Thursday's Program

President's Vision & Goals

We meet at Grand Tradition this week. We'll be taking off with our refueled President Jim Mendelson (aka Refly) at the stick. Join us on Thursday as Jim presents his vision and goals for the year to come. Let's have all hands on

deck so we can kick the tires and light the fires for another great year for the Rotary Club of Fallbrook!

Looking Ahead

July 18 – Know Your Fellow Rotarians

We'll meet online via Zoom next Thursday. We will have some fun asking our "older" members to reintroduce themselves so our newer members get to know a bit more about questionable characters with

whom they are hanging out. We will also hear about the concept of a "Companion Club" and how setting up such a group may benefit our club.

Upcoming Events

- July 17 Boys & Girls Club Service Day
- July 18 Club Meeting via Zoom
- July 18 Club Board Meeting
- July 20 Highway Cleanup
- July 24 Neighborhood Food Distribution
- July 25 Club Meeting at Grand Tradition
- August 1 Club Meeting at Grand Tradition
- August 8 FUESD Staff BBQ
- August 10 Fireside Chat for New Members

Retiring a Retread

Farewell, Dale (again)!

We kicked President Dale Mitchell (aka Retread) to the curb on June 27. We heard about Dale's famous ancestor and enjoyed the

evening at Grand Tradition's Arbor Terrace. The event concluded with the passing of the gavel, which required some quick swapping of

places among our past presidents! Check out our club website for more photos from the demotion.

Rotarians of the Year

Way to go, Jim and Steve!

What's better than one Rotarian of the Year? How about two? Both Steve Jones and Jim Mendelson were honored as our club's Rotarians of the Year. Steve has been

responsible for growing our club and has also been key in expanding our July 4th event to a full day celebration. Jim is our incoming President, served as President Elect this past year, and is a Past President! Jim is also active at the district level and works with many of the clubs in the surrounding area.

Quote of the Week

The secret of change is to focus all of your energy not on fighting the old but on building the new.
