Thursday's Program

Know Your Fellow Rotarians

We meet online via Zoom this Thursday. We will ask one of our more "seasoned" members to reintroduce himself so our newer members get to know who they should avoid cutting in front of in

the buffet line at Grand Tradition. We will also learn about the *Open World Program* and *Companion Clubs*.

Looking Ahead

July 25 – Homeowners Insurance

We meet at Grand Tradition next Thursday. Our guest speaker will be Sharon Smith from the California Department of Insurance. Ms. Smith covers San Diego County for the department's Community Relations and Outreach Branch. Like other states with high-risk areas, California is seeing companies asking for significant rate hikes, canceling policies, and refusing to provide coverage. Fallbrook has been directly impacted. On July 25 we'll hear more on this issue.

FUESD Staff Appreciation BBQ

Fire up those grills! On Thursday, August 8, we will be hosting the staff of the Fallbrook Union Elementary School District at our annual BBQ in their honor. It takes a full complement of volunteers to make this event possible.

There's a job for everyone, regardless of your abilities or talents. Heck, they even let Decker cook that day! Come lend a hand and join us as we honor the work of the classified, certificated, and administrative staff members who are dedicated to educating the children in our community.

Service Above Self

Neighborhood Food Distribution

This month's distribution will be on Wednesday, July 31. Volunteers set up at 8:00 AM with distribution from 9:30 AM to 12:30 PM.

Highway Cleanup

The Tenacious Trash Trawlers will be doing their thing on Saturday, July 20. Club members will meet at the intersection of Old Highway 395 and I-15 at 7:00 AM to start trawling that morning. Come out and get trashy!

Quote of the Week

The only way you approach politics and seek elective office is to move forward. For me to look back in anger or with any rancor would be a mistake.
