### Thursday's Program

#### Hogar Infantil Orphanage

We meet via Zoom this week. We will hear from **Patricia Garland**. Patricia is a board member of Hogar Infantil, Inc. which supports Casa Hogar La Gloria Orphanage in Tijuana. Our club financially supports Hogar through our foundation. The orphanage provides a home for the orphaned, abused, neglected, and abandoned children of Tijuana. The children receive care in a secure and loving home.

### Students of the Month

#### Fallbrook Union Elementary School District

This month we got to meet the San Onofre Elementary School students who were being recognized as Students of the Month. Sixth grader Skylier Jones and eighth grader Nico Harbour joined us for lunch along with their Principal, Joe Kniseley. April is the Month of the Military Child, so it was very

appropriate that we heard from students whose school is located on base at Camp Pendleton!

### Great Performances (Fallbrook Style)

#### Naval Aviation Alumni Choir

Many thanks to Jim Mendelson for arranging our special musical guests at last week's meeting. The

Naval Aviation Alumni Choir was truly awesome. They shared a bit

about their members' service to our county and sang several spirited numbers. Heck, they even included the Army's official song in their repertoire. How open minded!

### Quote of the Week

Let us reach out to the children. Let us do whatever we can to support their fight to rise above their pain and suffering.

Nelson Mandela.
