they will introduce themselves, provide identification, review your request and ask you to sign a simple liability waiver. They will determine what is necessary to complete the task. In the event we cannot assist you, we will be more than happy to assist you in finding a qualified contractor.

Upon completion, the Rotary HOME Team will leave behind additional information that you might find helpful for other needs. We would also like to hear from you about the service and we welcome your comments.
